The Demand for Telegraphers Gives Every Young Man a Great Chance

It gives you a great chance! But—it's one that must be grasped now! Enorously increased traffic demands that the Railroad Telegraphy forces be greatly

increased at once! This gives you your opportunity! There never was a year in the history of the United States that could hold a Every crop in every state made every previous record "look like nothing.

Every crop in every state made every previous record "look like nothing." And the result is that every railroad everywhere is increasing its trackage—its freight and passenger carrying—and all this means that urgent need of more employes of all kinds—particularly the need of more telegraphers, for were there no telegraphers it is almost safe to say that there would now be no railroads—FOR EVERY RAILROAD TRAIN STARTS AND STOPS WHEN SOME TELEGRAPHER RELES IT TO DO EITHER—AND IT DARE NOT DO EITHER UNTIL IT GETS THE TELEGRAPHER'S ORDERS OR SIGNALS!

The Union Pacific Railroad, for which Boyles College is Telegraphy Training School, is known to pay its telegraphers the highest salaries—to give them the best chances to climb high in railroad work. Both the Superintendent of Telegraphy and the Chief of the Union Pacific Department of Instruction right here in Omaha—where the Headquarters of this immense railroad system is located—have urged us to urge ambitious young persons to take up our Telegraphy Course, here right in the Boyles Building, through which passes the Direct Wire of the Chief Train Dispatcher of the Union Pacific R. R.

This great railroad system—as well as every other railroad in America, is in real, genuine need of more—many more telegraphers!

From the ranks of the telegraphers of yesterday have been recruited the great railroad men of today—the Superintendents, the General Managers, the Presidents of today. More than three-fourths of the high railroad officials today started as telegraphers!

The job is waiting for you if you have the will to get a few months' training

telegraphers!

The job is waiting for you if you have the will to get a few months' training that will enable you to fill it with ease!

Write us right away. Just tear out this ad—and take your pencil and write across the face of the ad: "Send me more particulars." and sign your name and address and mail it to use—and the thing will be done. We'll see to it that you get full details.
