sequence a loud and significant call is being made throughout the nation by American citizens who have in response people who have heretofore affiliated to the call of patriotism thrown off parwith the various political parties for a tisan shackles and hoodwinks than that the gambling dens and cesspools of vice purification of political methods, for honest and wise legislation and for the faithful execution of the same when it has become law.

We believe the time has come when the American citizen who is true to the vital principles which underlie our system of government must break away from the political bossism and corrupting intrigue which control the two old parties in national, state and municipal politics. These parties, which in the beginning of their careers served to a American people, because they were controlled by honest and loyal men, have today become the dens in which congregate the political thieves and robbers who infest our national, state and municipal seats of government.

which only popular government can foundation of American liberty, is dis- powers of any dollar coined or issued by the sppearing and the great governmental machine destined by the patriot fathers as a means by which our free and humane institutions should be perpetuated trol of unprincipled men whose ambi- interest of the investors of capital in contion is greater than their patriotism. Nor is the condition less alarming when we take into consideration the fact that vicious and illiterate elements of soclety, mostly under foreign influence, which form a voting contingent suffirecognition.

HOODWINKED BY BAD PROMISES.

We believe that honest citizens, men of the people, by the people and for the tutions. people, have been grossly deceived and nuningly designed platforms and fair manipulators, which platforms and promises have alike been ignored and forgotten when they were no longer needed as a vote-catching bait.

We believe that the time has come when, in justice to ourselves as true stitutions and with respect to the

Platform. CIVIL SERVICE.

police of the complaint of any ten reputable Civil service reform should be extended to citizens who at any time may charge that all grades of public service-town, city, unlawful business of a criminal and decounty, state and nation. Fitness and not partisan nor sectarian service should be the within the city limits, and which would, in case the said officials refuse or neglect to essential tests, fide ity, efficiency and true Americanian the on y sure tenura of office. investigate according to law such charges The spoils system, by which lucrative offices and if sustained shall take measures to are deled out as a reward for un-American abate such unlawful and criminal usl ness certain extent the great mass of the and ecclesiastical support to political part- be sufficient ground for an action in imies, is a dangerous enemy to our institutions peachment of either or both of said city and good government officials.

MONEY.

Money should consist of gold, silver and greenbacks. All paper money should be issued by the government directly to the people in the form of national greenbacks and certificates of deposits issued from ;

We believe that partisan politics is system of postal savings banks, in sums of undermining our institutions to such an \$10 and upward, thus giving the people the extent that the virtue and morality by same advantages now conferred by the government upon national banks. All money issued by the United States should be a full to all patriotic orders; and, subsist are ino longer known quantities legal tender for all debts, both public and among party leaders. This, the very private. The purchasing or debt-paying United States should be made and kept the equivalent of that of any other dollar so oined or issued.

The issuing of interest-bearing bonds and hould be discontinued and bonds that are from generation to generation is being and thus a system which increases the burpublican party have by public utterturned into an engine for their destruc- dens of the people in the interests of the nonances expressed themselves as opposed tion and final overthrow under the con- producing money owners be anated in the to such organizations; and, mercial enterprises and industries.

#### INMIGRATION.

Our immigration law should be so changed and immigration restricted that it will prothese men are backed by the criminal, tect our citizen laborers from the evil influence and unequal competition of pauper and criminal labor, which, through the instrumentality of European propagandist societies and the subtle assistance of their ciently strong to demand and receive ecclesiastical agents here, are rapidly supplementing our free and enlightened Ameri-

lowing sentiments embodied in their can citizens in every line of industry, and declaration of principles, to-wit: by their illiteracy and the superstitious, un-American influence which control them who desire to perpetuate a government are becoming a menace to our liberal instilaws.
