Drawn for The Bee by Cliff Sterrett

MAIL ORDER BUSINESS

An absolutely safe and reliable remedy is found for 'Big Neck.' Hundreds of old chron-ic cases that had resisted all other remedies ever tried are being cured by a treatment dis-covered by Dr W Thompson Bobo, of Battle Creek, Mich. Patients everywhere reporting

Creek, Mich. Patients everywhere reporting cures.

One grateful woman, Mrs. Edgar M. Semingson, Linville Depot, Va., says. "There is no sign of goitre on my neck now, and I only took one treatment. My general health, too, is fine. No choking or disagreeable feeling in my throat. I cannot thank you enough for what your treatment did for me and I gladly recommend it to everyone suffering from goitre. This is only one of hundreds of such letters rejeived by Dr. Bobo every month.

In order to introduce his remedy, Dr. Bobo agrees to send one \$2.50 treatment free for a test to any goitre sufferer who wishes to give it strial. Write the doctor a brief history of yo'ar case so he will know the type of goitre y, a have, and he will mail right to your door 1 plain package a full \$2.50 treatment. State age and size of goitre, condition of nerves, heart, bowels, breathing, and whether or not the eyes are unduly prominent.

No matter what doctors have said or what

heart, bowels, breathing, and whether or not the eyes are unduly prominent.

No matter what doctors have said or what remedles you have tried without results, don't be discouraged. Try Dr. Bobo's great medical discovery and be convinced. You will be sur-prised at how quickly it reduces the size of the goitre and relieves choking and other disagree-able symptoms. It is effective from the first trial. No interference with your work. No danger of any kind. No obligation. Send to-day. Don't put it off. Dr. Bobo's address is 628 Minty Block, Battle Creek, Michigan.

Learn more about Oxypathy, the Learn more about Oxypathy, the new scientific treatment which cures without drugs or doctor bills. If you are sick or suffering it is because of poisonous waste in your blood. If you would be well again you must get rid of them. It is the mission of Oxygen to destroy them. Hence Oxygen is Nature's specific for disease. When sick, what you need is not more poison in the form of drugs, but more oxygen.
