Population of each State and Territory, of all Counties of the United States and of American Cities with over 5,000 Inhabitants.

If special information regarding any Nation, Province, State, City, Town or Village is desired, the knowledge is rarely obtainable from a school geography, which necessarily has only a few general facts and the location of important cities.

Railroad maps are notoriously incorrect and misleading, hence the puzzled truth-seeker, where large libraries are inaccessible, is without relief unless he is the happy owner of a knowledge-satisfying, pleasure-giving People's Atlas.

All Countries on the Face of the Earth are Shown.

Rivers and Lakes are Accurately Located.

Among the illustrations are the following: The Masonic Temple at Chicago (tallest building in the world), the Auditorium Building at Chicago (one of the largest buildings in the world), the Woman's Temple (the handsomest building in Chicago).

Barthold's Statue of Liberty, the White House at Washington, the Great Brooklyn Bridge, Mirror Lake (Yosemite Valley), El Capitan (Yosemite Valley), Waterfall and Cave (New Zealand), Jordan River, Murchison Waterfall (Upper Nile), Pilot Knob (Iron Mountain, Missouri), United States Signal Service (Pike's Peak, Colorado), Giant's Gap (American River Canon, Colorado), Scene in Tropical Florida, Falls of the Rhine, the Matterhorn Mountain (Switzerland), Scenes in and near the City of Peking (China), Island of Juan Fernandez, State Capitals, State Seals, etc., etc.

All the Large Cities of the World, the Important Towns and Most of the Villages of the United States are Given on the Maps.

It gives a Classified List of All Nations, With Forms of Government, Geographical Location, Size and Population.

**Its Special Features Relating to the United States Are:**

The Popular and Electoral Votes for President in 1884, 1888 and 1892 by States. List of All the Presidents, Agricultural Productions, Mineral Products, Homestead Laws and Civil Service Rules. Postal Information, with Domestic and Foreign Rates, and Other Information that should be in every Home, Store, Office and School-room.

Every person who reads the current periodical literature of the day needs a concise, accurate and comprehensive Atlas of the World, for the purpose of geographically locating the stirring events with which the world teems. We live in an age of intelligence—an age of multiplied means for acquiring knowledge—an age that condemns ignorance because of these numerous sources of information so freely and widely diffused. If you wish to keep abreast of the times, by accurately locating in your mind every violent upheaval of the earth, the march of contending armies where war exists, the progress of scientific explorers in unknown lands, or the happenings and accidents constantly agitating every part of the world, you should have at hand a copy of the "People's Atlas of the World." Never before has so valuable an Atlas been offered at so low a price.

**Weak, Irritable, Tired**

"Was No Good on Earth."

Dr. Miles' Nervine strengthens the weak, builds up the broken down constitution, and permanently cures every kind of nervous disease.

"About one year ago I was afflicted with nervousness, sleeplessness, creeping sensation in my legs, slight palpitation of my heart, distracting confusion of the mind, nervousness or lapse of memory. Weighted down with care and worry. I completely lost appetite and felt my vitality wearing out. I was weak, irritable and tired. My weight was reduced to 160 lbs. In fact I was no good on earth.

A friend brought me Dr. Miles' book, "New and Startling Facts," and I finally decided to try a bottle of DR. MILES' Restorative Nervine. Before I had taken one bottle I could sleep as well as a 10-year-old boy. My appetite returned greatly increased.

When I had taken the sixth bottle my weight increased to 170 lbs. The sensation in my legs was gone; my nerves steadied completely; my memory was fully restored. My brain seemed clearer than ever. I felt as good as any man on earth. Dr. Miles' Restorative Nervine is a great medicine. I assure you."

Augusta, Me. WALTER R. BERBANK.

Dr. Miles' Nervine is sold on a positive guarantee that the first bottle will benefit. All druggists sell it at \$1.00 per bottle, or it will be sent, prepaid, on receipt of price by the Dr. Miles Medical Co., Elkhart, Ind.

**LOYAL ORANGE INSTITUTION**

OF THE United States of America.

FRANCIS C. CAMPBELL, M. W. G. M., Minneapolis, Minn. ROBT. W. JOHNS, N. S. Supreme Secretary, Troy, New York. M. L. ZOOK, 1615 Howard Street, Omaha, Neb., Organizer for department of Nebraska, Iowa, Kansas, Missouri and Colorado.

**ORANGE PRINCIPLES.**

On behalf of the Loyal Orange Lodge of the United States of America, and with a view of correcting the false impression that enemies are endeavoring to convey to the minds of men who are unacquainted with Orange principles, are these few statements made:

The Loyal Orange Institution is a brotherhood and sisterhood, bound by three ties—Justice, Truth and Righteousness. It has no hidden aims.

It is Fraternal and Benevolent—assisting and protecting members while living and their widows and orphans when they are removed by death.

It upholds the right of private judgment—the untrammelled freedom of opinion; believes the public schools are an essential safeguard of the state, and should be kept free from ecclesiastical or sectarian control and that persons disloyal to the government should hold a mental allegiance to the pope of Rome—should be rigorously excluded from teaching therein.

It believes primary allegiance is due to the government which protects the lives, liberties and properties of its citizens, and that ecclesiastical authority should not under any circumstances, be permitted to meddle in the affairs of state, and that coercion of citizens in the exercise of his or her right of franchise, under the guise of religious or spiritual authority should be punished as a crime against the state.

That it is the duty of every citizen to defend the lawfully constituted authority and institutions of his country against corrupt and inimical influences, as well as against armed assaults, to the end that our glorious freedom be protected and transmitted unimpaired to posterity.

It encourages habits of frugality and industry among its members, and is proud to boast that Orangemen seldom become a public charge or accept pauper's bread.

It believes in the restriction of immigration and the extension of time for the naturalization of citizens, and that the public schools should be held for actual American citizens who become settlers.

The Loyal Orange Institution of the United States of America has certain requirements for membership:

That a man shall be an actual American citizen, having complied with the laws of the United States with regard to naturalization, and with no reservations.

That the applicant shall be a Protestant, and also that his parents and wife shall be Protestants.

That he shall be thrifty and successful in his business; honorable and truthful in his dealings with his fellowman, and shall be known as a law-abiding citizen.

That he will endeavor to give his children or any children under his charge at least a good common school education, being careful to avoid all pagan doctrines, and

That he shall be in sound health at the time of making application.

There shall be no difference where a man was born, so long as he meets the foregoing requirements.

These are the qualifications required of every applicant to the order, and we do not think that any patriotic American order can offer a better array of principles and teachings.

**J. O. U. A. M.**

**A Loyal, Patriotic Organization, Fraternal and Beneficial, Strictly Non-Partisan and Non-Sectarian.**

**DECLARATION OF PRINCIPLES.**

The National Council of the Junior Order of United American Mechanics in annual session assembled declares:

That the constant landing upon the shores of the shores of ignorant, vicious and lawless criminals of the Old World should be viewed with alarm by the loyal and patriotic citizens of this country.

We affirm a warm and hearty welcome to all immigrants who desire to better their condition and become a part and parcel of our nationality; but we have not one square inch of room for the anarchist, the socialist or nihilist, or for any one who is not willing to bear allegiance to that flag which is powerful enough to shield and protect them as well as us in the exercise of all civil and religious liberties.

We affirm our devotion to the public school system of this country. We believe in compulsory education, and that all teaching in our schools should be in the English language, to the end that future generations may be able to take their place in the ranks of our country's workers, educated in the history, the customs and manners of Americans.

We guarantee to every man the liberty of worshiping God according to the dictates of his own conscience, and would give every assistance to protect all in the exercise of his liberty, but we object most strenuously to any restriction of any church, no matter under what name it may exist, in the temporal affairs of this country.

We believe that the Bible should be read in our public schools; not to teach sectarianism, but to inculcate its teachings. It is the recognized standard of all moral and civil life; and we therefore believe that our children should be educated in its teachings, but that no dogma or creed should be taught at the same time.

We believe that patriotism and love of country should be instilled into the hearts of children, and that, with the words of "Mother" and "Home" and "Heaven" our children should be taught that our flag is the symbol of all that makes a "home" for us. We would place a flag upon every public school in our land, and a Bible within, and the object lesson therein set forth should be a beacon light in every storm which threatens to engulf us.

In this noble and patriotic work we ask the cordial and hearty co-operation of all good citizens. In this grand work we need the help of every patriotic organization, holding the same views and principles. We have no time for jealousies and bickerings, but with a united front we should march forward, shoulder to shoulder, remembering that "United we stand, divided we fall."

In the strictest sense we are a national political organization, but we oppose with unanimity the slightest taint of partisanship. "Our country" is our motto, and we keep this motto steadily before us. We are cognizant that there are great and powerful enemies within our midst, requiring the strictest surveillance of all who are at heart, word and in deed Americans. We, as members of this Order, affirm our allegiance to any particular affiliation, and urge upon the membership harmonious, united and intelligent action in carrying out the principles.

**OBJECTS OF THE ORDER.**

First—To maintain and promote the interests of Americans, and shield them from the depressing effects of foreign competition.

Second—To assist Americans in obtaining employment.

Third—To encourage Americans in business.

Fourth—To establish a sick and funeral fund.

Fifth—To maintain the public school system of the United States of America, and to prevent sectarian interference therewith, and uphold the reading of the Holy Bible therein.

**THE QUALIFICATIONS FOR MEMBERSHIP.**

Require that an applicant shall be: A white male person born in the United

States of North America, or under the protection of its flag.

Of good moral character. A believer in the existence of a Supreme Being as the Creator and Preserver of the Universe.

Apposed to any union of church and state. Favorable to free education and the American Public School system. Between 18 and 30 years of age for beneficial membership; over 50 years for honorary membership.

The word "Junior" in the title has no relation to the age of members. It was adopted to distinguish the Order from the O. U. A. M. and has no other significance. Nor in the word "Mechanic" to be construed literally. It refers in no manner to artisans, but embraces every pursuit.

**ORGANIZERS WANTED.** We want a Council of the J. O. U. A. M. in every city, town and village in the United States.

The leading American patriotic and beneficial organization, and the strongest and one of the oldest, confined to native-born.

It is only necessary to make its objects, principles and workings known to easily secure enough charter members to start a Council. A liberal premium will be paid to any one organizing a Council. For full particulars address:

**UNITED AMERICAN MECHANICS.**

**Its Organization and Principles—How to Become a Member.**

We would respectfully call your attention to the fact that there is in this city a council of the Order of United American Mechanics, to which we would be happy to have you give a moment's thought, and if favorably impressed, would like your name proposed for membership.

The Order of United American Mechanics was organized in Philadelphia on the 15th day of July, 1845. Its first inception was for the protection of Mechanics and Workingmen alone, and for a number of years none but operative mechanics and workmen were admitted to its membership; but the great interests of principles involved in its existence caused a departure from that plan, and the Order has for years existed and exists today as an order of speculative mechanics, recognizing every one possessed of the birth requirements, who works for a maintenance either by hand or brain or both as eligible to membership, and numbers among its members men of every profession, and calling in life.

The objects of this order are to assist each other in obtaining employment; to encourage each other in business; to establish a sick and funeral fund; to establish a fund for the relief of widows and orphans and to aid members; and to aid members who, through Providence, may be incapacitated from following their usual vocations, in obtaining situations suitable to their afflictions. The membership of this order is composed of white male citizens born in the United States, or under the protection of its flag. This order has existed for nearly fifty years, and is at present, rapidly spreading throughout the United States. As an American born, and having the welfare of yourself and family at heart, as well as that of the nation at large, we would most heartily invite you to become a member of the U. A. M., as it is the only Order in existence founded especially to promote the interests, elevate the character and secure the happiness of the American mechanic and business man.

It therefore appeals to the head and heart of him who wields the pen as well as to him who swings the sledge or wields the sledgehammer of the mechanic. In its councils, a free discussion of principles relating to the fostering and care of the interests of individual members is permitted; but nothing of a political or sectarian character is ever allowed to be discussed. It has no affiliation with such institutions as Trades Unions, Knights or Labor, Sovereigns of Industry, or the like, and desires not to control either capital or labor, as it would be doing a gross injustice to many of its members, who are taken from both classes. The membership of the Order is scattered from Maine to California, and from all points co-oes the glorious news that the Order is gaining great strength in all jurisdictions.

An endowment branch is also, connected with the Order, both national and state, which insures those who seek its benefits, enabling them to leave a sum, which is in all cases substantially and promptly paid, to the dear ones, when death marks its members for its own.

It seems very strange indeed that the American does not feel inclined to become so peculiarly national in his ideas and associations as do the English, French, German, Irish, and other nationalities. Each and all of the foregoing have their peculiar national organizations, and take pride in same. But the American joins order after order, composed of a mixture of nationalities, and lets his own countrymen severely alone in the matter of secret and fraternal societies.

We would not belittle any of the existing secret beneficial associations. Far from it. They are a power for good in the community. But we do ask him who is to the manor born to turn his thoughts to home and native land, so that he can join in the glad refrain:

"Thou art my native land,  
I own thy fostering hand;  
Though far from thee I roam,  
Still thou art my home."

Americans, we of this Brotherhood appeal to you to aid us in this work we are now carrying on. You must either be for us against us. Choose quickly and let us show to the country that we firmly believe in American principles, American industry, American protection and American government. Strikes riots and boycotting are terms too harsh to be applied to American Mechanics. Bonded together by promptings of patriotic affection, may this Order grow and progress, until every man who calls himself American can stand up and say in all sincerity, I own no man as master of my actions.
