Address me to Postoffice Box No. 655. Omaha, Neb. tions below the water line, and the areaway of the structures was made suficiently large to meet any flood exigency that bridges constructed now would be n unimpaired condition a century hence Supervisor Harding gave a very inteligent presentation of the subject of eeping the public highways clear of nderbrush and weeds. He struck a more interesting chord, however, when he urged the necessity for uniformity of work in all parts of the county, declaring that every bit of grading and all other kinds of road work should be done in accordance with general plans prepared by the county engineer, so that when a road supervisor was directed to

do a certain bit of grading the first thing he would be required to do would be to come to the court house and secure the plans and specifications for that work prepared by the engineer. "And then if he doesn't do the work in plans, don't pay him." said Mr. Harding. These suggestions met the full approval of all present who expressed themselves and uniformity

of work in accordance with general

plans seemed to be the conviction of all as the prime necessity. The county engineer was present and said his whole time and services were now at the disposal of the board, and that plans with blue prints, showing all of the work to be done in each district. would be available. It appeared really to mean the establishment of road grades throughout the county. There were many other interesting talks and each road supervisor seemed to be able to go home with definite ideas of the work he was to do this year instead of doing it Pottawattamie County Abstract comin the crude way that has followed since pany: prehistoric times.

Judge O. D. Wheeler enjoyed yesterday
the unexpected novelty of being made
party defendant in a suit in the district
court, where he is one of the district
raber to quiet title to property in Ferry
addition in this city, which the defendant
has discovered that Judge Wheeler has
some apparent claim upon intrough resi
estate transactions made many years ago
before Judge Wheeler went on the bench
The first steps to be taken by Freemen

The first steps to be taken by Freeman . Reed to wind up the affairs of the owa Security company will be the excu-ion of an order issued by Judge Thornet tion of an order issued by Judge Thornet; yesterday directing him to sell the furniture and fixtures in the office of the concern and authorizing him to name appraisers to fix their value. He has solected Ovid Vien, F. M. Williams and L. T. Alberti as such appraisers. There are said to be a number of new suits in process of preparation against the company and which will most likely be find on or before Saturday, which is the last day for filing petitious in suits to be tried at the March term of the court.

Dr. Hamilton stoke on "The Beauty of

day for filing petitions in suits to be tried at the March term of the court.

Dr. Hamilton spoke on "The Beauty of the Christian Lafe" Wednesday evening to a large congregation attending the union services conducted by the First Presbyterian and the First Presbyterian churches at the First Presbyterian church. Mrs. James McCargar sang a solo, accompanied by Mrs. N. H. Suibert. Dr. Hamilton speaks Thursday and Friday evenings. The text was taken from John 1:dl. "We have found the Messiah." He said: "Let us seek for the new Christ and hold Him up to men, making it clear just what He puts into life, so that it may be realized just what we nave in Him. He is the one perfect man without the limitations of other men. This makes clear His ability to be of servicto the average man and His power in meeting the everyday needs of life. His beauty and completeness for His wook, His incomparable nature do not work to make Him aloof from man. In man's need all these characteristics serve to draw man to Him and, coming, man's soul is stirred to larger, nobier things."

Watches given away free at Lefferts' cuction sale.
