

CITY AND STATE

All roads lead to Omaha in 1898. R. A. Hawley of Lincoln was in Omaha Monday of this week.

Hon. Paul Van Dervoort, who has been very sick for two weeks is almost well again.

The Travelers Protective association voted to hold their biennial meeting in this city in 1898.

The Nebraska delegation to the St. Louis convention will leave Omaha Saturday afternoon.

The Loup River valley was visited by a severe storm Sunday evening and considerable damage was done to property along that river.

South Omaha now licenses gambling in spite of the state law prohibiting it. There are said to be sixty gambling houses in operation there.

The special service which was to have been held in Y. M. C. A. Hall Sunday afternoon will not be held owing to the fact that the Juniors will arrive one day earlier than anticipated.

The merchants of Omaha are a jubilant lot of fellows since the passage of the Omaha exposition bill. They all seem to be of one opinion that it will give business interests a new impetus.

Peter Johnson was accidentally struck by an F. & M. V. train while crossing the tracks at Mascot Station, South Omaha, Wednesday night and killed. Johnson was going home in an intoxicated condition.

Our friend H. C. Henry Jaacks of the fire department was married Wednesday to Miss Mary B. Halbrook. They have the best wishes of THE AMERICAN force for a long and pleasant voyage on the matrimonial sea.

The judges of the district court expect to close up the business of the present term about the 25th of this month. There will be no further business done before the autumn term, except by special arrangement between the parties.

W. K. Potter, receiver of the defunct Nebraska Savings and Exchange bank, has sued the stockholders of the institution for the original face value of the stock—\$100 per share. The suit is based upon the original unpaid subscriptions of stock.

The criminal court room in this city presented rather a novel appearance Monday before Judge Baker arrived. At the long tables in front of the court's chair sat a dozen or more of the jury engaged in a social game of high-five.

Attorney James W. Carr left for Cleveland, Ohio, today where he goes to attend the session of the supreme lodge of the United States of the Ancient Order of United Workmen. He expects to return about the 25th.

There will be a high-five party and dance at Eagle Hall, Fourteenth and Dodge streets, Monday evening, June 15, 1898, under the auspices of Belle Kemper council, No. 6, W. A. P. A. Tickets 25 cents. Refreshments will be served. Everybody will be welcome.

THE AMERICAN and citizens of Omaha generally are well pleased with the work of Congressmen Mercer, Hainer and Andrews, and Senator Allen, who bravely stood up for Omaha and Nebraska in securing the passage of the Trans-Mississippi Exposition bill.

Mr. Leroy J. Corliss of the Waterloo Creamery association was married to Miss Jennie A. Reed, Wednesday, June 10, 1898, at the home of the bride in Happy Hill. About twenty-five friends of the young couple were present and witnessed the ceremony, and unlike with us in wishing them bon voyage.

Something like three weeks ago we got an underground message to the effect that D. I. Hayden, the contractor and builder, had a new boy at his house, but through carelessness we failed to note the fact in these columns. Yesterday we met D. I. and he said the young man was almost big enough to take charge of the shop.

The fourth annual meeting of the Harrison club was held last Sunday at Bennington. There were twenty-six members present, and twelve new names enrolled. H. C. Timms was elected president, Henry Kelsey treasurer, and H. Pyburn secretary. The last named gentleman was made chairman of the executive board. The club endorsed E. E. Balch, G. R. Williams, Isaac Noyes, Richard Smith and Joseph Crow for the positions they are seeking.

On Thursday evening, at the residence of the bride's sister, Mrs. J. Lincoln Baker, No. 3853 Seward street, Omaha, our friend, Charles E. Winter, was united in marriage to Miss Augusta P. Hutchinson, also of this city. Mr. Winter, is clerk of the county court and as president of the Young Men's Republican Club, is well and favorably known throughout the city, and especially among the members of the bar of Douglas county, to which he was recently admitted and welcomed as a worthy and promising member, having already a well-earned reputation as a writer and an orator. In his bride Mr. Winter is most fortunate. She is a young lady of superior qualities, of many accomplishments, and will prove herself a true helpmate.

Among the many guests present were: Eugene Moore, state auditor; A. S. Churchill, attorney general; Mr. and Mrs. Howard B. Payne, Mr. and Mrs. Beemer, of Beemer, N. Y.; Mrs. William Winter and Miss Lena Winter, of Wymore; Dr. F. W. Winter and wife, of Wymore; Mr. and Mrs. A. E. Winter, of Blue Rapids, Kas.; Mr. and Mrs. E. N. Kauffman, of Wymore; and Rev. John C. Willits and wife, of Fort Madison, Ia. The presents were numerous and beautiful.

CONGRESSMAN MERCER of Nebraska, may have lacked nerve last fall when a bitter factional fight was on in his own town, but he has had nerve enough to cast his vote in congress against sectarian appropriations and in favor of a bill restricting immigration. Even the devil will get his dues through this paper.

"Mid-Summer Carnival"—Special Excursions.

On June 20th, 21st and 22d and June 30th and July 1st, the Denver & Rio Grande and Colorado Midland Railroads, in connection with the Rio Grande Western Railway, (Great Salt Lake Route) will make the VERY LOW RATE of \$20.00 FOR THE ROUND TRIP, DENVER TO SALT LAKE CITY, tickets good 20 days from date of sale, with transit limit of 5 days in each direction and permitting of stopovers at intermediate points within that limit. By special arrangement these tickets permit of choice of several routes going and returning, that is, the same line in both directions, or the D. & R. G. broad gauge in one direction and the narrow gauge line in the opposite direction, or the Colorado Midland in one direction and either the broad or narrow gauge line of the D. & R. G. in the opposite direction, thus enabling the holder to view the grandest of all the Rocky mountain scenery as well as the unique and varied attractions to be found in and adjacent to Salt Lake City.

For further information apply to F. A. Wadleigh, G. P. A., R. G. W. Ry., Salt Lake City, or call at "Utah Bureau of Information," Brown Palace hotel, Denver.

But Will Take What We Can Get.

The matter of foreign immigration is one that needs prompt attention and instead of the bill being passed in the senate that has lately passed the Republican house, which only provides for the ability of the immigrant to read and write in any language, it should be amended to require all those coming to remain to be able to read and write the English language and have sufficient funds to maintain themselves and family for at least one year. The hard times has not stopped the flow of foreign immigration to our shores, for in 1895 the steerage passengers brought here exceeded the number of 1894 by 70,000, making a total of 371,593 steerage passengers for last year. The day of high wages is gone in this country and the chances for the betterment of the wage scale is lessened every day. Shut the gates. Olympia Capital.

Are Winning.

MINNEAPOLIS, Minn., June 9.—A new departure has been made by some of the Minneapolis papers. A. P. A. defending articles are allowed space in their columns. Heretofore none but the editors have aired their views. Hundreds of choice articles have been consigned to the waste-basket. Lately two articles appeared in the Journal and one in the Times, something new for Minneapolitans to see.

The above is noticable elsewhere, but it is also noticable that when newspapers first become liberal they have a mean way in its connection. They dislike to "give in" as it were. They garble the grammar of their contributors. But we are glad to see the change. Step by step the sentiment of the A. P. A. is gaining ground and if we are persistent and gentlemanly in our arguments we will win the day. We will also win the respect of our enemies among the press editors. ZAMBOT

UTAH—THE 45TH STATE.

The Homeseeker's Promised Land.

The territory of Utah entered the Union of States on January 4th, 1896, with a population of about 200,000 people and a climate unsurpassed in the wide world. It is richer in agricultural resources than any other state. It has within its borders nearly all of the known minerals and metals—gold, silver, copper, iron, tin, etc., in abundant quantities. It has, best of all, a health-giving climate, always temperate in summer and in winter. It has hot sulphur springs, and is in fact one large sanitarium. Utah is the ideal place to build a home in which to spend the balance of your days, surrounded by farm and orchard which guarantee all the necessities and most of the comforts of life. There are millions of such homes now awaiting settlement. Send to F. A. Wadleigh, Salt Lake City, for copies of Utah pamphlets. It will pay you to post yourself on the merits of the new state, which has been amply termed "The Promised Land."

What relatives of my Patients Have To Say. One of My Great Cures During The Month of October, 1895.

Read the following convincing testimonial from two prominent Omaha Citizens:

Judge Isaac S. Hascall and E. F. Williams have this to say. We consider Dr. C. Gee Wo. of 519 North 16th St., Omaha, Neb., one of the best physicians in the city for the following reasons: Four years ago district doctor became very nervous and at times sick and unable to control himself. We doctored with and consulted nine of the leading physicians of the city but she gradually grew worse, until on the 7th of October, 1895, she was attacked with spasms. She was unconscious and delirious for weeks following the attack, and at a consultation of physicians they agreed that she could not get well. We then employed Dr. C. Gee Wo., and the patient began to improve at once, and in a remarkably short time was up. She is feeling better than she has for a long time. She is improving every day and looks fair to get entirely well. R. F. WILLIAMS, Father, ISAAC S. HASCALL, a near Relative, 2105 S. 13th St.

EX-CONSTABLE S. B. CLARK, office 319 S. 14th St., says: I can't say too much for Dr. C. Gee Wo. My little boy and girl had diphtheria and other physicians said they could not recover. I then called in Dr. C. Gee Wo., and in less than 24 hours they were out of danger. He cured myself of Laryngitis and general debility, and my wife of inflammation of the bowels and female weakness, from which she had suffered many years. I can't thank him enough for what he has done in my family. S. B. CLARK AND WIFE.
