#### What C. A. Potter Says.

OMAHA, Neb., Aug. 31, 1895 .- The Howard Medicine Company.-Gentlemen: I desire to say to all who feel the strength of their manhood slowly slipping away, whose ambition is at its lowest ebb, whose mind is beclouded, and the senses dulled, when you feel dyspeptic, and lose your self-respect, that your blood is out of order, and all you need is some of Howard's Vegetone tem; you will feel the old-time grip in your hands; your mind will be as active as ever; your friends will observe the flag of health flying in your face, and you will feel like a new being. I have not felt so well for five years as I do since taking one package of your Blood Powder, and I feel as strong and active as ever. I weigh 15 pounds more than ever in my life. The change is so marked that it is the subject of comment when meeting my friends. I recommend Howard's Vegetone Blood Powder to be, as I believe, the greatest

blood-purifier on earth. C. A. POTTER.

ORANGE PRINCIPLES.

the United States of America. and with a age and occupation, and direct to box 521 view of correcting the false impression that enemies are endeavoring to convey to the minds of men who are unacquainted with Orange principles, are these few statements

The Loyal Orange Institution is a brotherhood and sisterhood, bound by three ties-Justice. Truth and Righteousness. It has no hidden aims

It is Fraternal and Benevolent--assisting and protecting members while living and their widows and orphans when they are removed by death.

It upholds the right of private judgmentthe untrammelled freedom of opinion; believes the public schools are an essential safeguard of the state, and should be kept free from ecclesiastical or sectarian control and that persons disloyal to the government -who hold a mental allegiance to the pope of Rome-should be rigorously excluded from teaching therein.

It believes primary allegiance is due to the government which protects the lives, liberties and properties of its citizens, an that ecclesiastical authority should not under any circumstances, be permitted to meddle in the affairs of state, and that coercion of a citizen in the exercise of his or he right of franchise, under the guise of religious or spiritual authority should be punished as a crime against the state.

That it is the duty of every citizen to defend the lawfully constituted authority and institutions of our country against corrupt and inimical influences, as well as against armed assailants, to the end that our glorious freedom be protected and transmitted

unimpaired to posterity. It encourages habits of frugality and in dustry among its members, and is proud to boast that Orangemen seldom become s public charge or accept pauper bread.

It believes in the restriction of immigration" "d the extension of time for the naturaligation of citizens, and that the public and shall be held for actual American citisens who become settiers.

The Loyal Orange Iustitution of the United States of America has certain requirements for membership: That a man shall be an actual American

citizen, having complied with the laws of the United States with regard to naturalization, and without a mental reservation. That the applicant shall be a Protestant, and also that his parents and wife shall be

Protestants. That he shall be thrifty and successful in his business; honorable and truthful in his dealings with his fellowman, and shall be

known as a law-abiding citizen.

That he will endeavor to give his children or any children under his charge at least a good common school education, being careful to avoid all popish doctrines and.

That he shall be in sound health at the time of making application.

It makes no difference where a man was born, so long as he meets the foregoin exputrements.
