THE PROMISED LAND,

Why the Tourist, Traveler and Student Should Visit Utah.

There are two reasons, either one of every American citizen.

First:-The trip from Denver to Utah via Rio Grande Western, "Great Salt Lake Route," is the grandest to be Dr. Kay's Lung Balm and throat disease found anywhere on the continent. No European trip of equal length can compare with it in variety and grandeur of scenery and wealth of novel interest.

Second:-You should go because, when you have made this wonderful trip, you will find Utah at the end of it-Utah, one of the world's famous spots, and a land of gold, silver, copper, iron and coal; of lofty mountains and fertile vaileys; of vineyards, fruits and flowers. Salt Lake City, the capital, is of great interest on account of its historical and religious associations. Here are Hot Thermal Springs, Warm Springs, Sulphur Springs, Sanitarium, Parks, Drives, Canyons and the most healthful climate on earth. Great Salt Lake, with the new and beautiful Saltair Beach Resort, of Moorish design, has no equal in America. Write to F. A. Wadleigh, Salt Lake City, for copies of pamphlets, etc.

UTAH-THE 45TH STATE.

The Homeseeker's Promised Land. The territory of Utah entered the Union of States on January 4th, 1896, with a population of about 200,000 people and a climate unsurpassed in the wide world. It is richer in agricultural resources than any other state. It has within its borders nearly all of the known minerals and metals-gold, silver, copper, iron, tin, etc., in abundant quantities. It has, best of all, a health-giving climate, always temperate in summer and in winter. It has hot sulphur springs, and is in fact one large sanitarium. Utah is the ideal place to build a home in which to spend the balance of your days, surrounded by farm and orchard which guarantee all the necessities and most of the comforts of life. There are millions of such homes now awaiting settlement. Send to F. A. Wadleigh,
