10.631 CATTLE-Cattle receipts were quite moderate this morning, the run being moderate this morning, the run being considerably smaller than last week and two weeks ago, but considerably larger

two weeks ago, but considerably larger than a year ago.

With offerings limited and with buying demand very good, the market for heef steers opened early in the morning and was active, everything being sold in very good season. The prices paid were strong to 10c higher, mostly 10c higher, As high as \$3.40 was paid for steers, which is the highest price paid for cattle on this market since December, when \$10.00 was the top.

Cows and heifers were also active sellers at prices that were anywhere from ers at prices that were anywhere from strong to 10c higher than last week's close. Buyers evidently had liberal or-

close. Buyers evidently had liberal orders and they went after the stuff as
if they wanted it all.
Stock cattle and freeders were free
sellers at prices that were strong to a
little higher even than last week. The
supply was soon exhausted, everything
going in good season.

Orders were issued today to the Third
cavalry, located at Fort Sam Houston and
Fort Wingste, to entrain immediately for
Galveston.

discrimination against the stuff today and most anything of fair

to good quality found a ready outlet.

Today's supply amounted to about \$5 cars or 4,800 head, the highest for a Monday since the first week of Nevember, when only 2,000 head we've reported. This morning's run was some 1,500 head short of a seek ago, 2,300 less than 1500 smaller than the corresponding day last year.

16,675 SHEEP-The proportion of yearing and aged sheep in the total supply we not very large. There being a fair d for the mand for sheep offerings sellers had in comprisint to make at any time, and mose everything changed hands readily a steady to strong prices. Some fell west ern ewes were good enough to bring by The trade remained fairly active through

Season. Lambs were also in very fair request, but as a comparatively liberal supply was at the disposal of the buyers values remained generally steady with the close of last week. Trade was no better than fairly active at any time, and a competiclearance did not take place until a late hour in the forenoon. As high as \$8.50 was paid for fed western lambs, and some shorn lambs brought \$7.50. Among today's lamb receipts were about a dozen loads from Montana and Idaho, the bulk of which sold to feeder buyers. Most of the gang feeder lambs of good quality soil the men who would spend public money to further their own political and selfish interests. Because the citizens and tax payers have declared in favor of such members of the administration, the gang feeder to the surface to these men to have an election this spring, although the law calls for it.

No one is taking any stock in the feeder lambs of good quality soil the feeder that there will be an of the gang feed that there will be an of the gang feed that there will be an of the gang feed that there will be an of the gang feed that there will be an of the gang feed that there will be an of the gang feed that there will be an of the gang feed that there will be an of the gang feed that there will be an of the gang feed that there will be an of the gang feed that there will be an of the gang feed that there will be an of the gang feed that there will be an of the gang feed that there will be an of the gang feed that there will be an of the gang feed that there will be an of the gang feed that there will be an of the gang feed that there will be an of the gang feed the control of the gang feed the their own political and selfish interests. Because the citizens and tax payers have declared in favor of such payers have declared in favor of of which sold to feeder buyers. Most of the gang feel that there will be an the feeder lambs of good quality sold largely around \$7.90, being practically steady with last Friday and Saturday. The total receipts were liberal this morning, as about sixty-one cars, or 15.00 head, were reported in Last Monday's aupply was 11.59 head and the corresponding Monday's one year ago some 19.510 head showed up. The quality of the offerings in general was not quite so good as a week ago, there being compara.

the offerings in general was not quite so good as a week ago, there being comparatively few really good lambs offered.

mittee in opposition to the Howell bill for the extension of the authority of the Water board. Mayor Hoctor and others. will also go to Lincoln. So as to be on the right side in case the term extension should be killed at

the legislature, the gang and its would-be mouthplece is trying to shove the binne on the republicans, whose names they have been using as an argument in favor of the present administration. It is generally admitted that the republicans, as a rule, stood between the citizens and the men who would spend public money

dock can be controlled simply because he has acted as Hoctor's personal attorney at different times. A month ago Murdock made a public speech in which he called a spade a spade and the gang was quite careful not to use his name at the time.

Right down at the bottom the present administration, except for a few officials whose records have won applause from the voters, feels that it must depend upon alliances with everything that is bad in South Omaha in order to get back in the saddle. Mistake after mistake has been made in the hope people would forget. Public discussion on the streets, however, does not indicate that it has forgotten. The first thing Hoctor did was to take out the electric lights on the plea that there was not enough money to maintain them. During the same time there was enough money to maintain as large an asginsering force as was maintained when the city had all the public improvements under way, The Polish people of the city have not forgotten, it is said, the fight they had to put up in order to save their magniffcent church and school buildings from the encroaching limits of industries that would have rendered their institu-

tions worthless. The people in the west and southwest sections of the city claim they have no water protection whatsoever against fire. Ready for Troops The fathers and mothers residing in the southeast and southwest sections of the city asked Councilman Hartnett and Vana to have an ordinance passed against. the slot machines. City Attorney Henry C. Murphy and the councilmen worked slot machines. Hoctor would not sign it and the machines are more numerous

than ever. An order to close all the bootlegging joints was given out, but they ran Saturday night and Sunday pretty much as usual. Hoctor and Gillin it is understood feel that they can land anything, because they have lined up with the stock yards WITH TUBERCULOSIS BUGS in the water fight. As a matter of fact, some of the legislators say the stock lebbyist were not quite so noisome, poli-

tically speaking. Mixing the War Paint. With the departure of the troops from Fort Crock for the south, comes the rumor that the militant citizens of South tion of conditions reveals whether or not such an organization will be formed. If

It was recalled in the discussion yesterday that South Omaha organized a company of rough riders during the Spanish-American war. Bruce McCuiloch, editer of the Journal-Stockman, was captain of the treop. The war was ended before the company got to the front. It was argued yesterday that a splendid troop of rough riders could be recruited in South Omaha.

Pipe Keeps on Burning. Rather than release his hold upon Peter Anderson, helplessly intoxicated, Saturday night, John Jackman, patrol conductor, allowed his lighted pipe to burn through his hip pocket to his body. the city hall Saturday night. He was helplessly drunk and in danger of being and Potach turned Anderson over to surrounding it. "I felt the burn." said Jackman afterward, "but I had to hold onto the prisoner in order to keep him from falling." Jackman may ask the city for a new uniform and his friends may ask Carnegie to send him a hero
