An honest patriot is a national blessing.

False patriotism is papal varnish to hide Jesuitical treason.

Political broils are not always confined to our legislative kitchen.

Most of the bees in the bonnets of our politicians make for papal hives.

Uncle Sam is still looking for men who can be trusted with an office.

Jesuitism is papal cement used to bind church and state together.

Some politicians have a gum elastic conscience.

Rome, having stolen the chickens, now demands the coop.

Policy is the hinge of political expediency.

Ballots are better than bullets to settle great questions.

The ballot box is the ark of American liberty.

The Vatican attempts to run Congress.

Good citizens are law abiding. Romanism is political and religious anarchism.

Popey thinks more of vice than of advice.

Rome's faults are more conspicuous than her virtues, and her devilry discounts her professed Christianity.

Shooting at public sin is sure to hit Rome and make her howl. Truth always makes it hot for her.

Rome will stoop to any mean act to raise the devil. She never wastes her time in baiting for dead fish.

We don't have to study history long to learn that popes are a curse, priests are frauds, convents a nuisance and popey a moral pestilence.

Every dart of slander Rome aims at a patriot is poisoned with papal bigotry. Prejudice makes Rome the foe of truth and righteousness.

There is something wrong with the patriotism of the man who can always praise popey and denounce the patriotic orders which oppose it.

A Map of the United State.

Priests Escape.

Vancouver, B. C., Nov. 17.—The steamer Empress of China, which arrived today from the orient, brings these advices:

Details of the burning of a Roman Catholic chapel in the Sheung Tak district have been received. The immediate cause of the trouble was a boy throwing stones at the door, whose ears were boxed by the local policeman who happened to be a Roman Catholic.

A mob soon collected and terrible stories were spread about the cruel treatment received by the boy. Some one called on the mob to burn the chapel, and the idea was put into execution.

The priests escaped with their lives, but lost all their property. It is rumored in Canton that a Roman Catholic priest has been murdered in Yunnan.

Passengers arriving at Chicago by the Chicago, Rock Island & Pacific R'y can, by the new Union Elevated Loop, reach any part of the city, or for a five cent fare can be taken immediately to any of the large stores in the downtown district. A train will stop at the Rock Island Station every minute. These facilities can only be offered by the "Great Rock Island Route."

IT IS EASY TO TELL.

People who fail to look after their health are like the carpenter who neglects to sharpen his tools. People are not apt to get anxious about their health soon enough. If you are "not quite well" or "half sick" have you ever thought that your kidneys may be the cause of your sickness?

It is easy to tell by setting aside your urine for twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys. When urine stains linen it is evidence of kidney trouble. Too frequent desire to urinate, scanty supply, pain or dull ache in the back is also convincing proof that the kidneys and bladder are out of order.

There is satisfaction in knowing that the great remedy, Dr. Kilmer's Swamp-Root, fulfills every wish in relieving weak or diseased kidneys and all forms of bladder and urinary troubles. Not only does Swamp-Root give new life and activity to the kidneys—the cause of trouble, but by treating the kidneys it acts as a tonic for the entire constitution. If you need a medicine like Swamp-Root—it cures. Sold by druggists, price fifty cents and one dollar, or by sending your address and the name of this paper to Dr. Kilmer & Co., Binghamton, N. Y., you may have a sample bottle of this great discovery sent to you free by mail.

Fire Stampedes Pupils.

Cincinnati, O., Nov. 17.—A panic was caused in St. Xavier school on Sycamore street, between Fifth and Sixth streets, today, by the upsetting of a stove. A cry or fire was heard, and the utmost confusion resulted. Some of the frightened children jumped from the windows, while others were thrown down by the maddened efforts of the stronger ones to escape. The fire and police departments responded to calls. Four pupils were seriously injured.
