**Atlas of the World**

Especially prepared to meet the wants of Farmers, Merchants, Mechanics, Clerks, Students, Women, and all who desire a complete work at the minimum cost.  
Nearly 70 Comprehensive Maps.  
140 New and Superb Illustrations.  
A Whole Library of Itself, of vital and absorbing interest to every member of the household.  
Population of each State and Territory, of all Counties of the United States, and of American Cities with over 5,000 Inhabitants.

IT CONTAINS much special information regarding any Nation, Province, State, City, Town or Village desired. The knowledge is rarely obtainable from a school geography, which necessarily has only a few general facts and the location of important cities.  
Railroad maps are notoriously incorrect and misleading, hence the puzzled truth-seeker, where large libraries are inaccessible, is without relief unless he is the happy owner of a knowledge-satisfying, pleasure-giving People's Atlas.  
All Countries on the face of the earth are shown.  
Rivers and Lakes are accurately located.  
All the large Cities of the World, the important Towns and most of the Villages of the United States are given on the Maps.  
It gives a classified List of all Nations, with Forms of Government, Geographical Location, Size and Population.

**PILGRIMAGE TO ST. ANNE.**

Many From Chicago Attend the Feast of the Saint in Kankakee County.  
KANKAKEE, Ill., July 27.—The annual pilgrimage to the shrine of St. Anne, in the village of that name, in this county, took place to-day. Fifteen hundred people came from Chicago on an excursion given under the auspices of the Church of Notre Dame. Several hundred from this city attended the celebration of the feast to-day. St. Anne is the patron saint of the sick, the helpless and the crippled. The church, or more properly speaking, the cathedral, of St. Anne de Beaupre is located twenty miles from Quebec, and is an edifice of great age. Thousands of pilgrims visit this shrine of the saint annually, and many miraculous cures are reported. A portion of the church is piled high with the crutches of those who claim their faith and devotion have made them whole.  
What the church of St. Anne de Beaupre is to Canadians the shrine of the mother of Virgin Mary at the quaint little village of St. Anne is to the people of this section of the state. Father Bergeron of Notre Dame, Chicago, instituted the pilgrimage of St. Anne eight years ago. Originally confined to the parish of Notre Dame, every parish in Chicago, regardless of nationality, now sends its contingents. The number of pilgrims, especially from Chicago, is increasing every year. A small piece of the wrist-bone of the saint, taken from the larger relic at the Quebec cathedral, is at St. Anne. The excursion from Chicago arrived at 10 o'clock this morning. A procession was formed of the various societies and pilgrims from the depot to the church.  
High mass was sung, and there was preaching in French and English. Father Bernard of St. Anne was the principal speaker. An important feature was the veneration of the relic. The multitude was fed in a grove belonging to the church. The relic of St. Anne is regarded with much veneration in this vicinity. Many wonderful cures of epilepsy are recorded.

The Law and Order League and the impartial (?) police force of this city prevented the delivering of a patriotic sermon on January 5th, maintaining that it was a violation of law to open a licensed house on the Sabbath day. Two weeks previous the Leland was used by the "Sisters" of the Dominican Convent with an admission fee of fifty cents. This was lawful. Rome has always used it on Sunday without it being considered unlawful. Now she is allowed to have

Union Hall is a licensed house, yet Rome can have a variety entertainment there every Sunday evening, charging twenty-five cents admission, without interference from police or Law and Order League.  
Is this justice?  
These are the outrages that have given to the country the A. P. A. and kindred societies.

**THE PROMISED LAND.**  
Why the Tourist, Traveler and Student Should Visit Utah.  
There are two reasons, either one of which ought to be conclusive with every American citizen.  
First.—The trip from Denver to Utah via Rio Grande Western, "Great Salt Lake Route," is the grandest to be found anywhere on the continent. No European trip of equal length can compare with it in variety and grandeur of scenery and wealth of novel interest.  
Second.—You should go because, when you have made this wonderful trip, you will find Utah at the end of it—Utah, one of the world's famous spots, and a land of gold, silver, copper, iron and coal; of lofty mountains and fertile valleys; of vineyards, fruits and flowers. Salt Lake City, the capital, is of great interest on account of its historical and religious associations. Here are Hot Thermal Springs, Warm Springs, Sulphur Springs, Sanitarium, Parks, Drives, Canyons and the most healthful climate on earth. Great Salt Lake,

with the new and beautiful Saitair Beach Resort, of Moorish design, has no equal in America. Write to F. A. Wadleigh, Salt Lake City, for copies of pamphlets, etc.  
**\$200.00 IN GOLD GIVEN.**  
Of Special Interest to Students and Teachers.  
R. H. Woodward Company, of Baltimore, Md., are making a most liberal offer of \$200.00 to anyone who will sell 200 copies of "Gems of Religious Thought," a new book by Talmage. This is one of the most popular books ever published. Three editions sold in 60 days. Agents sell 10 to 15 copies a day. An Estey organ, retail price \$270, given for selling 110 copies in 3 months. A \$100 bicycle given for selling 80 copies in 2 months. A gold watch for selling 60 copies in one month. This premium in addition to commission. Complete outfit 35 cents. Freight paid. Credit given. Agents wanted also for "Talks to Children About Jesus." One hundred and fifty thousand copies sold, and it is now selling faster than ever. Same terms and conditions as on "Gems of Religious Thought." Other popular books and Bibles also. They offer special and most liberal rates to students and teachers for summer vacation. During last summer a large number of students and teachers canvassed for their books. Among the list there were 23 who made over \$200, 57 who won the \$200 premium, and 78 made over \$150 for their summer work. Write them immediately.

**UTAH—THE 45TH STATE.**  
**The Homeseeker's Promised Land.**  
The territory of Utah entered the Union of States on January 4th, 1896, with a population of about 200,000 people and a climate unsurpassed in the wide world. It is richer in agricultural resources than any other state. It has within its borders nearly all of the known minerals and metals—gold, silver, copper, iron, tin, etc., in abundant quantities. It has, best of all, a health-giving climate, always temperate in summer and in winter. It has hot sulphur springs, and is in fact one large sanitarium. Utah is the ideal place to build a home in which to spend the balance of your days, surrounded by farm and orchard which guarantee all the necessities and most of the comforts of life. There are millions of such homes now awaiting settlement. Send to F. A. Wadleigh, Salt Lake City, for copies of Utah pamphlets. It will pay you to post yourself on the merits of the new state, which has been amply termed "The Promised Land."

**What C. A. Potter Says.**  
OMAHA, Neb., Aug. 31, 1895.—The Howard Medicine Company.—Gentlemen: I desire to say to all who feel the strength of their manhood slowly slipping away, whose ambition is at its lowest ebb, whose mind is beclouded, and the senses dulled, when you feel dyspeptic, and lose your self-respect, that your blood is out of order, and all you need is some of Howard's Vegetone Blood Powder to tone up your system. It will act almost instantly upon the blood; you will feel the renewed life and vigor coursing through your system; you will feel the old-time grip in your hands; your mind will be as active as ever; your friends will observe the flag of health flying in your face, and you will feel like a new being. I have not felt so well for five years as I do since taking one package of your Blood Powder, and I feel as strong and active as ever. I weigh 15 pounds more than ever in my life. The change is so marked that it is the subject of comment when meeting my friends. I recommend Howard's Vegetone Blood Powder to be, as I believe, the greatest blood-purifier on earth.  
C. A. POTTER.
