DOANE COLLEGE.

Musical and Social Activities of the Week. The seniors have been working hard the last week getting a rather unique production, ready to entertain their friends at the annual "Senior Evening," which is to be held Monday night. At the regular meeting of the Congregational club of Crete, the Doane conservatory faculty put on a very interesting program. Miss Aksamit of the piano department prefaced the concert by a paper setting forth the different characteristics of abstract and representative music, and then Prof. Dick, Miss Lindsey and Miss Reed gave numbers illustrating the two kinds. The program was immensely enjoyed by all. Last Tuesday evening the Crete Choral union, made up of singers not in the college, gave a concert at the conservatory. They have been under the direction of Mr. C. J. Aller for the past three months and put on a very creditable performance. Wednesday evening Mrs. Dr. Hoeford and her husband were "at home" to the seniors of the college and an exceedingly jolly time was had. The Adelpian quartet, which had its beginning at Doane and was famous over the entire continent for several years, gave a concert at the Methodist church Saturday. KEARNEY STATE NORMAL. WOODMEN PLAN EXTENSIVE RELIEF CAMPAIGN.

Modern Woodmen Plan Extensive Relief Campaign. GRAND LODGE OF KNIGHTS Arrangements to Be Made for Big Meeting of Pythians to Take Place in Omaha Next Week. Magnolia camp, Modern Woodmen of America, will give a dance for the benefit of Woodmen tornado sufferers at its hall, Twenty-fourth and Ames avenues, Tuesday evening. The committee is planning on selling 1,000 tickets. Many of the Woodmen lost almost everything they had in the tornado and while the Omaha general relief committee has given them supplies and some furniture, it is the plan of the Woodmen to assist their members with cash donations. The head camp of the Modern Woodmen has sent out a relief call to all the camps in the United States to aid the Omaha tornado sufferers and also the flood sufferers in the east. Omaha has been divided into three divisions and the local Woodmen have committees at work making personal investigation and appraising each loss before sending it to the head camp. Teddy Reipen, secretary of the local committee, received a communication from Head Consul A. R. Talbot stating that if there were any Woodmen in need of immediate aid to wire him and funds would be sent at once. The investigating committee has found that the Omaha general relief committee has been so thorough in its work that there are no Woodmen who are in need of immediate help. Many of the Woodmen have received aid from their employers and among the most liberal givers were the Omaha & Council Bluffs Street Railway company and the Union Pacific shops. Woodmen Notes. Samuel Marston and his Marconia camp No. 42, Woodmen of the World, will have a class of candidates for introduction Wednesday evening, assisted by Captain Jasper's degree team and staff of Druid camp No. 24. Richards and his champion degree team of Omaha Seymour camp are working faithfully for perfection in floor and field maneuvers. They will be at Put-in-Bay, O., to meet all comers in June. South Omaha Grove No. 8, Woodmen Circle, donates the gross receipts of a dance to be given at Eagle hall on N. street, Friday evening, to the cyclone folks at Ralston.

you Beer Drinkers Read THIS! Beer acted upon by light soon takes up the very disagreeable so-called 'light taste,' and also a repulsive skunk-like odor. Beer so affected is offensive to the palate of most consumers. Beer should not be exposed to light, especially to direct sunlight, as it will thereby be detrimentally affected; the light having an influence upon the albuminoids in beer, causes the beer to become hazy. Extract from the "The Beer Bottlers' Handy Book," published by the Wahl-Henius Institute of Fermentology. The Brown Bottle is not a fad. Its use by Schlitz is based on scientific principles. Wonderful Show Planned for Den is Kept Dark Secret

The mysterious guy in the Silk Hat Harry pictures has nothing on Gus Resse when it comes to mysticism, according to "Dad" Weaver, secretary of Ak-Sar-Ben, and the knights of that order. Gus has everyone guessing what sort of show he is going to stage at the Den this season and absolutely refuses to divulge his secret. Anyway, it is conceded by all that Mutt and Jeff will be eclipsed by the performance and the nearbreath escapes of Desperate Desmond and Dauntless Durham will be mere incidents compared with the initiation through which members and guests will have to go. The membership is larger than in any previous year, at this time, and "Dad" Weaver is confident it will increase in proportion. The campaign for new members is bringing in applications by the score. Opening night will be June 2, when the Nebraska Editors' association will attend. Everett Buckingham, Jack Walters and a large crowd of South Omaha stock men will make June 9 a wild west show at the Den. They will ride to the Den on horseback as advance guards for the businessmen, who will attend. Benson will attend the show on the night of June 16. Other dates have not yet been arranged, but applications for special nights at the Den are coming from organizations and towns in the state. The meeting of the board of directors, which was to have been held tomorrow night, has been postponed for a week. The Yellow Peril.
