

APPAIRS AT SOUTH OMAHA

City Council Elects Tom Alton as Its President.

CAVANAUGH GETS JUDICIARY

Fire and Police Board Holds First Session and Reorganizes as Before Election—Martin Re-Heves Gillis.

As prearranged Monday night the mayor and new city council met yesterday morning for the purpose of organizing. There was little discussion and the slate was rushed through without any difficulty.

Early in the proceedings it appeared that John Cavanaugh, one of the young men elected at the recent election, would not make the party. T. J. Alton, councilman from the Third ward, was returned to the position and Henry Hartnett, councilman from the Seventh ward, was made president pro tempore.

Cavanaugh won the chairmanship of the judiciary committee and Hartnett drew first place on the finance committee. Williams was the only republican recognized with a chairmanship. He will head the committee on printing. The council in its organization is thoroughly democratic, the two republicans, Williams and Riha, being an impotent minority. The following is the list of committee appointments:

- President—J. T. Alton. President Pro Tempore—Henry Hartnett. Finance Committee—Hartnett, Cavanaugh, Williams. Judiciary Committee—Cavanaugh, Alton, Riha. Streets, Alleys and Viaducts Committee—Alton, LaVelle, Riha. Telephone, Railway and Telegraph Committee—LaVelle, Cavanaugh, Riha. Fire and Water Committee—LaVelle, Riha, Williams. Street Lights Committee—Hartnett, Riha. Public Property and Buildings Committee—Riha, Alton. Printing Committee—Williams, Hartnett, Riha. License Committee—LaVelle, Williams, Riha. Charity Committee—Cavanaugh, Hartnett, Williams.

When the new fire and police board reorganized yesterday morning there was no change made in the organization effected before election. W. J. Donahue was again chosen secretary and Mayor Hocter held the lines as ex officio chairman of the board.

There was considerable discussion among the different members of the board as to certain changes but Mayor Hocter was inclined to a postponement of any radical acts until later. It is thought that the board will finally escape from the influence of the men who are urging it to use its power in the interests of political expediency.

City Treasurer P. J. Martin and his deputy, E. L. Gustafson, assumed their respective duties yesterday. The day began by the transfer of city money in cash from former Treasurer Gillis to Treasurer Martin. Trips were made to the different banking depositories and the money turned over. Treasurer Martin signed receipts and then replaced the funds back on deposit. Later in the day Treasurer Martin, with Assistant City Attorney S. L. Winters as counsel, went into the work of checking up the office and securities.

Treasurer Martin has given bond for \$200,000 and divided the same among the South Omaha insurance men. Deputy Treasurer E. L. Gustafson also gave a bond of \$10,000 to the treasurer. It will be some days before the work of the office will have been completely checked up, it is thought.

Goods and Service—Every train almost brings something new to Plyn's. You couldn't go any place and find a better class of merchandise than this. We flatter ourselves that the people who trade here are better satisfied with both goods and service than they could by trading anywhere else. Our new addition, which has been a great handicap in bearing completion and we hope to meet you all. John Plyn & Co.

After reading the daily papers yesterday a number of the faithful are groaning themselves for positions under Election Commissioner Harley Moorhead. The fact that Commissioner Moorhead inclines away from the top of the ward politics has so far not cast any shadow in the camp of the plebeians.

Henry W. Bieser died yesterday at the home of his wife, Mrs. Bieser, 1415 North Twenty-fifth street. The deceased was a resident of Rush, Colo., where the body will be shipped as soon as the funeral arrangements have been completed. Henry Bieser was a member of the Elks lodge of Fort-Morgan, Colo.

MANY FARMERS MOVING INTO CHEYENNE COUNTY

Special reports to the Burlington from Cheyenne county indicate that out there the agricultural boom is reaching the acute stage. The agents at Sidney report that at this time sixty tractor engines are in operation in the county, hauling an equal number of eight-bottom plows, with each set turning over twenty-five acres of sod daily.

Since the first of April forty carloads of migrant workmen have been received at Sidney and more than 200 new settlers have located in the vicinity of the town, most of them buying vacant land which they are now improving.

A man living at Auburn, N. Y., had a severe attack of kidney and bladder trouble. Being a working man, not wanting to lose time, he ran up a heavy doctor's bill, he cured himself completely by using Foley Kidney Pills. A year later he says: "It is a pleasure to report that the cure was permanent." He had had no return whatever of the pain, backache and burning. His name is J. A. Farmer, and he says: "Of course, I recommend Foley Kidney Pills as a very effective cure for kidney and bladder trouble." For sale by all dealers everywhere.—Advertisement.

Shaft Unveiled as Tribute to Crager, Founder of Lodge

Tribute was paid to the memory of George H. Crager who died in Omaha, April 8, 1908, yesterday afternoon when nearly 300 members of the grand lodge, Knights of Pythias, participated in unveiling a beautiful monument at Forest Lawn cemetery.

The monument, a large triangular granite shaft, inscribed with an epitaph and the inscriptions of the order, stands on the highest knoll in the cemetery and at the head of the grave wherein lies the body of the man who was honored by it. Embossed at its top with the letters F. C. R., signifying the friendship, charity and benevolence of the lamented leader as well as the spirit of the order, it was pointed out by the speakers as a most fitting memorial to his memory. Beneath these letters is carved a part of the seal of the Pythians and below that, "Erected by the Knights of Pythias of Nebraska in Memory of George H. Crager, who founded the First Pythian Lodge in this West."

The delegates to the convention and the Pythian Sisters stood with bared heads about the monument as the impressive ceremonies and eulogistic speeches were gone through. Grand Chancellor W. W. Young of Nebraska, and Grand Chancellor Benjamin Calloway of Iowa, were the principal speakers at the memorial services, while an invocation and benediction were pronounced by Rev. J. L. Phillips, past grand chancellor, Grand Chancellor Harry E. Siman presided.

In November, 1888, the first Pythian lodge in Nebraska was founded by George Crager. The first meeting was called by him in a building on the site of the Millard hotel in March of that year. The next five lodges in Nebraska were also founded by Crager who was then grand chancellor. He was the first supreme representative.

Redmond Chosen State Deputy by Nebraska Knights

The Knights of Columbus of Nebraska concluded their annual election yesterday and the following men were chosen to serve for one year: Thomas P. Redmond of Omaha, state deputy; C. J. Pass of North Platte, secretary; John T. Biglen of Hastings, treasurer; P. F. O'Garra of Hastings, advocate; Jos Ryan of Creighton, deputy, and Bishop Thien of Lincoln, chaplain. W. E. Straub and A. V. Johnson of Lincoln and Thomas P. Redmond of Omaha were selected as delegates to the national convention, while Frank J. Gerhars of Columbus, James H. Schmidt of Omaha and Frank Colfer of Wymore were the popular choice as alternates to the national convention.

The fifth annual convention was held at the club rooms of the local council, 205 Dodge street. W. E. Straub of Lincoln, retiring deputy, opened the convention, which was attended by the state officers, district delegates and two delegates from each council of the state. Representatives were present from sixteen councils.

Greetings were sent to the Nebraska council from other state councils in convention and from Canada. State Deputy Straub gave a synopsis of the progress of the order in the state during the last year. Rev. W. Wolf of Grand Island, state chaplain, exhorted the delegates to go back to their respective councils imbued with fresh zeal and enthusiasm and arouse their members to fresh energies.

The knights were guests of the Commercial club at a luncheon at noon, which was followed by an auto ride about the city.

Mrs. Longstreet Offered Job by a Union Veteran

WASHINGTON, May 14.—Denied resignation as postmaster at Gainesville, Ga., by the democratic administration, Mrs. Helen Longstreet, widow of the famous confederate general, had been offered a position by a former union soldier. Mrs. Longstreet said today that Colonel Albert A. Boone of Clarkburg, W. Va., had offered her a place in his office at \$5,000 a year. "If I find that I feel fitted to do the work in Colonel Boone's office," she said, "I shall accept the offer."

SHERIDAN MAKING FIGHT FOR LOWER RATES ON COAL

SHERIDAN, Wyo., May 14.—(Special Telegram).—Encouraged by the success of their original suit before the Interstate Commerce commission to compel the Burlington and connecting roads to grant joint rates on Sheridan county coal to points east and west, officials of the chamber of commerce and local operators will ask further concessions from the Milwaukee, Northern Pacific and Northwestern and invite the Great Northern to grant joint rates on a basis similar to that recommended by the commission for adoption by the other roads. Should the demands be refused the chamber will immediately file supplemental complaint asking the commission again to intervene. If the demands are granted Sheridan county coal will be able to compete with the product of eastern mines as far east as the Minnesota and Iowa state lines.

CABLE NOT READ TILL AFTER BREAKFAST TELLS OF RICHES

ST. PAUL, Minn., May 14.—"Never read a cable before breakfast," remarked J. D. Hager, an insurance agent, at an early hour this morning after he had been called from his bed to receipt for a cablegram. He left the unwelcome message unopened and returned to bed. When he read it after breakfast he discovered he had been left a fortune of \$100,000 by the will of a relative in London.

Boy Drowns When His Elder Brother Slays Their Father

SELMA, Ala., May 14.—Seventeen-year-old Jack Bell, while on a fishing trip today shot and killed his father, according to the charge against him at the jail here and then rescued the body of his 8-year-old brother from Buechitto creek. The elder son, it is asserted, had rebuked the father for his attentions to a young woman of the neighborhood in which they fished and was quicker than his father in opening fire when both reached for their weapons. The little boy is said to have fallen into the water and drowned while the father and his first-born fought.

No Hypodermic Needle Used in Neal 3-Day Liqueur Treatment

The old style "drink cure" required from four to seven weeks' time away from business and daily use of the hypodermic needle. The discovery of the NEAL 3-DAY TREATMENT does away with all this loss of time and danger from bad after effects. It is different from all others in these vital points: FIRST: It is a perfectly harmless vegetable remedy, guaranteed to contain no opiate of any kind, strichnine, hyocine, atropine, pilocarpine, or any powerful or injurious drug. SECOND: It is administered internally, no painful or dangerous hypodermic injections being used, hence no danger of blood poison or infection from careless operation. THIRD: It requires only three days to destroy every vestige of appetite, desire or craving for alcoholic liquor in any form. The patient is placed in the same physical condition as he was before taking his first drink.

Drug Addictions

Dr. Neal has perfected the most successful drug treatment yet known. Like his NEAL 3-DAY LIQUEUR CURE, it is an internal treatment, composed of harmless vegetable medicine. From 1 to 3 weeks' is generally sufficient to completely conquer any case of drug addiction. Consultation, advice and booklet free—no obligation.
