Rev. M. B. Williams Urges All to Bear Up Under Their Losses.

Realization of an Omnipotent Power Above Them. "Have Faith in God," was the message given to a large congregation at

the First Methodist church, Twentleth and Davenport streets, Sunday morning, by the pastor, Rev. M. B. Williams. According to Dr. Williams, Jesus had one word, only one advice for all crises, and that is "Have Faith in God." He urged the people of Omaha to bear up under their present calamities. and said that "God can do wonders with those who will but trust in Him." Omaha newspapers have risen much in the estimation of the minister since last Sunday, because of their splendid work in handling the situation and for their ready assistance to the needy.
