ANOTHER 'CURE' BY HORNBY

'Saves' a Woman's Life, but Did Not Make an Examination.

BASIS FOR THE TESTIMONIAL

Careful Investigation Shows the 'Doctor' Could Not Know if the Victim Had Cancer or Any Other Ailment.

Procuring fake testimonials which juggle the facts and give false impressions to the gullible is another of the arts of which "Doctor" William Hornby, 610 North Twentieth street, quack cancer specialist, is master.

Not only can the "doctor" get away with practicing medicine without a license in plain and open violation of the law of the state and taking \$50 from a patient without even pretending to treat him, but he can suborn the writing of a testimonial that is false and misleading both in fact and in suggestion.

Additional evidence of the "doctors" peculiar ability along this line was obtained by an investigator yesterday, when he visited Mrs. W. D. Hansen of South Omaha, author of a testimonial which probably has earned many a dollar for the crafty "doctor."

In the advertisement the "doctor" recently has purchased in such Omaha newspapers as would sell their space to him he refers the public to Mrs. W. D. Hansen, Twenty-fourth and J streets, South Omaha, whom he says he cured of uterine cancer. In his pamphlet he publishes a testimonial purporting to have come from Mrs. W. D. Hansen, 24 North Twenty-fourth street, South Omaha. The title of the testimonial is "My Life Was Saved" giving in much detail the serious nature of the case.

Mrs. Hansen's Story. The investigator experienced some little difficulty in finding Mrs. Hansen, since she moved nearly a year ago from the address given by the "doctor." She was found, however, and from her and Dr. De Lanney the truth was learned.

Mrs. Hansen said she wrote the testimonial herself, though "Doctor" Hornby was present at the writing and helped her set the "facts" set down correctly. She told the story of her trouble and her apparent return to health. When the investigator noted deviations from the testimonial she was at loss to explain them. Here is what Mrs. Hansen told the investigator:

"I was troubled with some sort of enlargement, which she believed was a 'growth of some kind.' She does not know whether it was a cancer, a tumor, or some other kind of growth or simply an enlargement. 'Doctor' Hornby said it would 'turn into a cancer' unless removed, though 'Doctor' Hornby never made an examination.

"All doctors" did not say her trouble was cancer or tumor. Dr. E. L. De Lanney said it was a growth of some sort or an enlargement and advised operation. He said she had anemia. Dr. Schindler examined some of her blood and said she

FROM THE PINE WOODS

HYOMEL'S Aromatic Air is Guaranteed to Relieve Catarrh or Cough Nothing.

HYOMEL is nature's true remedy for catarrh. There is no stomach dosing in using HYOMEL, no more than there is when you go to the mountains or the seashore to get relief from lung troubles.

When using the HYOMEL treatment, the air you breathe is like that on the mountains high above sea level where the pine woods fill the air with aromatic healing that gives health and strength to those suffering from diseases of the respiratory organs. Breathing through the neat pocket inhaler that comes with every outfit, the healing balsams of HYOMEL reach the most remote air cells of the throat, nose and lungs, destroying all catarrhal germs and giving quick relief.

HYOMEL (pronounced high-o-me) has performed almost miraculous cures of catarrh, often restoring health in chronic cases that had given up all hope of recovery. Its best action is at the start of the disease when the breath is becoming offensive, and when discharges from the nose, droppings in the throat and frequent sneezing, sniffing or spasmodic coughing begin to make life a burden.

At the first symptoms of catarrhal troubles, such as sniffing and hacking, use HYOMEL and see how quickly you get relief.

The complete outfit costs but \$1.00 extra bottles, if later needed 50 cents, and is sold under guarantee to refund the money if it does not give satisfaction. Drugists everywhere. Booth's Hyomel Co., Buffalo, N. Y.

Nebraska

DODGE BILL GOES THROUGH

Senate Passes Measure for Douglas Election Commissioner. VOTE IS EIGHTEEN TO NINE. Emergency Clause Stricken Out, and in Form Passed Three County Officers Will Appoint New Officials.

(From a Staff Correspondent.) LINCOLN, Feb. 27.—(Special.)—The senate this afternoon passed the Dodge bill providing for an election commissioner for Douglas county to be appointed by the county clerk, county treasurer and clerk of the district court.

The bill failed with the emergency clause only receiving eighteen votes for it, but passed without the emergency by the same vote, eighteen being for the bill and nine against it. The vote stood:

For—Bartlett, Cordell, Cox, Dodge, Hartman, Healy, Highland of Lancaster, Hoagland of Lincoln, Hummel, Kemp, Riechel, Macfarland, Marshall, Reynolds, Saunders, Shumway, Talcott and Wolf.

Against—Brookley, Grace, Grossman, Klein, Krumback, Oles, Robertson, Smith and West.

Other Bills Passed. The following bills were passed by the senate at the afternoon session:

S. F. 134, by Henry of Jefferson—Provides for examination of all males before contracting marriage.

S. F. 167, by Dodge of Douglas—Relates to reports of corporations.

S. F. 218, by Marshall of Lancaster—Provides that newly organized banks shall make up sufficient funds to get full credit in guarantee fund.

S. F. 219, by Marshall of Lancaster—Provides that state banks, which liquidate or nationalize, may withdraw 10 per cent of guarantee fund after one year.

S. F. 222, by Marshall of Lancaster—Provides that loans and investments may amount to ten times amount of capital and surplus. Present law is 5 per cent.

S. F. 285, by Marshall of Lancaster—Relieves banks that are depositories for other state banks from reserve provisions of state bank law.

S. F. 293, by Cordell of Red Willow—Provides for securing consent on material used in public buildings.

S. F. 126, by Dodge of Douglas—Provides for elective commissioner for Douglas county.

S. F. 292, by Smith of Seward—Constitutional amendment, providing for adjustment of amendments in two papers in county for thirty days.

Jail Delivery at Kearney Frustrated. KEARNEY, Neb., Feb. 27.—(Special.)—Deputy Sheriff John Borders played the hero role this afternoon when four prisoners who were confined in jail made a bold attempt to escape.

The party of jail breakers was composed of Albert Martin, William Pavey, Jake Voland and Emil Bartlett. Martin and Pavey have been sentenced to the state penitentiary with sentences of one to twenty and one to seven years and were to be taken to Lincoln on Thursday morning.

Later he went to Hornby's office in Omaha and the "doctor" gave him medicine of two kinds for use. After six months' use of the medicine Mrs. Hansen believed herself cured. Since then she has consulted no physician. She says "Doctor" Hornby saved her life.

What a Real Doctor Says. Dr. De Lanney had this to say: "Mrs. Hansen never had a cancer; she may have had some sort of fibroid growth, but I am not at all sure of that. There was an enlargement there and that resulted in excessive loss of blood, producing an anemic condition. I advised operation as the safest and surest remedy. As for the water pitcher story, I told her nothing of the kind. That is absurd. No doctor in his right mind would have told her anything of the kind. Such a statement is of the kind that sometimes cure themselves. I would not say that this Hornby's treatment did not cure her; but I will say that it never cured her of cancer because she never had a cancer."

So here we have "Doctor" Hornby proclaiming that he has cured a woman whom all doctors said was suffering with one of the most malignant of afflictions. The "doctor" cannot know this is true. In the first place, he did not examine the woman; in the second, if he had done so he could not have diagnosed her ailment with any degree of certainty because he lacks the qualifications of a physician. Neither the woman nor any doctor will say she was troubled with even tumor, or anything of the kind.

But what holds all this to "Doctor" Hornby? The testimonial helps the "doctor" get the money, and what else are testimonials for?

DEMOCRATS FIND THE INITIATIVE CUMBERSOME

(From a Staff Correspondent.) LINCOLN, Feb. 27.—(Special.)—The initiative and referendum is cumbersome, and it is better for the legislature to submit proposed constitutional amendments than it is to amend the constitution through the initiative.

This is what the leading democrats of the house believe. Bolen of Knox made the above statement, and a similar statement was made by Norton of Polk.

Two years ago the initiative and referendum was the panacea for all the ills of the state, but times have changed. Norton went on to say that it would require a petition signed by about 40,000 voters to amend the constitution, and therefore, this great democratic measure and cure-all will not work. All which came out in the discussion of women suffrage in the house.

UNION PACIFIC TRAIN DERAILED NEAR MADISON

MADISON, Neb., Feb. 27.—(Special.)—The north-bound Union Pacific passenger was wrecked last evening a mile and a half north of Madison, all the cars leaving the track except the baggage car and engine and were dragged a considerable distance, but remained upright. No one sustained injuries save a few scratches and a general shaking up. A broken rail caused the accident. The passengers were transferred to the baggage car and the engine and baggage car proceeded to Norfolk. The wrecking crew arrived during the night and cleared the track early this morning.

FIREMAN IN CHARGE OF LOCOMOTIVE IN WRECK

KEARNEY, Neb., Feb. 27.—(Special.)—An official investigation was made by officials of the road into the wreck of the noon train. It was learned that the fireman was in charge of the engine instead of the engineer, who was at dinner, when it crashed into the motor car. Conductor Mitchell, a former Omaha man, was not hurt as previously reported, but having jumped from the car before the crash. Several of the injured passengers are still in the city, but settlement has been made with the majority for their damages.

VETERAN ODD FELLOWS ELECT THEIR OFFICERS

A banquet marked the closing season of the Veteran Odd Fellows association, at which there were talks relative to lodge work in Nebraska during the territory days and the pioneer years that followed. Officers were elected as follows:

President, J. Q. Goss, Bellevue. Vice president, O. S. Wood, Omaha. Secretary and treasurer, U. B. Balcombe, Omaha.

FRIMONT, Neb., Feb. 27.—(Special.)—The weight and measure ordinance which the laboring men have been agitating for some months came up for a second reading in the city council last evening. The rumored opposition of the retail dealers' association failed to materialize and only one councilman opposed it.

A committee from the retailers objected to the section requiring them to write the amount of each commodity on the

JUDGES OF STATE ORATORICAL CONTEST

YORK, Neb., Feb. 27.—(Special.)—The judges of the Nebraska oratorical contest have just returned their marking sheets. Bellevue first, Creighton second, Cotter third, Doane fourth, Grand Island fifth, Wesleyan sixth, Hastings seventh and York eighth.

ALUMNI SEND TELEGRAMS

Messages to Douglas Members Refer to Campus Removal. ASK FOR GOOD OF THE SCHOOL. Plead for Far-Sighted Policy that Will Put Institution on Basis of Progress, as Opposed to Stagnation.

Omaha alumni of the University of Nebraska drove their last wedge in their fight to have the university campus removed to the state farm, when, Wednesday, they sent night telegrams to the members of the Douglas county delegation in the house.

In their messages they urged the Douglas county representatives to vote for removal when the bill comes up in the house today. In their communications they said that they had no other interest save that of securing a brilliant and substantial future for their alma mater and that they did not wish in any way to injure the prosperity of Lincoln; but that on the contrary, they wished to see Lincoln grow. The way for Lincoln to go ahead, as well as for the university to become a real great institution, they explained, would be to unite the school of agriculture and the State university on the spacious and ample site of the state farm.

The alumni tried to make it plain to the Douglas county house members that the local former students of the big school sought nothing but the good of the school which gave them their higher learning. And they made it very clear in saying

When That Bald Spot is Growing

It indicates the presence of a parasite that is destroying your hair. Incorporate shampooing. It permits these parasites to thrive. When the scalp is clean and supple when it is in condition to encourage healthy growth, then the hair will be rich, thick and glossy.

BISHOP BEECHER MAY GO TO FRONT AS CHAPLAIN

KEARNEY, Neb., Feb. 27.—(Special.)—In compliance with an order received last evening by Captain Kanzer of Company A, Nebraska National Guard, from the militia headquarters at Lincoln, the local company is now in readiness to depart for the front within five hours' notice if they should be called. It is the assumption of the local officers that the threatened possible intervention with Mexico is the cause of the movement. Fifty-eight men are required in the company and although but thirty-two now belong a number of young men from Gibbon have declared their intention to enlist. No trouble is looked for in procuring the required number of recruits. Bishop Beecher, chaplain of the Second regiment; Dr. C. K. Gibbons, the surgeon, and Walter Sammons, lieutenant colonel, will be called to go with the men if the call is issued.

Two Weddings at Plattsmouth. PLATTSMOUTH, Neb., Feb. 27.—(Special.)—A quiet wedding occurred at the office of County Judge Beeson Wednesday morning when William Wetenkamp and Miss Emily F. Warner were joined in marriage by the judge. The contracting parties are prominent Cass county residents, the bride being the daughter of Charles Warner of near this city, and the groom is the son of Mrs. William Wetenkamp of near Maynard. Mr. and Mrs. Wetenkamp will reside on a farm near Plattsmouth.

Carl O. Carlberg of this city and Miss Lucile Green of Farragut, Ia., procured a marriage license at the judge's office yesterday and were married by Rev. W. L. Austin, pastor of the Methodist church. Mr. and Mrs. Carlberg will make their home in Plattsmouth. Mr. Carlberg has a good position with the Burlington road here.

FRIMONT, Neb., Feb. 27.—(Special.)—The weight and measure ordinance which the laboring men have been agitating for some months came up for a second reading in the city council last evening. The rumored opposition of the retail dealers' association failed to materialize and only one councilman opposed it.

A committee from the retailers objected to the section requiring them to write the amount of each commodity on the

ALUMNI SEND TELEGRAMS

Messages to Douglas Members Refer to Campus Removal. ASK FOR GOOD OF THE SCHOOL. Plead for Far-Sighted Policy that Will Put Institution on Basis of Progress, as Opposed to Stagnation.

Omaha alumni of the University of Nebraska drove their last wedge in their fight to have the university campus removed to the state farm, when, Wednesday, they sent night telegrams to the members of the Douglas county delegation in the house.

In their messages they urged the Douglas county representatives to vote for removal when the bill comes up in the house today. In their communications they said that they had no other interest save that of securing a brilliant and substantial future for their alma mater and that they did not wish in any way to injure the prosperity of Lincoln; but that on the contrary, they wished to see Lincoln grow. The way for Lincoln to go ahead, as well as for the university to become a real great institution, they explained, would be to unite the school of agriculture and the State university on the spacious and ample site of the state farm.

The alumni tried to make it plain to the Douglas county house members that the local former students of the big school sought nothing but the good of the school which gave them their higher learning. And they made it very clear in saying

LOOK YEARS YOUNGER! GRAY, FADED HAIR DARKENS BEAUTIFULLY WITH SAGE TEA.

Says Sage and Sulphur Will Stop Falling Hair and Cure Dandruff.

Common garden sage brewed into a heavy tea and sulphur and alcohol added, then left to age and carefully filtered, will turn gray, streaked and faded hair beautifully dark and luxuriant; remove every bit of dandruff, stop scalp itching and falling hair.

Just a few applications will prove a revelation if your hair is fading, gray or dry, scraggly and thin. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use tonic, costing about 50 cents a large bottle at drug stores, known as "Wyeth's Sage and Sulphur Hair Remedy," thus avoiding a lot

of fuss. Some druggists make their own, but it isn't nearly so nice as "Wyeth's."

While wispy, gray, faded hair is not stylish, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur no one can tell, because it does it so naturally; so evenly. You just dampen a sponge or soft brush and draw it through your hair, taking one small strand at a time. Do this tonight and by morning all gray hairs have disappeared, after another application or two it will be restored to its natural color and be even more glossy, soft and luxuriant than ever.

Local druggists say they are selling lots of "Wyeth's Sage and Sulphur" and it surely helps folks appear years younger.

Sherman & McConnell Drug Co., 362 So. 16th; 324 So. 16th; 307 N. 16th; 34th and Farnam Sts.—Advertisement.

CLOGGED NOSTRILS OPEN AT ONCE, HEAD COLDS AND CATARRH VANISH

In One Minute Your Stuffy Nose and Head Clears, Sneezing and Nose Running Cease, Dull Headache Goes.

Try "Ely's Cream Balm." Get a small bottle anyway, just to try it—Apply a little in the nostrils and instantly your clogged nose and stopped-up air passages of the head will open; you will breathe freely; dizziness and headache disappear. By morning the catarrh, cold-in-head or catarrhal sore throat will be gone.

Put your faith—just once—in "Ely's Cream Balm" and your cold or catarrh will surely disappear.—Advertisement.

drug store. This sweet, fragrant balm dissolves by the heat of the nostrils penetrates and heals the inflamed, swollen membrane which lines the nose, head and throat; clears the air passages; stops nasty discharges and a feeling of cleansing, soothing relief comes immediately.

Don't lay awake tonight struggling for breath, with head stuffed; nostrils closed, hawking and blowing. Catarrh or a cold, with its running nose, foul mucus dropping into the throat, and raw dryness is distressing but truly needless.

Put your faith—just once—in "Ely's Cream Balm" and your cold or catarrh will surely disappear.—Advertisement.
