to Throw Raffles at Krug Tonight

LeMarin, the man who recently threw Zbyszko, will appear at the Krug theater this evening in a match with the Mysterious Raffles. LeMarin is now considered one of the best mat artists in the country, and he shortly will meet Frank Gotch, champion of the world. His performance against Zbyszko is said to have been a revelation to many, for it was not believed that any other man outside of Gotch had the strength and agility at the game that was shown by LeMarin. In the engagement at the Krug this evening LeMarin will show just how clever a mat man he is, and undoubtedly will give Omahans a chance to see why he is regarded as a good opponent for Gotch did collective exhibit occupying 800 or LeMarin is coming from Chicago for this meet.
