

THE NEW DAILY SCHEME.

The friends at Omaha are trying to raise sufficient capital to start an American daily. They already have a fair start, but desire the assistance of friends everywhere in the United States.

In answer to repeated requests we have finally consented to undertake the task of starting a DAILY AMERICAN in Omaha. This would be an easy thing to do if people were to act as they talk.

We have consulted with our friends, and they have suggested this plan: Increase the capital stock of the American Publishing Co. to \$150,000.

Subscription price of the paper, first year, will be \$10; \$8 the second, and whatever the directors decide thereafter.

The management of the company will be placed in the hands of a board of directors, who will be elected from among the stockholders by a majority of the stock represented at the regular annual meeting.

The indebtedness will not be over 40 per cent of the capital stock at any time.

If you want to help establish a DAILY AMERICAN, fill out and return to this office the following blank, keeping this statement as our part of the contract:

On demand, after \$100,000 of the capital stock of the AMERICAN PUBLISHING COMPANY has been subscribed, I agree to pay to the AMERICAN PUBLISHING COMPANY, or order, the sum of \$..... Dollars, being the purchase price of..... Shares of the capital stock of the AMERICAN PUBLISHING COMPANY, of Omaha, Neb.

Also, please fill out the following blank for our information, as we do not want to have a Romanist associated with us in business:

I hereby state and make this a part of my contract with the AMERICAN PUBLISHING COMPANY; That I am a Protestant; that I belong to the following secret societies:..... I am not the agent of a Roman Catholic or of any person who sympathizes with the fight being made by the pope and the hierarchy against the free institutions of this country.

been spoken for in the scheme to get up a patriotic daily paper in Omaha:

Table listing names and shares: Omaha, Neb. 1,750 shares; Chicago, Ill. 500 shares; Brownsville, Neb. 100 shares; Waverly, Neb. 100 shares; Boone, Ia. 100 shares; Minneapolis, Minn. 100 shares; Florence, Neb. 100 shares; Kansas City, Mo. 100 shares; Laramie, Wyo. 100 shares; Marion, Ohio 100 shares; Des Moines, Ia. 100 shares.

There are to be 10,000 shares. Each share is \$15, payable when \$100,000 has been subscribed. The capital stock is to be \$150,000. How many shares will you want? Let us have a daily.

Ready to be Counted.

KANSAS CITY, Mo., Oct. 1.—Enclosed clipping from the paper filled out to support merchants who show their colors for American issues. I think it is the right thing. I am not an A. P. A., for the reason that I am too old a man to attend the meetings.

Americans, now is the time to act! The Irish move and the pope's god (which you have contributed) work in many ways secretly. Oh, how they hate American secrecy!

I am for the American flag, and no other flag, to float over American soil; for stopping all pauper immigration; for allowing no one to hold office that owes allegiance to any foreign power.

ORANGE PRINCIPLES.

On behalf of the Loyal Orange Lodge of the United States of America, and with a view of correcting the false impression that we are endeavoring to convey to the minds of men who are unacquainted with Orange principles, are these few statements made:

The Loyal Orange Institution is a brotherhood and sisterhood, bound by three ties—Justice, Truth and Righteousness. It has no hidden aims.

It is Fraternal and Benevolent—assisting and protecting members while living and their widows and orphans when they are removed by death.

It upholds the right of private judgment—the untrammelled freedom of opinion; believes the public schools are an essential safeguard of the state, and should be kept free from ecclesiastical or sectarian control and that persons disloyal to the government—who hold a mental allegiance to the pope of Rome—should be rigorously excluded from teaching therein.

It believes primary allegiance is due to the government which protects the lives, liberties and properties of its citizens, and that ecclesiastical authority should not under any circumstances, be permitted to meddle in the affairs of state, and that coercion of a citizen in the exercise of his or her right of franchise, under the guise of religious or spiritual authority should be punished as a crime against the state.

That it is the duty of every citizen to defend the lawfully constituted authority and institutions of our country against corrupt and inimical influences, as well as against armed assailants, to the end that our glorious freedom be protected and transmitted unimpaired to posterity.

It encourages habits of frugality and industry among its members, and is proud to boast that Orangemen seldom become a public charge or accept pauper bread.

It believes in the restriction of immigration and the extension of time for the naturalization of citizens, and that the public lands shall be held for actual American citizens.

The Loyal Orange Institution of the United States of America has certain requirements for membership: That a man shall be an actual American citizen, having complied with the laws of the United States with regard to naturalization, and without a mental reservation.

That the applicant shall be a Protestant, and also that his parents and wife shall be Protestants.

That he shall be thrifty and successful in his business; honorable and truthful in his dealings with his fellowman, and shall be known as a law-abiding citizen.

That he will endeavor to give his children or any children under his charge at least a good common school education, being careful to avoid all popish doctrines, and that he shall be in sound health at the time of making application.

It makes no difference where a man was born, so long as he meets the foregoing requirements.

These are the qualifications required of every applicant to the order, and we do not think that any patriotic American order can offer a better array of principles and teachings.
