"HAMILTON"

Made to measure garments are making friends in Omaha every day, and we hope these friends will help us make more friends. We want you to feel that when you come here, that our aim is to satisfy you beyond any question, that is our way of doing things.

We have learned early in our business career that nothing but honest values count. You will find them in abundance here. See our beautiful line of all wool fabrics, staples and novelties for early spring wear.

Glad to show them to you if you will call. We will not argue with you, nor urge you to buy.
