REAL ESTATE CITY PROPERTY FOR SALE

A. P. Tukey & Son Homes for the Springtime

From the indications of last week spring is most certainly here, and people's minds are turning to their new homes. We certainly closed up a bunch of them last week. We have several houses in the West Farnam district which can be bought right.

117 South 37th St., the Blush house, has been placed in our hands to sell, as Mr. Blush has been transferred to Kansas City. He does not care to rent his house, hence has placed it on the market. This is a 5-room, all modern house, only about six years old, and is in very good condition. Oak finish downstairs, and has a good lot. The street is paved and paid for and everything is there to make a model home. We can make very reasonable terms on this place if you do not care to take your money out of your business to put into a home. You can pay the balance every month or every three months. We have the plans of this house at the office, and if you care to look them over we will be glad to show them to you.

We have another house on this same street, quite a little larger, and, of course, a little more expensive. We cannot get possession of this other house for some little time, but will be glad to show you the place if you do not want a house at once.

Mr. Will Brown of Salt Lake owns four houses on the northeast corner of 37th and Leavenworth. We have sold one of these and offer the other three on terms of \$500 to \$1,000 down and balance monthly. These houses are situated between the West Farnam district and the Field Club district. They have beautiful lots and large trees. One of them is only three or four years old, and the other two are older houses. We can sell 719 South 37th, a six-room, all modern house, with 30 feet of ground, for \$3,250.

Or 725 South 37th, a nine-room, all modern house, with 62 feet of ground, for \$4,200. Or 324 Leavenworth, the new house, seven-room, all modern with 55 feet of ground, for \$4,500. Paving taxes on these places are paid in full.

The National Land Company owns two houses. They are not in the business of carrying property, and we as their agent are getting in the little hot water, because we can't sell them. Regular "Tukey's Terms" can be made on these places. They are 112 North 43d Ave., a seven-room, all modern house, three years old, with a fifty-foot lot. 2614 Chicago, a nine-room, all modern house, age not given, with a lot 66x144 feet.

We have two of the finest homes in the West Farnam district if you want a modern up-to-date place, at \$25,000 to \$35,000.
