The Right of M.

The statment published in the last Herald regarding the affair that took place here on Saturday evening March 16th, shows such an utter absence of truth or honesty in its character that we will give the facts.

On the evening above referred to, after the firing of the anvils and other demonstrations of rejoicing had been concluded, four gentlemen, Conley, Ver- ceive prompt attention. ity, Weir and Patterson, were standing in front of the post office when Satteriee came out of the building and started across the street toward the saloon and when about 20 feet away he suddenly boot & shoe maker. turned and with an oath wanted to know if someone had spit on him, at the same time drawing a revolver and advancing toward Patterson saying: "I'll kill you G-d-you." Patterson answered ly we called on Dr. Shafer at his resi- that no one had spit at him and then dence three miles north-west of town suddenly took a notion and moved down in front of the drug store, the first door south of the postoffice. Satterlee folwho then tried to wrest the "gun" from Mr. Frank Nutto was exhibiting his him and either fell or was knocked down find young stallion in Harrison last and off the sidewalk. Satterlee still fol-He is three years old, a light bay lowed but by this time several parties has a fine carriage and weighs nearly had come out from the drug store and 1400. His sire is an imported Clydes- they persuaded Satterlee to desist. These are the facts as told by the four gentlemen above named and there was no one else present when Satterlee commenced office last Thursday with a box of cigars the disturbance. No one spit on or at under his arm and a smile on his face him and his saying that was only a pretext for the rest of his doings.
