Why use wooden shingles when E-Z Laid METAL SHINGLES cost little more than wooden ones, last longer, are water-proof, rust-proof and lightning-proof. The size of each shingle is Skib inches. Each one is nalled separately and no nails are exposed. They can be laid on any old building simply by removing old wood en shingles without disturbing the roof board. They are made of the best galvanized 28-gauge iron and will last a lifetime. The day of using wooden shingles is past. They have have been usurped by E-Z Laid Metal Shingles. For prices and terms address

UNLOCKING THE SUCCESS DOOR.

BELIEVE WITH ALL YOUR HEART THAT YOU HAVE SUCCESS POWER IN YOU AND YOU'RE SURE TO WIN OUT!

The land of "You Can't" is growing smaller every day.

If you are simply SURE that NOTHING can stop you, nothing CAN stop you.

So long as the spirit of "I Can" is in you, you are like a throbbing motor—as soon as you get hitched to opportunity you're sure to drive things. Half of greatness is grit—just that hang-to-it "I-can-do-it" spirit that you possess. Your intelligence backet the determination not to back down will always win.

With your spirit, all you need is the proper preliminary training—and the proper preliminary training for a business career is now and here offered you by

Here you can quickly become an adept in business—a more-than-ordinarily skillful Stenographer, a thoroughly accomplished Bookkeeper, a speedy, accurate Telegrapher or a swift, sure, high-salaried Stenotypist or you can qualify for a U. S. Government Civil Service Position as a Department Clerk, Railway Mail Clerk Mail Carrier or Government Bookkeeper or Stenographer.

You can gain here your all-important first start towards business success. For the Boyles business training is practical to the core. It arms you in the ability you will need every day, every hour in a business day. Boyles graduates prove themselves invaluable to their employers right from the start because they are here trained so that they are BOUND to be unusually valuable. That's why Boyles graduates are in such wonderful demand—why every bank, every wholesale house, every manufacturing business, practically every professional office and almost all big retail establishments in Omaha and for hundreds of miles around Omaha eagerly employ our graduates. That's why Boyles graduates are the start because they are our graduates. That's why Boyles graduates instead of looking for jobs find jobs looking for them.

It is easy for us to completely prove this to you. MAKE us prove it. Send for our 1913 Year Book-ask any and all questions about our college, our courses and what we can do for you in particular. Write today.

H. B. BOYLES, President.

Official Training School for the Union Pacific Railroad and the Illinois Central Railroad.
