We Build Houses Of The Dependable Kind

If you are figuring on building a house this spring, we want you to consult us. We have the facilities for taking care of your requirements in the very best man-ner. Should you be undecided as to just the style of house you want, we will be glad to have our architect assist you; should you not have sufficient money to should you not have sufficient money to finance your proposed dwelling, we may be of assistance to you there. On March 1. we will put Mr. Julian Swanson in ac-tive charge of our construction work. I. we will put Mr. Julian Swanson work, tive charge of our construction work. Mr. Swanson has had a good many years' experience in the house building, and he will have careful supervision over our houses to see that every part of every house comes up to the high standard of efficiency which we require. Do we do this solely because we like to spend money? Not at all, but because our aim is to satisfy our customers to the very is to satisfy our customers to the very best of our ability. The spring busy season for building will soon be here, and right now is the time to get ready for that new home.
