## Great Live Stock Market of the West

### Nebraska's Home Market

South Omaha is the most convenient and centrally located large market for the Nebraska shipper, where his stock can be sold in unlimited quantities with the least shrinkage and risk, lowest freight and best transportation, and be assured of net returns for his stock unequaled elsewhere.

The shippers of live stock desire service when their stock has arrived at the Market. The Management of the South Omaha Market have anticipated this fact and have expended during the past four years over One Million Dollars for Permanent and Up-to-Date Improvements to provide the live stock shipping public with market facilities unexcelled by any other market in the World.
