Wholesale Stock At About 50c On the Dollar

THE WANTED SORT AT PRICES THAT ARE SIMPLY SENSATIONAL

Morning Promptly at 8 o'Clock

THE enormous stock poured in on our regular assortments, which are naturally, owing to the time of the year, very large and complete, meant quick and decisive action. No room being available in our regular storerooms for reserve stocks, temporary warehouses were leased. Realizing the fact that it is far better to get our money out of the goods than to have it tied up in leased warehouses, we determined to give the buying public the benefit of the sacrifice and offer you the stock at such extremely low prices that we will close out in a few days that would otherwise take months.
