sometimes start from mental strain or indigestion, but more often from general weakness, and lead to appalling conditions unless checked.

Treat the cause, not the effect.

SCOTT'S EMULSION overcomes nervousness in a wonderful, permanent way by making life-sustaining blood corpuscles; it nourishes the nerve centres and acts as a bracing tonic to build you up.

Scott's Emulsion does not stupefy—it feeds them in Nature's way.

## WOMAN ROBBED IN DAYLIGHT

Miss Lydia Hall is Knocked Down on Way to Grocery.

### HER PURSE TAKEN FROM HER

When She Refuses to Give Up Her Money Negro Feels Her to the Sidewalk with a Heavy Weapon.

While Miss Lydia Hall of 2815 Decatur street was on her way to the grocery store yesterday at 10 o'clock she was accosted by a negro a few blocks from her home, who knocked her unconscious with a blunt weapon and robbed her of \$5 which she had in her pocketbook.

The robbery was perpetrated within a few feet of the grocery store and in the presence of several stores and residences. In spite of this the thief escaped safely without being seen by anyone but Miss Hall.

When Miss Hall was a short distance from the grocery store the negro, who was walking a few steps behind her, turned up and demanded her to give him her pocketbook. She refused and he threatened to strike her with a heavy bar. Frightened, she started to run and he struck her on the head, knocking her to the sidewalk. He then took her pocketbook and fled.

Miss Hall laid on the walk unconscious for some time and when she reached the grocery store time enough had elapsed for the thief to make good his escape. She was taken to police headquarters and her wounds dressed. She sustained a bad scalp wound and various cuts and bruises on the face. A good description of the negro was furnished the police.

## What'll Stop Sour Stomach?

They Act Quick and Relief Is Almost Immediate.

There are some things so exactly right that to mention them brings calm and repose. And to use Stuart's Dyspepsia Tablets gives the stomach just that kind of lift that makes you cheer up one hundred per cent to the good. Particularly is this true with those who suffer with sour stomach. You feel so mean that you actually hate yourself. And yet in a few minutes these Tablets sweeten the stomach, arrest unnatural fermentation, start a powerful digestive action and prevent the formation of gas.

They are composed of only such ingredients as are approved by the very best of physicians. Real, live, progressive people want to be around where the activities of life embrace whatever circumstances dictate. If a house party serves a Welsh rarebit go to it. It isn't the easiest thing in the world to digest, 'tis true, but what of it? Stuart's Dyspepsia Tablets will take care of you, keep your stomach in control and your dreams won't see an army of hobgoblins playing havoc with your nerves. Many physicians regularly prescribe Stuart's Dyspepsia Tablets for the stomach disorders of patients who are ill with some constitutional malady. They do so for the reason that these tablets are not a patent medicine and their composition is known and recognized as the most approved and most powerful of all digestants.

Stuart's Dyspepsia Tablets are sold and recommended by all druggists at 50c a box.

In these days of bustling activity the Baker Ice Machine company, Omaha, asserts it is always well abreast of the times, and this assertion is confirmed by the rapid progress of events at they transpired in connection with one of their recent shipments.

## UNHAMPERED IN FAVORITISM

Brother of Senator Cummins of Iowa Said to Be Beneficiary.

## EXERCISED TOO MUCH INFLUENCE

Charged that Stamp Cancellation Machine for Use in Postoffice Figured in Agreements Entered Into.

WASHINGTON, Feb. 25.—Charges of favoritism of the Postoffice department toward B. F. Cummins, a contractor, a brother of Senator Cummins of Iowa, in that First Assistant Postmaster General C. E. Grandfield entered into an "outrageous" arrangement with Cummins and the department's cancelling machine committee was guilty of gross neglect, were made in the house today by the committee on expenditures in the Postoffice department.

The committee majority reported that B. F. Cummins exerted an influence on both Grandfield and K. T. Bushnell, chief clerk to Grandfield, which was "highly prejudicial to the government interests" that Grandfield and Bushnell "deliberately and systematically favored the Time-Making Machine company and the B. F. Cummins company, represented by Cummins; that these officials also took over the jurisdiction of assignments of cancelling machines in 1910 so as to be unhampered in their favoritism," and that there was an understanding between Cummins and the department officials in the advertisements for four-year contracts for the cancelling machines; that if his lump sum bid was the lowest he would receive an exclusive contract.

The report also charged that the cancelling machine committee, comprising Bushnell, chairman; George L. Wood, superintendent of rural mail; N. A. Merritt, postmaster of Washington, and L. L. Andrus was dominated by Dr. Grandfield so as to render their findings partial.

## GIRL ACCEPTS RING AND RUNS

Promises to Become Wife of Fremont Man and Then Leaves.

## POLICE AIDING IN THE SEARCH

Arthur Pops the Question, is Accepted, Gives Beautiful Diamond and is Left Holding the Sack.

Arthur Miller, a fireman on the Northwestern railroad, is mourning the loss of a \$100 diamond ring and his sweetheart, and has asked the assistance of the police in locating the missing "gem." Miller, whose home is in Fremont, has been paying attention to Louise Johnson, a domestic in the home of W. H. Whitmore in South Omaha, for some months. Monday night Arthur decided to pop the question, which would make the future bright and cheery or dark and dismal. With the money he had been saving since he first met Miss Johnson he purchased a shining diamond ring to present to his "lady love."

Dressed in his "Sunday-to-meeting clothes" Arthur called on Miss Johnson at the Whitmore home. After exhaustive discourse on the weather and a few other subjects Arthur plucked up courage enough to ask Louise to become his wife. When he presented the ring she readily agreed to the compact.

"Now, Artie, you wait here a few minutes while I go out and show it to Mrs. Whitmore," she instructed the joyous lover, she hastily donned her coat and hat and left the house via the rear entrance with another suitor.

After nervously waiting an hour for Louise to return Arthur became suspicious and asked for his "wife-to-be."

"Oh, she left sometime ago with another man," Mr. Whitmore told Arthur. Arthur left too, immediately, and wended his way to the police station with a sad heart and told his troubles to a sympathetic police officer, who promised to try and locate the "gem."

"At last it seems that a genuine remedy for hair and scalp troubles has been found," writes Mae Murray in the Boston Ledger. "The problem of lifeless, unattractive hair and dandruff, discommodating scalp appears to be solved. I find that these conditions disappear almost as if by magic by shampooing the hair with plain canthrox."

"To prepare the shampoo, simply dissolve a teaspoonful of canthrox in a cup of hot water. It makes an abundant lather and cleanses perfectly and rinses easily. The beauty of this shampoo is that it dries very quickly and seems to invigorate and put new life into the hair and scalp. It makes the hair glossy, fluffy and easy to do up. The cost of canthrox is but little and it has the inexpressible approval of every woman who uses it."—Advertisement.
