#### A Tourist Compliment.

One day Miss Heisn Taft was met by two tourists as she left the White House cing. explicable gift for garrulity which tourists develop, they stopped her, and it has little to ask further in that the bay given by the Pacific Coast dent's daughter, asked her a lot of questions about the White House. Miss Taft submitted, and pointed out all the various interesting things about the grounds, where the apartments of the president and his family were situnted, and other intimate details.

"You seem to know a lot about my dear," said one of the women. "Oh." replied Mins Taft. laughingly, you see. I am one of the assistants to the chief cook." As she walked away, she heard one

of the tourists declare: "Quite refined looking for a domestic." -Popular Magazine.

Cause for Worry.

#### A salesgirl in a local department store the town, speaks louder than words of yawned drowsily as she removed her, the conditions that obtain, wraps and started to get in readiness for her day's work on Thursday, "Out to a party last night?" inquired

one of the other girls. "No, but I didn't get much sleep. "Weren't you feeling well?"

"Yes, but after I had put the light out and jumped into hed I found something round under the covers just a metal button with the hook broken off."-Youngstown Telegram.

# Selection of Seed

Seeding time is approaching and the time for selecting seed is at hand. Good seed means good crops. With the experience of farmers in the corn belt with inferior sceds, little urging should be required to impress on farmers the importance of careful selection. In this connection the Wall Street Journal remarks:

"Burbank has said that if a variety of wheat were developed capable of producing one more kernel to the head,

it would mean an addition of 15,000,000 Wellington Hotel Has Sprinkler bushels to our wheat crop. At the Minnesota station a wheat selected for ten years, on the principles of Mallett, the
