

APPAIRS AT SOUTH OMAHA

Ministers Organize Relief Committee to Aid Tornado Sufferers.

WILL SUPERINTEND WORK

Rev. T. A. Bagshaw Leads Plans to Repeat Dramatic Work of Centurion Club, Which Will Provide Substantial Aid.

South Omaha organized a general relief committee yesterday afternoon at a meeting held in the city council chamber. Mayor Tom Hoctor was named chairman of the committee with Rev. T. A. Bagshaw as vice chairman. James F. Sullivan was elected secretary and Rev. J. M. Ballou of St. Bridget's parish, Rev. J. A. Bagshaw of the Albright Social Service institute, Rev. Dr. R. L. Wheeler of the First Presbyterian church, Morgan Healy and George Parks were nominated to serve on the committee, which was constituted the official committee of the city for the help of the storm-stricken of Omaha and Ralston.

Although work has been carried on for the storm victims through private hands no public organization was effected until yesterday, when a general committee was organized through the efforts of Rev. J. M. Ballou of St. Bridget's church. The new committee will have charge and supervision of all the collections and aid for Omaha sufferers in South Omaha. It was understood at the instance of Rev. Bagshaw that each individual organization shall still maintain its independent action in working for the storm sufferers, but the work will be done under the general supervision of the new committee. One of the proposals of the committee is to repeat the minstrel show given some nights ago by the Centurion club. The tickets will be \$1. According to Rev. J. M. Ballou 10,000 tickets have been ordered.

Contributions for the storm sufferers may be left at any place designated by the committee or sent to the membership directly. Yesterday a collection of clothes and goods was made from all the public schools of the city. At the Albright Social Service institute a number of money donations have been received in money, clothes and food.

The mayor and committee warned the public against contributions to unknown petitioners who are said to be making the rounds of the town. There will be a meeting of the general committee at the city hall this morning at 10 o'clock.

Miss Rose Spevak After Packers. In order that the state legislature may take a hand and see that packing companies do not discharge the women who testified before the legislative investigating committee some time ago, Miss Rose Spevak of Twentieth and W streets and Jerry Howard, have appealed to the members of the house. Miss Spevak was discharged from Armour's Wednesday because she testified before the committee, she says.

R. C. Howe, general manager of Armour & Co., denies that the Armour management knew of Miss Spevak's testimony before the committee. He says the girl was discharged in order that her place might be given to a man. He says the company hereafter will follow the policy of giving work to men instead of women.

Citizens League Organized. Democratic worries reached a climax Thursday night when an organization known as the Citizens League composed of independent democrats was formed for the purpose of having fair elections next Tuesday. Quite a scheme has been uncovered these men say by which the present gang is to control the ballot boxes. They have formed a society of citizens who will see to it that the election laws are not violated. Certain evidence in their possession they say will be used to convict gang leaders who dare to proceed further with the scheme of controlling the polls.

Howard Scores Another Success. Another meeting of the organization will be held Friday night. Jerry Howard addressed a large gathering of packing house men at Morris & company yesterday noon. Howard was cheered by the men who gathered to hear him. The democrats in the packing houses are talking Howard openly although some of the straw bosses are opposed to him.

Today at Cudahy's Howard will debate labor questions with Mayor Tom Hoctor if that individual will meet the minimum wage tribune. Howard says Hoctor is a corporation man backed by corporation bosses and against the working men at every turn of the road.

To Raise Funds. To the Citizens of South Omaha: At a meeting of citizens held in the council chamber March 27 the following were selected to constitute a committee to receive and raise funds for the relief of the sufferers from the tornado of Sunday last: Rev. Father J. M. Ballou, Rev. R. L. Wheeler, Rev. T. A. Bagshaw, George Paris and Morgan Healey James F. Sullivan was elected secretary; Thomas Hoctor chairman; Rev. T. A. Bagshaw, vice chairman; Rev. R. L. Wheeler, treasurer. This committee will establish headquarters and thankfully receive donations of clothing, provisions or money the good people of our city see fit to donate. Donations will be received at the home of the treasurer, Rev. R. L. Wheeler, at the Albright Institute, Twenty-fifth and M streets, and at the office of Secretary of the Board of Education James P. Sullivan.

Mrs. Fried Hy, who is separated from her husband, and who has been living with her mother, Mrs. E. G. Butler, at Twenty-eighth and Jackson, became despondent last night and attempted to commit suicide by drinking carbolic acid. Her mother saw her with the bottle and prevented her drinking the poison. In the struggle the acid was thrown over the face and arms of the two women and they were both severely burned.

Followed by relatives, friends, members of the Odd Fellows, of which lodge he was one of the oldest members, the body of David Amos was buried yesterday evening in Laurel Hill cemetery. South Omaha escaped the tornado, but the suffragettes kept to the track and will arrive in the Mead city this afternoon when they will hold a meeting at the Albright Social Service institute at Twenty-fifth and M streets. The purpose of the meeting is to adopt plans for the promotion of woman suffrage in South Omaha. The work of educating the local women in the more progressive ways of their suffragette sisters will be discussed. The meeting is set for 4 o'clock. School teachers, business women and housekeepers are expected to be present. The women in charge of the work of education are: Medama E. B. Towel, William Berry, Loren Banner, Dr. Adda Wiley Ralston, Caroline Bronson, M. S. Morrill, G. F. Copper and Miss Myrtle Roberts.

Nothing like the present craze of the turkey trot has been known in years, and the popularity of this new style dance has also increased the popularity of the Victor as a means of providing the necessary dance music. The demand for records for accompanying the new dances is tremendous, and following the issuance of a turkey trot and tango numbers recently added to the extensive list of Victor dance music, six more turkey trots are announced in the new list of April Victor Records. They are splendid dance numbers, brilliantly played in perfect tempo—as good dance music as anyone could wish, and those who do not dance will at least enjoy listening to such lively selections as the "Gertrude Hoffman Glide," "Too Much Mustard," "Mariette" and the "Parisienne Turkey Trot."

DAMAGE BY TORNADO DRIVES MAN TO SUICIDE. One more name is added to the death roll of the tornado victims. It is that of T. Berup, of 1322 Miami street, who committed suicide by swallowing carbolic acid at 11 o'clock yesterday morning in a room at the Midland hotel on North Sixteenth street. The havoc wrought by the storm unnerved him and brought on sickness. Temporarily insane he swallowed the poison.

Berup is a laborer about 45 years of age and had been making his home with his daughter, whose home was damaged Sunday evening. Monday he secured a room at the Midland and shortly afterwards the clerk was notified that he was dangerously ill. Attempts were made to secure medical aid, but without avail, as all physicians were busy attending other storm victims.

Yesterday morning Berup was found dead in bed by Clerk Stockman. The police were not notified and it was only when a Bee reporter heard of it and reported it to Captain Dempsey that an investigation by the police was started. Coroner Crosby has the body and an inquest will be held either this afternoon or tomorrow.

ALL THE COLORED PASTORS JOIN IN FUNERAL SERVICES. Fully 2,000 colored persons turned out to the funeral of the colored victim of the Easter Sunday tornado, which was held at Obee's undertaking rooms at Twenty-fifth and Lake streets yesterday afternoon.

All the colored pastors of Omaha officiated and the small chapel was crowded with friends and relatives of the victims. The doors and hallways were jammed with persons and traffic on Lake street was tied up during the funeral services. Following the services the caskets containing the bodies were loaded on large wagons, four caskets to the wagon, and borne to the cemetery.
