ARRIVE IN SHOES

Shoes were made for service as well as for show, and we do not tolerate any slip-shod methods. The "last" ought not to be the only lasting feature with which they are identified. They should look well, wear well, and they should not cost too much. Our \$4.00 Shoe may be matched in quality, but you will have a hard time duplicating it any where else for the money. It is the most durable, the most presentable, and the most economical article that ever left a Shoe Store. Just as much of a bargain are Hayward's \$5.00 Hand-made Foot Form Health Shoe. We are headquarters for Misses and Children's Shoes and pay special attention to fitting them properly.
