Tie Score in Eighth With Four Hits Giving Three Runs.

HARD HITTING MARKS GAME

Detroit Uses Three Burlers and Boston Two: Lake Stops Attack of Red Sox in Last Two Frames.

DETROIT, May 12.-Fighting an uphill battle all the way and tieing the score in the eighth inning with four hits which reduced three runs, Detroit defeated Boston today 8 to 7 in the second game of the series. The contest was marked by hard hitting.

Detroit used three pitchers and Boston two. Lake twirled the last two innings for the locals and successfully stopped the attack of the champions, while Wood, who succeeded Leonard, was the victim of the winning rally. Three hits brought Boston three runs in the second after Bush gave Detroit a tally in the first by stealing home. In the fourth Cobb alid safely across the plate, though the ball had been returned to Carrigan ahead of the runner. Four hits, including triples by Leonard and Englie gave Boston four runs in the seventh. Sheer slugging enabled Detroit to tle the score. Score:

HECLA SALOON MEN KNOW NOT WHITHER TO TURN

HECLA, S. D., May 12-(Special.)-The saloonmen of Hecla are in a dilemma. There is but one main business street and the residence section of the town is on the side streets. The town trustees put the license fee up to \$1,500 and then passed a resolution prohibiting a saloon within 150 feet of the main street of the town. Then the "residence section" got town, leaving the saloonmen in a position where they have no place to "light."

Rise of Brooklyn from Fourth to

Second Place Week's Wonder. PIRATE CRAFT SEEMS SINKING

Sudden Turn of Fortune in Highlanders' Case is Sensation of the American League

NEW YORK, May 12.-Followers of major league base ball were treated to a series of thrills last week. In the National league race the surprising rise of Brooklyn was continued with a spurt that sent Dahlen's men from fourth to second place. The hopes of the Pittsburgh rooters were still further lowered by the acceleration of the remarkable slump which has sent the team close to the bottom of the percentage column. Boston gave its followers a welcome surprise by winning four straight and dropping but one game in the week.

Johnny Evers and his Cubs fared badly in Brooklyn, but handed the Giants a thorough trouncing in the first game of the series between the old-time rivals. Something is sadly amiss with McGraw's

ombination Instead of "getting the jump" on the other teams by entering the race in splendid condition and taking the lead with an early season spurt, New York after more than a month of play is a bad fifth in the pennant race. Weak stick work and loose fielding have been glaringly in evidence, but many good judges expect to see the Glants emerge from their slump in the near future.

Dahlen has the Brooklyn machine working smoothly and is making a strong bid for the lead. The St. Louis pitchers are holding Huggins' team well up in the race. Weakness on the mound seems to be the trouble with Cincinnati, only two of the Reds' boxmen having been able to get into the winning column. Philadelphia is still going at a speedy clip and shows no sign of collapse. The sensation of the week in the American league was furnished by New York. Chance's erratic band, after being consistently maltreated by the eastern clubs, jumped west and took three out of four games from De-

Philadelphia seems to be going better than any other team in the race, also Washington and Cleveland are playing at top speed. Chicago is playing fairly consistent ball. St. Louis is better placed in the race now than had generally been expected. The world's champions are playing far below form, but the Boston adherents expect to see Stahl lick the Red Sox into shape in the near future.
