Famous Fiction by the World's Greatest Authors!

A CHARMING SET OF BOOKS,

EMBRACING

Ten of the Greatest Novels Ever Written

BY TEN OF THE

GREATEST AUTHORS WHO EVER LIVED!

If you will study the biographies of the great authors of our day, you will observe that in most instances their reputations were made by the production of a single book. Let but one work that

is really great—one masterpiece—emanates from an author's pen, and though his future efforts may be trivial in comparison, his name will live and his works will be read long after the author has passed away. A well-known New York publishing house has issued in uniform and handsome style ten of the greatest and most famous novels in the English language, and we have perfected arrangements whereby we are enabled to offer this handsome and valuable set of books as a premium to our subscribers upon terms which make them almost a free gift. Each one of these famous novels was the author's greatest work—his masterpiece—the great production that made his name and fame. The works comprised in this valuable set of books, which are published under the general title of "Famous Fiction by the World's Greatest Authors," are as follows:

- | | |
|--|--|
| EAST LYNNE.
By Mrs. Henry Wood. | LADY AUDLEY'S SECRET.
By Miss M. E. Braddon. |
| JANE EYRE.
By Charlotte Brontë. | VANITY FAIR.
By W. M. Thackeray. |
| JOHN HALIFAX, GENTLEMAN.
By Miss Mulock. | THE LAST DAYS OF POMPEII.
By Sir E. Bulwer Lytton. |
| ADAM BEDE.
By George Eliot. | THE THREE GUARDSMEN.
By Alexander Dumas. |
| THE WOMAN IN WHITE.
By Wilkie Collins. | PUT YOURSELF IN HIS PLACE.
By Charles Reade. |

Each of these great and powerful works is known the world over and read in every civilized land. Each is intensely interesting, yet pure and elevating in moral tone. They are published complete, unabridged, and in ten separate volumes, with very handsome and artistic covers, all uniform, thus making a charming set of books which will be an ornament to the home. They are printed from new type, clear, bold and readable, upon paper of excellent quality. Altogether it is a delightful set of books, and we are most happy to be enabled to afford our subscribers an opportunity of obtaining such splendid books upon such terms as we can give.
