as they should be is a hobby with us.

We've cleaned hundreds of carpets and rugs during the past two weeks, many of which at first glance seemed to be entirely ruined, but after being cleaned by us they look as nice as new in practically every case.

No matter how much dirt, grease and soil they contain there is hope for them as long as they are whole. Put your case up to us-if the cleaning it won't cost you a cent.

We also clean draperies, portieres, curtains and other furnishings that require care and skill in handling.

Call Douglas 963 and an auto will call for your work promptly.

Firms Make Special Prices for All Things Needed by Housewife.

WORK OF THE WIFE EASIER

Modern Methods a Great Improvement Over the Old System of Beating Rugs in the Back Yard.

This is the season of the year when the good housewife turns her attention to the spring housecleaning and, naturally, she is looking about for the best way to get through the period which 18 so much dreaded by most women in the

easiest way possible. come to her relief as much as possible, ances are at hand to lessen the work.
Rugs and lace curtains may now be sent
out and cleaned in a much more satisfactory manner than the old way of hiring a man to beat them in the backyard, Modern cleaning plants will do them much more cheaply and in a much more satisfactory manner.

Spring styles in wall paper are shown in the leading wall paper houses of the city and these are making special rates to all, knowing that the business this spring will be immense. This special rate was brought about by the tornado, which will greatly increase the business, making the volume so large that bettyr rates may be made. Other firms make a specialty of cleaning paper where only

a cleaning is necessary. Omaha storage plants were filled after we clean them and you the tornado with goods taken from the stricken district. As these goods are being taken away to the new or rebuilt ing taken away to the new or rebuilt homes the big storage companies find they have more space and as a consequence are offering reduced rates to all who wish to store their furniture for the summer months.

Housewives must all bear in mind that the time of the plumber will be very much in demand in refliting out the stricken homes and that to have any work done orders must be sent in early. Some of the Omaha plumbers, in anticipation of this rush, have sent to neighboring cities for additional help that there may be not delay in repairing the damage wrought n addition to making the spring repairs. Yetter & Co. and Sam Newman are making special prices on wall paper and invite all to take advantage of the prices. The Omaha Van and Storage company has its new wagons and immense vans ready to fill all orders for spring moving. Beaton & Laier are advertising they will call for the housewives' rugs, clean

and repair them and return them as good The Barker Bros.' Paint company is making special rates on all paints needed

as well as varnishes and cleaning ma-Haller, the Leavenworth street plumber, is well equipped to handle all the business that comes his way.

for Passage, While Water Distriot Measure Not Touched

by the Bifting Body. (From a Staff Correspondent.) LINCXIN, April 5.—(Special Telegram. son of Douglas secured favorable the state it certainly has the endorsement action on his loan shark bill in committee of a majority of the house members. of the whole in the house last night. While the bill permits the loan shark to charge 18 per cent interest per year It provides his books shall be inspected every six months by the secretary of state. He must pay a license fee of \$100 Mr. Lee has given so much of his attenand in other ways his business is reg-

his measure and so worked up did he become that at times his voice choked with sobs and the tears ran down his face. He told how it had been said of

him in Omaha, that he had been given \$1,000 to lay down on the bill. He said the charge was untrue.

Effects of System.

Simon told how the loan sharks were getting 10 per cent a month, how they were making prostitutes of young girls, how they were hounding laboring men and poor in general who fall into their and poor in general who fall into their

Bollen urged the passage of the measure and assured the house it would not affect the business of country banks in the least as had been charged by Falistead. The latter hoped the bill would not be passed as it would permit the loan sharks to come into the country towns and affect the country banks.

Reynolds and Richardson both spoke in favor of the bill and with only one dissenting vote, Fallstead, the bill was recommended for passage.

Favor Split Fee Bill. ended for pasenge the Dodge-Sugarman bill to make it crime for a physician or surgeon to are business by splitting the fee with the practitioner who sends him the business. This is one of the most important bills before the legislature so far as the public is concerned, and scores of reputable physicians endorse it.

Best Assessor's Raise. The county assessor of Douglas county will not get his raise at the hands of this legislature for the house refused to adopt and amendment to senate file 12 providing salaries for county assessors. Anderson and Lee were opposed to the amendment and insisted it was a shame for Douglas county officials to ask for a raise at this time following the tornado and the consequent increase in the taxes. Brain, Simon and Foster spoke for the

### World-Famous Institution Aids Joseph Mayer Wins Big Billiard Honors

PHILADELPHIA, Pa., April 5.—Jeseph Mayer of Brooklyn won the National Amateur 18.2 billiard championship of America tonight, by defeating E. W Gardner of East Orange, N. J., in the final game of the tournament. The score

was 400 to 267. The winner made a high run of 180 and his average was 191-21. Gardner's high run was 48 and his average, 12 15-21. Mayer's run of 130 in the eixth inning was the highest of the tournament and among the best in the history of amateur 18.2 billiards. He had made a run of best average record. His runs of 12, 68 and 43 in the eighth, ninth and tenth bank shot by a narrow margin, were followed by blank innings and his average was rapidly reduced. Six times in succession the balls were left widely spread Gardner, and Mayer, in spite of his knowledge of cushion play was unable

Gardner was blanked in his first three nnings, missing comparatively easy shots. He showed a flash of his true nerchants have lost all of their stock and form in the fifth and sixth, when he compiled totals of 45 and 48 and played fairly consistent billiards from the tenth fairly consistent billiards from the tenth Eumphreys' Homes. Madicing Co. 10 to the fourteenth innings, when he had William Street, New York.—Advertise runs of 20, 32, 25 and 27, leaving his opponent safe in each instance.

### LOOTERS ENTER HOUSE OF TORNADO VICTIM

The residence of D. C. McNelll, 3627 Burdette street, which was partially destroyed by the tornado, was broken into last night and silverware valued at \$50 The McNelli family vacated the house since the storm. The silverware was locked in a room of the house with other belongings saved from the storm.

SANATORIUM This institution is the only one

in the central west with separate buildings situated in their own ample grounds, yet entirely tinct, and rendering it possible to clissify cases. The one building being fitted for and devoted to the treatment of non-contagious and non-mental diseases, no others be ing admitted; the other Rest Cotvoted to the exclusive treatment of select mental cases requiring for a time watchful care and spe cial nursing.

A writer says, "When I feel Cold or Sore Throat coming on I rub my throat and breast for several minutes, so as almost to produce pain, I get immediate and permanent relief. If this had occurred only once or twice, I might think it was simply a natural recovery on account in the preceding inning and it looked of my otherwise good health, but as though he would establish a new after so many times I have come to the conclusion that the relief was innings, which he closed by missing a the result of drawing fresh blood to those parts which were affected, by
