We would like to know if the Com-  
missioners will allow another \$100  
as extra attorneys fees as they unlaw-  
fully did one year ago?

There is not another county in this  
state where county funds are so reck-  
lessly squandered as in Sioux County.  
We stand ready to prove this.

The firm of Ross & Thompson,  
of Chadron intend putting in a  
general store at this place soon. There  
is plenty of room for the gentlemen here  
and we will be glad to welcome them.

The Herald kicks because parties use  
the right allowed them under the U. S.  
Postal Law and mail letters on the  
train. Charley if the present postmas-  
ter don't want the office there is no law  
compelling him to keep it is there? Our  
belief is that advertising increases pat-  
ronage and suggest that as a remedy if  
there is a decrease in patronage.

Prof. Chas. E. Holmes, principal of the  
Rushville schools, was in Harrison Fri-  
day and Saturday of last week looking  
over the ground preparatory to locating  
here in the law and land business. Mr.  
Holmes is so well pleased with the out-  
look that he expects to be one of us by  
July 1st. Mr. Holmes is a man of busi-  
ness and sterling integrity and a stal-  
wart republican. The JOURNAL congrat-  
ulates Harrison upon the acquisition of  
such men as Prof. Holmes.

Speaking of walking the chalk line, C.  
F. Slingerland knows how that is. E. D.  
Satterlee holds a mortgage given by the  
editor of the Herald for three hundred  
dollars on the Herald. Is that the reason  
you walk the chalk line Charley, and for  
that reason made the false statements  
you did in the Herald of last week in  
regard to the proceedings of the district  
court? Now Charley we do not approve  
of this kind of journalism but as you  
seem to desire it we will accommodate  
you.

DISTRICT court convened in Harrison  
on Monday. County Attorney Satterlee  
dismissed all the criminal actions he had  
commenced against Walker and Patter-  
son, virtually admitting that the charges  
were trumped up to harass and incon-  
venience these men. In the appeal cases  
Walker scored a signal victory against  
the Satterlee-Hunter outfit, and illegal  
claims were knocked out to the amount  
of \$300. In these confessedly illegal and  
rotten steals from the county, the  
county attorney appeared in the light of  
making a desperate defense of the steal.

### OBITUARY.

The account of little Florence Verity's  
death is taken from the Wisner Chroni-  
cle:

"VERITY:—Died at the home of Mr. and  
Mrs. J. A. Lucas, in Blaine township, on  
Tuesday evening, (May 29th), Florence,  
the only child of Mr. and Mrs. C. E. Ver-  
ity, of Harrison this state, at the age of  
21 months and 11 days.

For some time little Florence had been  
suffering from what the physicians final-  
ly decided was tubercular consumption,  
and on Thursday of last week its mother  
brought it here for treatment. It was  
soon evident that the end was near, and  
the stricken family were compelled to  
bow to their sorrowful bereavement.

Mr. Verity arrived here on Thursday  
and to-day (Saturday) at 10 o'clock the  
funeral takes place at the home of Mr.  
Lucas, conducted by Rev. J. Pyle, after  
which the interment will be made in the  
Wisner cemetery.

This is the second time that Mr. and  
Mrs. Verity have been called to mourn  
the death of an only child, and the sym-  
pathy of this entire community, where  
they have formerly been respected resi-  
dents, goes out to them."

Editor JOURNAL:—  
The following is an editorial which ap-  
peared in last week's Herald.

"The claims for payment of services  
rendered in civil cases were true, the ap-  
pellants admitting that the specified ser-  
vices were performed, and the judge  
merely ruled against their payment by  
reason of their being no funds where-  
with payment could be made."

The above is a very handsomely got-  
ten up article and worthy the intellect  
of the Herald lawyer, and would have  
been true had the word "misdemeanor"  
been used instead of "civil," but it is the  
province of the editor of the Herald to  
concoct and falsify facts in order to  
shield out excuse the rotten and corrupt  
outfit of which he is the willing tool.  
The claimants attorney, W. M. West-  
over, admitted in open court that the  
costs in the civil cases were wrongfully  
allowed and should not at any time be  
paid by the county. If there was \$100,-  
000,000 in each particular fund over  
which the county has control, the com-  
missioners would have no right to pay  
costs in the the civil cases referred to,  
and that is the reason said cases were  
appealed. The appellants admit that  
services of building an awning in front  
of Smith's store was performed by Chas.  
J. Tubbs, but that is no reason why the  
county should pay Tubbs for said ser-  
vices. By referring to sections 540 and 541  
of the Criminal Code it will be noticed  
that all moneys paid into the treasury  
of the county from costs and  
jail labor must be credited to  
the general fund and a record of the  
same kept by the county treasurer, and  
if it appears at the regular meetings of  
the Board of Commissioners in April and  
October that there is a surplus in the  
general fund,—after deducting the  
amount paid in criminal cases, (fines) and  
the expenses incurred in keeping and  
transporting prisoners, from the  
amount credited to the general fund  
from costs and jail labor,—then, out of  
the residue of such balance, the Com-  
missioners may allow and pay costs in  
misdemeanor and peace warrant cases,  
but they have no right to pay such costs  
from the general fund if there is not a  
balance as aforesaid in such fund, and  
whenever they make payment of misde-  
meanor costs from anything but such  
balance it is a misappropriation of  
county funds and the commissioners are  
personally responsible for the same. If  
claims No. 532, 535 and 536 had not been  
appealed they would have been paid out  
of the county general fund in which  
there was no balance out of which mis-  
demeanor cases could have been paid,  
but the payment of costs in civil cases  
would have been downright stealing.

Hundreds of dollars could have been  
saved to the tax payers of Sioux county  
if actions of appeal had been taken at  
various times. The amount saved the  
people by the appealing of the three  
cases above cited is only a drop in the  
bucket as compared to the hundreds of  
dollars of unlawful accounts which have  
been allowed and paid, and yet the paper  
which claims to uphold and protect the  
rights of the people will censure and  
abuse the person who dares question the  
dignity of a man who holds the high po-  
sition of being a county official.

The greater part of last week's Herald  
is occupied editorially and by correspon-  
dents, in untrue statements which are in-  
tended to shield known wrongs and mis-  
lead its patrons—a pretty low condition  
for an editor who professes to be a Chris-  
tian. We wonder by what spiritual mo-  
tive he was prompted when he published  
those articles? It surely could not have  
been a providential visitation that  
prompted such an action on the part of  
the effeminate dude.

ED. JOURNAL:—  
In answer to the article in the Herald  
of June 1st, permit me to state a few  
facts in regard to it:

First, the writer of the article entitled  
"The Whining Sycophant," who states  
that George Walker is servile and that  
he is down; that he had appealed to the  
sympathy of Judge Kinkaid and the Bar  
here and at Chadron; that he had stated  
that his family were suffering for the ne-  
cessities of life; that Barker was making  
him walk a chalk line and that with  
tears in his eyes he had begged the  
County Attorney to forgive him—the  
thing—for it cannot have been a man  
who wrote that article—is a lying scound-  
rel, the truth is not in him and Hell is  
gaping to receive him. The lying auth-  
or of that article is hereby informed that  
this means just what it says. The state-  
ment that he was forgiven out of sym-  
pathy for his family, and the cases  
against him dismissed by the prosecution  
on that account is false, for a man that  
would persecute another as that man  
has persecuted Walker—and then talk of  
sympathy, is too ridiculous for consid-  
eration. The facts are these:

Satterlee had no case either against  
Patterson or Walker with which he dars  
to go before the District Court, and  
for that reason he asked to have the  
same dismissed—at the county's expense.

Did Patterson beg Satterlee to dismiss  
the cases against him or was it done  
through sympathy for his family? Did  
John Gibson plead with Satterlee to  
have the cases against him dismissed or  
was it sympathy for him and his family?  
Did E. C. Myers beg Satterlee to have  
the case against him dismissed or was it  
through Satterlee's sympathetic nature  
that it was done? How was it with the  
cases of State vs. Paul Zerist; State vs.  
Kreman, State vs. Kortness and the  
many others? All sympathy I suppose?  
By the direct testimony of H. H. Russell  
the County Attorney stands before the  
people as a sympathetic liar, proven so  
in an open court at his own request. The  
cases were all right in the County Court  
and for political purposes (but he dars  
not go before an honorable court with  
them.

The County Commissioners will learn  
eventually that his advice to them is  
more than worthless and has ever been.  
The full amount of claims that have  
been illegally allowed the sheriff, J. E.  
Efoot, is \$1310.90, excepting the  
accounts appealed and disallowed at the  
recent term of the District Court.

Theo. Trimbur as deputy sheriff has  
received from the county the sum of  
\$188.65 wrongfully, and there never has  
been a dollar of money in the county  
treasury to pay these accounts with, but  
by the advice of that "sympathetic" ad-  
viser of theirs the County Commission-  
ers have allowed all claims and paid the  
same out of the county general fund,  
contrary to law.

The county judge, John W. Hunter,  
has received from the county treasury  
the sum of \$570.14, less the amount of  
\$28.65 disallowed by the District Court.

The Commissioners have no right to  
pay costs and fees in any cases except  
felony, and there is not a dollar of money  
in the county treasury with which to  
pay these fees. This is not all. Several  
of our county officers are criminally li-  
able for the furnishing of supplies. Con-  
tracts have been let to parties without  
any regard to law, and our money is  
paid out to a few favorites.

Yours in sympathy,  
GEORGE WALKER.

### War Bonnet News.

The weather is rainy.  
District Court is over and the Mud  
Ring is still on top. Bully!

"Let 'er roll" good people. Owing to  
the good weather and industrious farm-  
ers crops are looking fine. The present  
prospects for a good crop and a large  
acreage is good.

There ought to be an appropriation  
made for the purpose of obtaining a  
large glass bottle to put our county  
judge in and ship him back east to some  
dime museum.

Where is that merchant who wishes  
it would not rain for two years so the  
grangers would be starved out. His  
prayers don't go higher than the smoke  
of a warm potato thrown into a pig  
trough.

We have nothing in particular against  
the cattle men and would be pleased to  
have them stay here should they choose  
to do so and are ready to extend the  
hand of fellowship; but we don't like  
suckers.

### Deadmans.

Seeing no items from Deadmans in  
your paper, we have almost come to the  
conclusion that the good people of Sioux  
county are not aware of the existence  
of such a place as Deadmans, but when  
we inform them that Deadmans is one of  
the finest streams in Sioux county and is  
seven miles in length from its mouth to  
its head; is peopled by exactly eighty-  
five souls and no better farms to be  
found in the county, then we hope they  
will think that Deadmans is "some  
pumpkins" after all.

Mrs. Harvey Howard has been quite  
sick this spring but is improving slowly.  
Corn, oats and garden sass all look  
well here and so do the women and chil-  
ren, and men ditto.

A. E. Rainy is going into the dog busi-  
ness we think from the number he has  
on hand and those that are to come.

A. E. Gates, Jos. Decker, John McIn-  
toosh, Charley Rigdon, Klein, Kreman  
and lastly John P. Rainey, agent for P.  
T. Barnum's work on the capture of  
Wild Beasts, Birds and Reptiles of the  
World,—all the above named gentlemen  
we saw in Harrison last Monday and  
Tuesday, a week ago, and we believe all  
were able to get home right side up with  
care.

Mrs. A. E. Rainy has been quite sick  
for a few days past, but is now able to  
be about again.

People about here have planted lots of  
cane and Mr. Ezra Parker will do the  
grinding. This will be the sweetest com-  
munity this fall and winter that we  
know of. (Selah.)

Miss Elsie Merriam who has been  
teaching school here for three months  
past, has left for her home near Harris-  
on.

Mrs. Hanaker has been confined to the  
house on account of a lame back.  
Rufus Slaughter has moved on his  
claim out from Crawford.

Mr. Frank Sperback who is now work-  
ing on Deadmans, intends soon to go to  
Wyoming, there to cow-punch.

CRAB APPLE.

### Antelope Valley.

The first case of meal-stealing on  
Antelope was reported lately. Mr. Nut-  
to had a fine large ham of meat taken  
from his cellar.

A large acreage of crop is being put  
in. The Messrs Storey's have in 40 acres  
of corn, 20 of oats and five of cane. It  
is reported that Mr. Gullike's will have  
in 100 acres.

There will be religious services at the  
Jim creek school house; also at Montrose  
school house, June 28, by the Lutheran  
denomination.

Mr. J. H. Warn returned last Sun-  
day evening with a span of long eared  
horses. He made the purchase at Craw-  
ford. John thinks he has been without  
a team long enough, and though it is  
getting late he will proceed to plow and  
plant more corn.

Mr. Lannie Sutton's child was quite  
sick but is better.

C. L. Tabb's father who resides at Hay  
Springs is visiting in Harrison.

A number of correspondents as well as  
a large amount of local news has been  
left out this week for lack of space.

Sheriff Post returned from Sundance,  
Wyoming, the first of the week with  
Raymond McNab, a horse thief he se-  
cured there.

WE NEED MONEY. If you owe us  
anything please pay it within the next  
thirty days.

### RANCH SUPPLY HOUSE.

Jones & Verity are still buying claims  
against Sioux county, but only have  
\$300 to invest. Parties having claims  
to sell should see them at once.

Ye editors house burned down last  
evening about 10 o'clock. It was proba-  
bly the work of an incendiary as the  
house had not yet been occupied and no  
fire had ever been in it.

A five year old child of Mr. and Mrs.  
C. L. Tubbs died on Monday night and  
was buried in the Harrison cemetery on  
Tuesday. Two other children have been  
quite sick but are about well at present.  
The many friends of the family unite in  
expressions of regret and sympathy.

### Ray Bob.

The English Shire Belmont Stallion  
will stand for farms during the season  
of 1889 at my farm one mile east of  
town, except Saturdays, when he will be  
found at the livery barn in Harrison.
