THE PROMISED LAND.

Why the Tourist, Traveler and Student Should Visit Utah.

There are two reasons, either one of which ought to be conclusive with every American citizen.

First—The trip from Denver to Utah via Rio Grande Western, "Great Salt Lake Route," is the grandest to be found anywhere on the continent. No European trip of equal length can compare with it in variety and grandeur of scenery and wealth of novel interest.

Second—You should go because, when you have made this wonderful trip, you will find Utah at the end of it—Utah, one of the world's famous spots, and a land of gold, silver, copper, iron and coal; of lofty mountains and fertile valleys; of vineyards, fruits and flowers. Salt Lake City, the capital, is of great interest on account of its historical and religious associations. Here are Hot Thermal Springs, Warm Springs, Sulphur Springs, Sanitarium, Parks, Drives, Canyons and the most healthful climate on earth. Great Salt Lake, with the new and beautiful Saltair Beach Resort, of Moorish design, has no equal in America. Write to F. A. Wadleigh, Salt Lake City, for copies of pamphlets, etc.

Of Special Interest to Students and Teachers.

R. H. Woodward Company, of Baltimore, Md., are making a most liberal offer of \$200.00 to anyone who will sell 200 copies of "Gems of Religious Thought," a new book by Talmage.

This is one of the most popular books ever published. Three editions sold in 60 days. Agents sell 10 to 15 copies a day. An Estey organ, retail price \$270, given for selling 110 copies in 3 months. A \$100 bicycle given for selling 80 copies in 2 months. A gold watch for selling 60 copies in one month. This premium in addition to commission. Complete outfit 35 cents. Freight paid. Credit given. Agents wanted also for "Talks to Children About Jesus." One hundred and fifty thousand copies sold, and it is now selling faster than ever. Same terms and conditions as on "Gems of Religious Thought." Other popular books and Bibles also. They offer special and most liberal rates to students and teachers for summer vacation. During last summer a large number of students and teachers canvassed for their books. Among the list there were 23 who made over \$200, 57 who won the \$200 premium, and 76 made over \$150 for their summer work. Write them immediately.

The Wonderful Maple of Ratibon. In the town of Ratibon, Prussia, stands one of the most wonderful trees in the world. It is not of gigantic size or the only representative of a species in which all the members except itself are extinct. It is a common maple which shows a wonderful combination of nature and man's patience and ingenuity. The tree is only a few years over a century old, and during its entire life every limb and twig has been patiently trained by its owners. At present it looks like a living pagoda, the branches being so trimmed as to make it appear like a round tower with two stories. Each of these compartments is lighted by a series of eight windows, and the two "rooms" will each hold a dozen persons. The floors as well as the sides of these wonderful rooms are constructed of boughs which are so skillfully woven together that the whole has the appearance of being some gigantic imitative freak of nature.—St. Louis Republic.

Tough Treatment. "Woman," said he, in agonized tones, "you have broken my heart." She laid her head on his manly bosom. "No," said she, after listening intently, "there is not the slightest evidence of organic lesion. There is a slight palpitation, due, perhaps, to cigarette. That is all." And now the young man swears that hereafter when he makes love to a girl at a summer resort, he will be sure she is not a medical student.—Cincinnati Enquirer.

Too Much to Expect. "Look here, sir," said the irate customer to the dry goods clerk, "you sold me this piece of goods warranted a fast color. It was green when I bought it and now it has turned to a sickly blue in less than two weeks." "Well, madam," expostulated the clerk, "you could hardly expect a color to go faster than that."—Boston Herald.

Monsters. The enormous engines that haul "The Northwestern Line" OMAHA-CHICAGO SPECIAL east at 6:30, evening, (U.
