**T**HE monocle has made its appearance in Omaha this week. The first Omaha girl to introduce the new eye glass was Miss Grete Lane, who attends National Park seminary, in Washington, D. C., and who is spending her spring vacation with her parents, Mr. and Mrs. A. D. Lane, 3260 Harney street.

Miss Lane wears a tortoise shell monocle tied with a narrow black ribbon. These ribbons, by the way, are jeweled according to individual taste. Some are set with diamonds and others simply with brilliants. The young women rarely, if ever, really wear the monocle, but use it instead of lorgnettes and hold it to the eye when in use.

The suffragist in Raymond Hitchcock's play, "The Red Widow," wears a monocle. Following the play, Mr. Raymond Hitchcock and Miss Flora Zabelle were the guests of Mr. H. W. McCord at the Omaha club. Mr. Hitchcock was dressed immaculately and one up-to-date accessory was the popular monocle.

### Theater Parties.

A box party last evening at the Grand theater, where Mr. Raymond Hitchcock is playing "The Red Widow," included Mr. and Mrs. Frank Williams and Mr. and Mrs. C. Wesley Turner, Jr.

In another box were Mr. and Mrs. George Brandeis, Miss Rogers of Chicago, Mrs. Cohn, Mr. A. D. Brandeis and Mr. Walter Cohn.

Another party included Miss Irene Coad, Miss Beatrice Coad, Mr. Ralph Kainey and Mr. Roger McKenafie.

Many after theater suppers were given at the Omaha club. At one table were Mr. and Mrs. C. F. Smith, Mrs. E. T. Swob, Mrs. Ben Cotton, Dr. LeRoy Crummer and Mr. A. B. Warren.

Together were Mr. and Mrs. Ward Burgess, Mr. Charles T. Kountze, Mr. Louis Burgess and Mr. Charles Burgess. Miss Katherine Moorhead, Miss Edith Locke, Mr. Earl Gannett and Mr. W. Farman Smith were together.

Among others at the club were: Major and Mrs. Carl F. Hartmann, Mr. and Mrs. V. T. Burns, Mr. Ralph Peters and Mr. John Hedick.

Mr. H. W. McCord entertained Miss Flora Zabelle and Mr. Raymond Hitchcock.

## SCHOOL BOARD IS SCORED

Realty Men Take Exception to the Secretive Methods Employed.

## BEYOND SCOPE OF AUTHORITY

Think the Board Should Account for the Money Spent in Relief Work and Not Keep Facts from the Members.

Some members of the Real Estate exchange gave vent to their feelings on the appropriation of the Board of Education to the relief of tornado sufferers without the consent of the taxpayers and without making a report of the disposition of the appropriation, at the noon meeting. W. H. Green sounded the alarm and W. T. Graham followed with the statement that he had heard rumors to the effect that the money did not go where it was most needed. The board went beyond the scope of its authority he said, when the appropriation was made, and the situation may arise where the people will call upon the bondsmen of the board members to put the money back.

"I hold a lot of money in trust," he declared, "and I didn't appropriate any of it for relief. The Board of Education holds the same position toward the taxpayers as I do to my clients, and it had no right to appropriate money without authority, and moreover, it went far beyond its scope when it did not give an accounting of the money. We will be called upon in the near future to vote some more bonds, and the board may find that the people have lost confidence in it."

A motion to appoint a committee, so where the money which the board appropriated for relief work went to was not entertained by President Hastings, who said an accounting is bound to come at some time anyway.

D. V. Sholes, chairman of the exchange's valuation committee which estimated the damage done by the tornado, made a short verbal report, in which he reiterated his statement of a week ago that the loss would be less than the original estimates. He said the report of his committee will be used by the restoration committee.

## He Chases His Sick Wife from Home

Charles Tilton, 1508 Ohio street, upon returning home Tuesday evening, chased his wife, who has been ill, for some time, from the house and refused to let her come back. It is asserted by Mrs. Tilton that her husband has not supported her for over three weeks, the only food she has had during this period being furnished her by neighbors. The police making the arrest searched the house and found that it did not contain a morsel of edible. Mrs. Tilton was two sick to appear in court. Tilton was fined \$30, sentence to be suspended on his promise to do the right thing.

## HOTCHKISS, ACQUITTED, REUNITED TO HIS WIFE

Fred H. Hotchkiss, acquitted by a jury in Judge Day's court of robbing W. E. McEachern, a file clerk in the office of the clerk of the county court, has been reunited with his wife. They left the court room arm-in-arm, after the judge had discharged the prisoner and advised him to take care of his wife and baby. Mrs. Hotchkiss came from St. Joseph, Mo., with her mother-in-law to testify in her husband's behalf. She testified that he had left her a few days before he came to Omaha last March, following a dispute over the selling of their furniture. Mr. McEachern was held up at Twenty-fourth and Capitol avenue early in March by two men.

## THREE ARRESTED AS PLUMBING THIEVES

Foy Young, aged 22 years, and Tom Washington, were arrested by Officers Schwager and Rooney as suspects of having cut the plumbing from the old Wick & Moore resort. "Ace" Hall was taken into custody shortly after their arrest as having also been connected with the job.

## Thomas Harrington Gets Anxious Query

"Dear Brother Tom: I am writing to know if you were hurt in the tornado or the floods. I sincerely hope you escaped. Your loving brother."

This is the gist of a letter which is worrying Thomas F. Harrington of the city health department into old age.

"Why, I never had a brother," he said, "and I've only got one sister and she isn't in Philadelphia. I wonder who it could be?" Here he sought the city directory and found there is no other Thomas F. Harrington in Omaha.

"Anyway," he pointed out, "it must be intended for me, because it is properly addressed."

This letter was signed "Dan R. Harrington," and the address of the writer is 164 Spring Garden street, Philadelphia. Apparently the writer was under the impression that Harrington, living in Omaha, was in the Illinois flood zone, to be inquired particularly about the flood.

## All Schools Will Reopen April 14

Schools in damaged school buildings will open April 14, and although all rooms may not be available at that time, half-sessions will be held and all grades will be given impartial treatment, according to Superintendent Craft. Work of repairing the schools, so badly damaged by the Easter Sunday tornado, has been under way since Tuesday, following the storm.

## RAIN IN WEST FOLLOWED BY HEAVY FALL OF SNOW

Rain, which has been falling over the central west states ever since Sunday night, turned to snow in many places last night, and railroad reports show that the snow in some places was as heavy as seven inches. At Akron, Colo., seven inches of snow fell in the twelve hours ending at 7 o'clock this morning.

## FOR WOMEN ONLY.

That is the nature of Dr. Pierce's Favorite Prescription—the one remedy for women which contains no alcohol and no habit-forming drugs. Made from active medicinal forest roots. Dr. Pierce tells its every ingredient on the bottle-wrapper. Prominent physicians and some of the best medical authorities endorse these ingredients as being the very best known remedies for ailments and weaknesses peculiar to women.

This is what Mrs. GENETTI E. COFFEY, of Longstreet, Ky., says: "I feel it my duty to write and tell you what your medicines have done for me. I was a great sufferer for six years from a trouble peculiar to women, but I am thankful to say, after taking four bottles of your 'Favorite Prescription' I am not bothered with that dreadful disease any more. I feel like a new woman. When I first wrote you for advice I only weighed 115 pounds—now I weigh 135."

"I thank you very much for your kindness. You have been as a father to me in advising me what to do, so may God bless you in every effort you put forth for good."  
"I hope this testimonial will be the means of some poor suffering woman seeking health."

## Crocker's Brigade to Meet at Clarinda

The following circular, signed by the officers of Crocker's Iowa brigade, has been sent to all members:

"The officers of the brigade have advised with about sixty members, as to our meeting at Clarinda, September 30 and 1, 1913, is very greatly in the majority. While cordial to the general reunion at Des Moines, owing to the lapse of years and rapidly thinning ranks, our comrades feel they should get together in Clarinda for an old-time family meeting of the brigade."

## OMAHA DOCTORS PROTEST AGAINST CHANGE IN BILL

A protest in the form of a telegram, signed by thirteen prominent Omaha physicians and surgeons, was sent to Dr. P. C. Kelley, speaker of the house at Lincoln yesterday against the amendment Mr. Kelley has added to the anti-fee splitting bill now before the house on recommendation of the sitting committee for passage.

The bill is aimed at the "fakers" in the medical profession, who pay others commission for referring patients to them for treatment. This practice is common in the profession and has been going on for some years. The local doctors look the fee splitting question in their own hands and had a bill introduced in the legislature to prohibit it.

From the first the bill has been favored by the legislators. The amendment to the bill made by Mr. Kelley would make the law useless. The amendment provides for doctors to pay their assistants. Under this guise the old fee splitting practice would be continued.

The following telegram was sent to Mr. Kelley: "Your amendment would kill the purport of the bill and give the fee splitters an opportunity to continue the division of fees, calling it payment for assistance. You should know that this is a common fee now. Pay your assistant a decent fee, but be honorable and open about it. Do not make the bill a joke and the Nebraska profession the laughing stock of the country. Signed, J. B. Summers, A. F. Jonas, W. O. Bridges, J. P. Lord, A. D. Dunn, H. C. Clark, D. C. Bryson, W. Christie, Palmer Findley, B. B. Davis, W. F. Milroy, F. S. Owen, H. M. McCannan."

## Debt Was Staring Us In The Face

My husband left us a little property to take care of us, but keeping the house going and the children at school was really more than I could do. We began to drop behind in our money, and almost before we knew it debt was staring us in the face.

I was thinking of doing a little dressmaking, when another idea struck me, and I am certainly glad it did. For some time, I'd had a Larkin Catalog in the house, but had no time to look at it; so one night I got it out and went over it carefully—and made up an order for Larkin Products. I found that if I did not take the Premiums which they give I could get just twice the quantity of supplies for my money as I got at the store, which was really more important to me just then than Premiums.

In my first order I included tea, soaps, spices, foodstuffs, notions and lots of other things that are needed around the house. What we could not use right away, the neighbors took and in that way I made nearly enough money from my first order to almost pay for the next one without my adding a cent. Pretty soon I had a Larkin Club-of-Ten going and I now not only get my household supplies at half cost, but am getting a number of Premiums besides.

I know there are lots of people who would appreciate these savings and Premiums just as much as I do. Why don't you write to Larkin Co., Peoria, Ill., and ask them for their free Catalog D29? That will tell you all about it.
