KNOX ROLLS PERFECT SCORE

Philadelphian Smashes All Records at Toledo Meet.

MADE 300 IN THIRD GAME

Did Not Strike Record Breaking Gait Until Middle of Second Game. Then Cleared Up All Records.

TOLEDO, O., March 11.—All records for an individual game in an American Bowling congress tournament were smashed tonight when William J. Knox of Philadelphia rolled 300, a perfect score. Knox's count for three games in the individual competition was 972, which places him second in that event.

Made Five Strikes in Second. Knox's great score was made in the third game. In the first game he rolled 172 and did not strike a record-breaking gait until the middle of his second game. He finished the second game with five straight strikes, which gave a count of 150. As the pins continued to drop to perfect balls in the third game bowlers on the other alleys stopped to watch him and the big hall was silent except for the rattle of his ball and the crash of the pins. On his last ball one pin wavered for a moment and then fell into the pit amid a roar of applause from the spectators.

Hippen of St. Louis was the only other individual bowler today to crowd the leaders. He secured sixth place with 663. In the two-man events one change was made. Michael Mauer and Michael Welch of Youngstown, O., rolled 1,300 and went into third place.

Willie Ritchie Offers Bout to Packey

CHICAGO, March 11.—Willie Ritchie, lightweight champion, announced today that he would give Packey McFarland the first chance at the title, provided Packey agreed to weigh in at 133 pounds six hours before the bout.

"You can't blame me for wanting to drop Packey down somewhere near my shop," said Ritchie. "I think he is the greatest exponent of scientific boxing in the world today. If allowed to come in at 133 pounds six hours before ring time, however, as I hold the lightweight title, I feel that it is purely a business deal to have something to say about weight. As far as the money is concerned, I am not claiming the lion's share."

KANSAS CITY, Mo., March 11.—Clarence (Wildcat) Ferns of this city was given the decision over "Spit" Kelly of Chicago in a ten-round fight here tonight. Mark Twain's View of Woman Suffrage Given 44 Years Ago

MEXICO, Mo., March 11.—A copy of a newspaper published in this city on April 5, 1867 and taken from an old trunk yesterday, contains a letter written by Mark Twain on woman suffragists.

It reads in part: "I knew before the canvass was three days old it would be an established proposition that every woman in the state was 'no better than she ought to be.' 'Think of the torchlight processions. Think of the curious legends on the transparencies: 'Vote for Judy McInnes, the incorruptible, for state milliner. Nine children.' 'Also the man who hath beautiful whiskers shall beat the homely man of wisdom for governor and the youth who waltzes with grace shall be chief of police, in preference to the man with energy.'"

Jack Cudahy Given Share in Estate

CHICAGO, March 11.—"Jack" Cudahy, son of the late Michael Cudahy, who was disinherited by the packer, has won a settlement of his claims from other members of the family, it became known here last night. By the terms of the compromise, \$1,000,000 has been turned over to a trust company to be held for him, his wife and two children. Attorneys representing the family and Joseph H. Cudahy, executor of the estate in Chicago, denied that the beneficiary was forced to make a fight for the share, which was refused him by the terms of the will.

Says Confederate Bill is Good Now

WASHINGTON, March 11.—Police today are seeking for a suave young man, who, it is feared, might contract the habit of popularizing confederate money in lieu of legal tender. The young man yesterday engaged rooms from Mrs. Joseph Zimmerman, a boarding house keeper, who has not been long in this country, and gave her a \$10 bill from which she was expected to take \$4 in payment of the first week's rent. It was a confederate note and Mrs. Zimmerman regarded it with suspicion.

LOTZ IS CONFIDENT HE WILL BE A REAL COME-BACK

Joe Lotz, a twirler on the Bourke team in 1911, and who was farmed to Grand Island last year, has arrived here preparatory to making the spring trip to Oklahoma City next Saturday afternoon. Lotz is the first player from outside of Omaha to re-enlist. He says his arm is in great condition and he is confident of making the team this year. He says his experience in the State league last year did him worlds of good and anyone who beats him in the spring race will have to travel a pretty fast gait.

FIVE WOMEN SENT TO JAIL

Suffragettes Who Tried to Present Petition to King Punished.

CHARGED WITH OBSTRUCTION

Court Holds that Petitions to Monarch Must be Presented Through Minister—Other Women Break Windows.

LONDON, March 11.—The five suffragettes yesterday who attempted to reach the king with petitions while he was on his way to Parliament, were today sent to prison for periods ranging from twenty-one days to a month. The young women gave their names as Lillian Wilcox, Dorothy Smith, Kathleen Padgett, Gertrude Vaughn and Grace Stewart.

The Bow street magistrate before whom they were arranged gave them an opportunity of escaping prison sentences by filing sureties for their future good behavior. The young women indignantly rejected this alternative.

They were formally charged with obstructing the police. The evidence showed that the police had received specific orders to prevent anyone from throwing a letter or a petition to the king while he was on the way to Parliament. The accused argued that their action was perfectly legal and was based on the right of every British subject to present a petition to the king. The magistrate explained that the right to present a petition to his majesty must be exercised through a minister.

INDIANA WILL HAVE RACING COMMISSION

INDIANAPOLIS, March 11.—In the closing hours of the Indiana legislature, which adjourned sine die early today, a racing commission bill was passed by the senate and went to the governor. The bill provides for a commission, which is empowered to grant licenses to race tracks and state and county fairs, where horse racing is to be held. The bill fixes the time of holding race meets from April 1 to November 15, and also the number of days which each meet may continue. It also provides for a license fee of from \$1 to \$25 a day, according to local conditions and patronage.

WOMAN SHOWS UP POLICE

Wealthy Owner of Immoral Resorts Reveals Thirty Years Grafting.

IMPLICATES PROMINENT MEN

Names Jack Sullivan, King of the Newsboys, Who Awaits Trial Under Same Charge Preferred Against Gammes.

NEW YORK, March 11.—A book of graft history covering a period of thirty years was opened for District Attorney Whitman today by Rosie Hertz, a wealthy and notorious keeper of disorderly resorts in this city. This woman, sentenced to one year's imprisonment for running a house for immoral purposes, made a complete confession.

She disappointed the "system," which had hoped she would serve her time without telling what she knew, and paved the way, it is said, for prosecution not only of several high police officials, but for a number of politicians alleged to be allied with the "system."

Issue Subpoenas. Many subpoenas were issued as soon as the woman completed her disclosures and Mr. Whitman will be busy for the next few days examining witnesses who are expected to corroborate her story. Mrs. Hertz and other witnesses will testify before the grand jury. According to the district attorney, their stories will be supplemented by evidence in the form of checks and account books which the woman preserved. Mrs. Hertz's business as the proprietor of a string of resorts was conducted systematically, making it possible now for documentary proof of the graft she has paid for protection to be produced. It is declared.

PAID \$10,000 TO SULLIVAN

Among many names mentioned by the Hertz woman today was that of "Jack" Sullivan, king of the newsboys, who awaits trial under the same indictment for murder brought against former Police Lieutenant Becker and the four gunmen in the Rosenthal case. To Sullivan the woman alleged she paid \$10,000 in graft in a period covering several years. She produced a letter which she said was written by Sullivan from the Tombs recently warning her not to "squeal."

Leach Cross Knocks Out Joe Mandot

NEW ORLEANS, March 11.—Joe Mandot of New Orleans, who has been regarded as a formidable contender for the lightweight championship, practically was knocked out last night by Leach Cross of New York.

Mandot's seconds threw a towel into the ring in the tenth round before the referee completed the fatal ten seconds. Mandot practically was out at the end of the ninth round. In the ninth round Cross landed a right swing flush to the jaw that sent Mandot to the canvas. Four times he staggered to his feet and four times he was beaten down by a rain of right and left swings. The going saved him from being counted out in the ninth, but when he came up for the tenth he scarcely could stand. Cross went after the French market boy hammer and tongs and sent him down with a shower of rights and lefts when the New Orleans boy's seconds brought an end to the battle.

Mandot seemed to be outlashed after the third round, when Cross began to force the fighting. At long-range work the New Orleans man showed to better advantage, but Cross never allowed him to stay away.

White Outpoints Moore In a One-Sided Battle

KENOSHA, Wis., March 11.—Charlie White, the Chicago featherweight, outpointed Pal Moore of Philadelphia by a big margin in a ten-round bout here tonight. Six times in the contest White floored his opponent with right and left swings to the jaw. Moore took the count of nine four times and the bell saved him on two other occasions. Four knockdowns came in the third round. The other knockdowns occurred in the fifth and eighth rounds. Moore made his best showing in the first round, when he rushed White across the ring and knocked him over the ropes with right and left swings. Moore also fell out of the ring. Delegations which were expected to arrive from the Wisconsin and Illinois legislatures failed to appear, but several Chicago city officials were at the ring-side.

RUPTURE I have a certain cure for rupture without resorting to a painful and uncertain surgical operation. I am the only reliable physician in this line of work who will take such cases upon a guarantee to cure, or make no charge. You may deposit the money in a bank, in your own name, and when you are satisfied a cure has been made you then instruct the bank to pay the money to my order. This you will do absolutely certain of a cure, or it will cost you nothing. If I was not perfectly sure of my work, I could not do business in this way very long, but instead have been doing business so for 20 years, and adopted this plan because so many have been swindled by quacks and fake cures. Not one of them will permit a patient to deposit his money until a cure has been made. When taking my treatment, patients must come to my office each week for four weeks, and if they live nearby can return home and work during the interval. I do not see the Paraffine Wax treatment, as it is dangerous. Call or write for literature. A FEW OF MY CURED PATIENTS A. F. Horn, Norfolk, Neb.; W. H.
