LOWER COURT IS REVERSED

Supreme Court Send Back Case of Laurens Nelson.

REQUISITION IS GRANTED

Man Held by Sheriff of Cass County Will Be Turned Over to Montana Officials—Governor's Staff Buying Uniforms.

From a Staff Correspondence. LINCOLN, Feb. 11.—(Special.)—The supreme court handed down a few opinions this morning, among them being a case appealed from the district court of Douglas county wherein Laurens Nelson, who had been injured by a car of the Omaha & Council Bluffs Street Railway company, had sued the company for damages. The history of the case shows that after evidence in the case had been introduced a motion was made that the court render a verdict for the defendant on account of inefficiency of the petition and evidence. Whereupon the plaintiff asked leave to withdraw a juror and the court granted the same. The juror was discharged and the case set for a new trial. Afterwards the defendant moved the court to vacate and set aside the order allowing the juror to be withdrawn and setting the case for a new trial. Same was taken under advisement and later motion was sustained. The case was then dismissed according to defendant's motion. The supreme court reverses the lower court and sends the case back.

Another case was one in which the Platte Valley Farm and Cattle company, also doing an irrigation business, had been sued by one of its water tenants, Eleanor D. Peden, for damages because of a refusal to allow him water for irrigating his crops, resulting in damage to the same. There was some controversy over the time in which the water rent was paid, but the court decided that as a contract had been made to furnish the water at a certain time the time of payment was not sufficient cause for refusal of water and rendered a verdict in favor of Peden. The company appealed and the supreme court sustains the lower court in its judgment.

Resolutions of Respect. The judges of the supreme court this morning appointed a committee to draft resolutions on the death of Judge E. W. Wakeley of Omaha, as follows: F. S. Howell, John L. Webster and E. B. Kennedy of Omaha, A. J. Sawyer of Lincoln and H. M. Sinclair of Kearney.

Bignamy Charge Made. The governor of Montana filed with the governor of Nebraska an application yesterday for a requisition for the return of W. H. McDonald, otherwise known as W. H. O'Neill wanted in Cascade county in that state on a charge of bigamy. The complaint against McDonald was made by wife No. 1. The second woman in the case was a Miss Ella Hawkins of the same county. Sheriff Quinton of Plattsmouth is holding McDonald in custody and will turn him over to the sheriff of Cascade county today, the application having been granted by Governor Morehead. No hearing was had in the matter.

New Guard Company. A new company of the national guard will be mustered in at Grand Island as soon as the adjutant general can get time to go down for the purpose. The application for muster contains the names of over sixty young men of that city.

Trappings for the Staff. Adjutant General Hall, who will act as chief of staff on the trip of Governor Morehead and his staff of military colonels to Washington, has put it up to the titled aristocrats over which road they desire to travel. Letters have been sent them asking them to designate the route from here to Washington, the route

Finicky Appetites Put in Order

You Can Sit Right Down and Eat Anything Served if You Get Acquainted with Stuart's Dyspepsia Tablets.

With a most pathetic sigh the dyspeptic sits down and "views with alarm" his hungry companions. Now, the best doctrine for most people to hand out to suffering stomachs is to couple a square meal with Stuart's Dyspepsia Tablets. To sit down to a good meal and eat whatever is served is getting back to the good old days when grand-dad carved the roast, when the family made a clean-up; and when good appetites with sound digestion produced the men and women that have made our nation what it is. Stuart's Dyspepsia Tablets are the dyspeptic's hope. They are a natural restorative of healthy action to the stomach and small intestines, because they supply the elements that the weak stomach lacks—pepsin, golden seal and other digestives. If you are afflicted with any symptoms of stomach trouble, be assured that your digestive organs are losing power—they need help and there is no more sensible help to be given them than to supply elements which will do the work of digestion for them.

Stuart's Dyspepsia Tablets have been found by test to have digestive powers, one grain of the active principle of these tablets being sufficient to digest 1,000 grains of ordinary food. It is plain that no matter what the condition of your stomach, or how far your disease has progressed, one of Stuart's Dyspepsia Tablets taken at meal time will do the work—give your stomach an opportunity to retain its lost powers, the muscles will be strengthened, the glands invigorated, and you will be a new man.

All druggists sell Stuart's Dyspepsia Tablets, at 50 cents a box—Advertise.

NEWS FROM BEATRICE AND GAGE COUNTY BEATRICE, Neb., Feb. 11.—(Special.)—Harry Welsh was arrested at his home near Blue Springs last evening by Sheriff Schick on the charge of disposing of mortgaged property. He was brought here and lodged in jail. He has a wife and six children. Jesse Ervin Reddick and Miss Bessie V. Dibble, both of this city, were married here yesterday by County Judge H. D. Walden.

The will of Michael Knochel was filed for probate in county court yesterday. The property is divided between the widow and the children and \$1,000 is set aside for St. John's Catholic church for the purpose of erecting a new building. The body of Mrs. Jacob Drum, who passed away last week at her home in Kansas City, was brought here Sunday for interment. The deceased was the wife of Jacob Drum, who was postmaster of Beatrice about twenty years ago. Rt. Rev. Arthur Williams of Omaha, confirmed a class of eight at the Episcopal church here Sunday.

CHERRY COUNTY FARMERS FORM AN ASSOCIATION SURREY, Neb., Feb. 11.—(Special.)—The people of western Cherry and Sheridan counties, are organizing to improve social and civic conditions in this section. Telephone lines are being built, and steps are being taken to urge the building of a railroad through this section. There is a rich country lying between the Burlington and the Elkhorn railroads, but the country cannot be properly developed until a railroad runs through this section. Big crops of potatoes, small grain and corn can be raised here. The country is about all homesteaded, and the settlers are nearly all prosperous. Many of them have proven up on their claims and very few are leaving.

NEW SECRETARY FOR KEARNEY COMMERCIAL CLUB KEARNEY, Neb., Feb. 11.—(Special.)—At a meeting of the Commercial club of this city yesterday Willard F. Bailey was chosen as the secretary for the coming year to succeed Charles E. Gehler. Mr. Bailey had been secretary of the club prior to Mr. Gehler's installation to the office. While in that employ he tended his services to the club without pay. The action of the club in choosing a new secretary was imperative, owing to Mr. Gehler's refusal to consider a contract for any definite period of time. Plans were also perfected at the meeting to enlarge the membership of the club and to arrange the club rooms for entertainment purposes.

Harvard Man Dies Suddenly. HARVARD, Neb., Feb. 11.—(Special.)—Richard Hanlon, son of David Hanlon, aged about 28 years, was taken suddenly ill last night and though every thing possible was done for his relief, he passed away at 4 o'clock Monday afternoon from brain fever. It was thought the condition was caused by the taking of a hot and cold bath too close together. He leaves a father, two sisters and two brothers. His mother having succumbed from blood poisoning last fall.

Holstein Cows Bring Good Prices. ALBION, Neb., Feb. 11.—(Special.)—A sale of forty-two head of Holstein cows here today sold at an average of over \$100 per head, creating a great deal of interest in this section. An effort to interest the farmers of this county in a better dairy stock has been in progress for some time.

California Woman Seriously Alarmed "A short time ago I contracted a severe cold which settled on my lungs and caused me a great deal of annoyance. I would have had coughing spells and my lungs were so sore and inflamed I began to be seriously alarmed. A friend recommended Chamberlain's Cough Remedy, saying she had used it for years. I bought a bottle and it relieved my cough the first night and in a week I was rid of the cold and soreness of my lungs. writes Miss Marie Gerber, Sawtelle, Cal. Brown Will Take Case Into Court; Attacks Company

(From a Staff Correspondence.) LINCOLN, Feb. 11.—(Special.)—In revoking the license of Elmer E. Brown to sell insurance Auditor Howard has by no means settled the troubles of Brown and the National Fidelity and Casualty company, which got the Brown goat. Brown has filed a remonstrance with the auditor, upon which he says a hearing was denied him, against permitting the company to do business in the state. In his remonstrance Brown says the company misrepresents the facts of its condition to the auditor, that its assets of the company have been grossly overvalued by its officers; that the officers of the company are paying out of the funds of the company their personal expenses and accounts; that its honest liabilities are unsettled and unpaid and its contract holders, by reason of its condition, are threatened with damage and loss.

Brown was general agent for the company complained against and his license was revoked because he was charged with having induced persons whom he had written policies for in this company to take out insurance in other companies when he left the service of the National Fidelity. Auditor Howard called this "twisting," which he refuses to stand for, as he maintains it makes people dissatisfied with any kind of insurance. Brown has also sent out letters to all persons for whom he wrote insurance, giving his idea of the condition of the company. He has written a letter to the auditor saying if his license were to be renewed he would continue to try to write all the insurance he had written for the company for which he was general agent. Brown expects to go into the courts with the case.

FRAME BUSINESS BLOCK IN YORK IS BURNED

YORK, Neb., Feb. 11.—(Special Telegram.)—Early this morning fire was discovered in the old City Hall block, occupied by the Peter Heald cleaning establishment, E. C. Knight harness shop, York Transfer Association, M. E. Emerson, groceries; Lincoln Telephone company, and Belcher & Belcher, buggies, wagons and farm machinery. The building burned was built in the 70's and was all frame. The loss is estimated at \$30,000. Mr. Emerson was the heaviest loser, as he carried no insurance. All other tenants carried some insurance. The fire is supposed to be incendiary.

Blanket Pin Causes Horse to Drop Dead

WAUSA, Neb., Feb. 11.—(Special.)—John Backlund, a farmer living near Wausa, lost a horse under peculiar circumstances. Mr. Backlund was driving home from a neighbor's when the horse became uncontrollable and started at breakneck speed. The animal ran for quite a distance and then fell dead. As the horse had shown no signs of illness, Backlund had the carcass opened to discover the cause of the animal's death and the examination showed three large blanket pins lodged in the horse's stomach. One of the pins was open and had penetrated the stomach wall, no doubt causing excruciating pain and setting the animal wild.

News Notes of Letch.

LEIGH, Neb., Feb. 11.—(Special.)—The hardware store of Bayer & Schwab has been bought by William Heese, who will conduct it in connection with his furniture business. A band of sixteen pieces has been organized here. Otto Nelson is president of the new organization; Clark Hooker, secretary-treasurer, and Charles R. Kuhl has been engaged as director and instructor. The boys will have two rehearsals a week. Frank Horn, who recently forged a check on his cousin at this place, has been given an indeterminate sentence of from one to ten years by Judge Graves. He has been released on parole, but must report at each term of the district court.

Smallpox in Jefferson County. FAIRBURY, Neb., Feb. 11.—(Special.)—The home of Mr. and Mrs. John P. Thiesen, near Jansen, six miles northeast of Fairbury, has been quarantined on account of P. J. Thiesen being afflicted with smallpox. The young man is a miller in the Jansen flouring mill and contracted the epidemic from a party of Canadians, who were visiting at the Thiesen home. This family is also under quarantine in Canada, having got the disease in Nebraska. John P. Thiesen is president of the Jefferson County Farmers Institute.

Barry, Smythe and Ray Are Released

LEAVENWORTH, Kan., Feb. 11.—John O. Barry of St. Louis, G. E. Ray and Edward Smythe of Peoria, Ill., labor union men found guilty at Indianapolis of conspiracy to transport explosives illegally, were released from the federal prison here this afternoon upon receipt of an order from the United States circuit court of appeals in Chicago stating their bonds had been approved. Barry's bond was \$50,000. Smythe's bond was \$20,000 and Ray's \$10,000.

Hitchcock Again Recommends Postal Telegraph Lines

WASHINGTON, Feb. 11.—Government ownership or control of telegraph lines is again recommended by Postmaster General Hitchcock in his complete annual report transmitted today to congress. Mr. Hitchcock says: "In the last annual report the opinion was expressed that telegraph lines in the United States should be made a part of the postal system and operated in conjunction with the mail service. It is believed that with proper management such a consolidation would result in important economies and permit adoption of lower telegraph rates. Now that a postal savings system has been established and a parcel post service provided for there would seem to be no better opportunity for the profitable extension of our postal business than through the adoption of a government telegraph system."

Mr. Hitchcock also recommends that the use of the franking privilege be restricted to official correspondence not exceeding four ounces in weight, and to the mailing of such speeches and documents as are printed by order of congress.

HOUSE COMMITTEE VOTES FOR TWO NEW BATTLESHIPS

WASHINGTON, Feb. 11.—Two battleships in this year's naval appropriation were determined upon today by the house naval affairs committee by a vote of 7 to 2. Six destroyers, four submarines, one supply ship and one transport will also be provided.

Notes from Yankton. YANKTON, Feb. 11.—(Special.)—Two boys, 3 years old, sons of Carl Geim, are in the hospital here, in critical condition, the result of burns received when they set the family barn on fire by means of gasoline.

Endorsing Governor Byrne in his stand and proposed bill for regulating the number of saloons in this state, the seventh annual convention of the Young Men's Christian association adjourned here, after a two days' session. The various state educational institutions represented resolved to send communications to both branches of the legislature asking that the proposed bill be made law.

Mrs. H. C. Heifer of Cedar Falls, Ia., a new arrival in Yankton, is dead here, leaving a husband and six children.

Let the architect show you

"Oh! if we could only build it over!"—is the lament of many people who write us they have newly built their cottage and found, almost before the plaster is dry, the shortcomings of old-fashioned heating. Had these people not tried the false economy of "getting along" on borrowed plans or on their own plans, but had instead asked a competent architect to counsel them, the cold cottage would now be a cozy home outfitted with

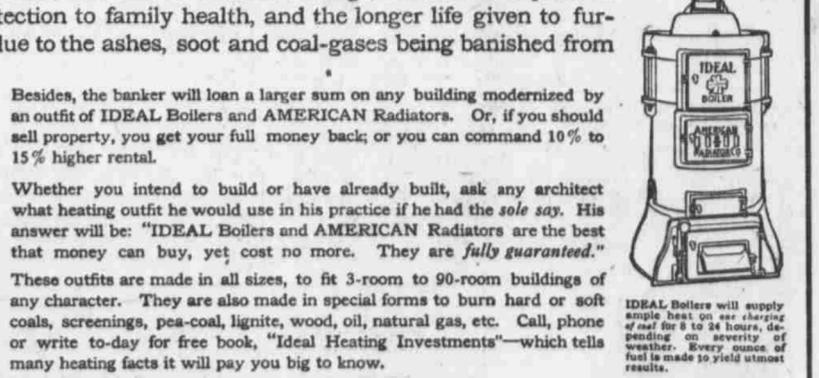

AMERICAN & IDEAL RADIATORS & BOILERS

Radiators. And then, too, consider the savings which would annually be made as long as the cottage shall stand, because of the fuel savings, absence of repairs or any wearing out, the protection to family health, and the longer life given to furnishings and decorations due to the ashes, soot and coal-gases being banished from the living rooms.

Besides, the banker will loan a larger sum on any building modernized by an outfit of IDEAL Boilers and AMERICAN Radiators. Or, if you should sell property, you get your full money back; or you can command 10% to 15% higher rental. Whether you intend to build or have already built, ask any architect what heating outfit he would use in his practice if he had the sole say. His answer will be: "IDEAL Boilers and AMERICAN Radiators are the best that money can buy, yet cost no more. They are fully guaranteed." These outfits are made in all sizes, to fit 3-room to 90-room buildings of any character. They are also made in special forms to burn hard or soft coals, screenings, pey-coal, lignite, wood, oil, natural gas, etc. Call, phone or write to-day for free book, "Ideal Heating Investments"—which tells many heating facts it will pay you big to know.

A No. 412 IDEAL Boiler and 480 sq. ft. of 35-lb. AMERICAN Radiators, costing the owner \$210, were used to heat this cottage. At this price the goods can be bought of any reputable, competent FIRM. This did not include costs of labor, pipe, valves, freight, etc., which are extra and vary according to climatic and other conditions.

IDEAL Boilers will supply ample heat on one charging of fuel for 24 hours, depending on severity of weather. Every ounce of fuel is made to yield utmost results.

We have also brought out the first genuinely practical, automatic, durable Vacuum Cleaner. ALL the dirt and trash are drawn from the rooms through small iron suction pipe leading to big, sealed dust-bucket in cellar. A back hose in suction pipe opening in basement of any central room.
