—Prunes, prunes, 18 pounds for \$1 at C. R. Wells'.

—The celebrated Anchor, patent brand flour at C. R. Wells'.

—Go to Dr. Clary, Chadron, to get your eyes, ears and throat treated.

—When you want a good square meal go to the Northwestern hotel.

—Best vinegar in town at 30 cents per gallon.

—Go to Dr. Clary, specialist in eye, ear and throat diseases. Office in Central Block, Chadron, Neb.

—Get your loans from H. T. Conley and avoid the red tape incident to procuring loans through loan companies.

—The Northwestern hotel always takes good care of its guests. A trial will satisfy you that that is the place to stop.

—If you need anything in the way of Eye, Ear or Throat treatment, go to Dr. Clary, specialist, Chadron, Neb.

—Last night was the coldest night of the season, but the bright sunshine this morning bids fair to soon turn the snow into water.

—For comfort and good living go to the Northwestern hotel when in Harrison. Everything is done that can be done to make it pleasant for those who stop there.

—The popularity of the Northwestern hotel has been gained by the pains taken to please guests of the house. People like to go where they are well taken care of.

—The social at the residence of E. D. Satterlee on last Thursday evening was well attended and a pleasant evening spent. The weekly socials are becoming quite popular and the attendance is usually good.

—During the cold snap the first of the week Jack Frost crept into THE JOURNAL'S cellar and froze the supply of potatoes on hand, and in consequence we are ready to receive some good potatoes on subscription.

—The commissioners were in session Monday, Tuesday and Wednesday of this week. Commissioners Grove and Green only being present. A good deal of business was transacted, some important matters having been taken up. The clerk could not get the proceedings ready in time for publication in this issue, but the full record will in the next issue of THE JOURNAL.

—The weather this week has been severely cold and a good deal of snow has fallen. It has cleared up now and the snow will soon disappear. No complaint can be made of the weather for but few cold days have been experienced during the winter. The weather in Sioux county will average up about as good as it does in any locality. The people are all glad to see plenty of snow for it makes a good crop almost certain.

—A man by the name of Anderson living a couple of miles east of town on the F. E. & M. V. road attempted to jump from the east bound freight train on last Saturday afternoon. He did jump from the train, but in doing so got pretty badly used up. The company's physician from Lusk came down on the evening passenger to attend him, and he is in a fair way to soon recover, but it will probably be some time before he will attempt to jump a moving train to save walking a few miles.

—A special train passed up the Elkhorn last Sunday, with a number of the officials of the road on board. The indications are that preparations are being made to begin building operations in the near future. The fact is the company has too much invested in this line to permit it to stop where it is, and it is also quite certain that they will want to take care of the business which will be created by the development of the oil and mining regions west of here. As soon as that business is opened it will give employment to a large number of people who will be non-producers, and the result will be that a market will be created for the products of Sioux county soil without having to be shipped a long distance.

—Hard times ball March 17th.

—Good flour at 90 cents a sack at Turner's.

—14 pounds of extra C sugar for \$1. at Wells'.

—C. R. Wells is receiving new goods daily.

—18 pounds prunes for one dollar at Turner's.

—14 pounds dried apples for one dollar at Turner's.

—12 pounds granulated sugar for \$1 at C. R. Wells'.

—When you want a nice clock call on Griswold & Marsteller.

—California canned goods at 25 cents per can at C. R. Wells'.

—12 pounds granulated or 14 pounds C sugar for one dollar at Turner's.

—I cannot, I will not, I shall not be beat in low prices. Respectfully,
C. R. WELLS.

—A choice family flour \$1.15 per sack, no better for the price sold.
C. R. WELLS.

—For farm loans go to S. H. Jones.

—Farms bought and sold by S. H. Jones.

—We need some wood on subscription at once.

—Mrs. J. A. Snyder has received a nice stock of fancy goods and notions which she is selling very cheap.

—When you want a farm wagon, plow, harrow, or anything else in the implement line call on Griswold & Marsteller.

—H. T. Conley has consummated arrangements whereby he is authorized to make loans for private parties on Sioux county real estate.

—There is no question about moisture for the crop for the coming season. Plenty of snow is falling and plenty of rain will follow in due season.

—We have the biggest stock of hardware, implements and furniture ever shown in Sioux county. Come in and look us over. GRISWOLD & MARSTELLER.

—Last week a portion of the material from the Herald was taken to a point in South Dakota where a newspaper is to be established by W. H. Davis. We did not learn the name of the place but understand that it is on the B. & M. line.

—G. Guthrie informs us that his brother-in-law, J. W. Robinson, will be here either the last of this week or the first of next, with two carloads of stock and goods to improve the land he has taken near Harrison. This is another indication of a good number of new settlers coming here this season.

—We are informed that S. A. Beers contemplates returning to Sioux county in the near future to make his residence on his farm in the north part of the county. The bright prospects for the future of our county cannot help attracting many people hither in the near future. There is room for all who wish to come.

—Commissioner Grove informs us that he did not say that the appointment of Geo. Walker was against his wishes, as the Herald says he is credited with saying. Mr. Grove told Walker that C. E. Holmes was his first choice, but as that gentleman did not want it he was for Walker. Commissioner Grove also says he has no occasion for being ashamed of his course in the matter.

—There has been a good deal of talk of late in regard to the collection taxes. The taxes which are to be pushed for collection are those for 1887 and 1888. These can be collected by distress process, but no such action can be had on the taxes of 1889. The personal taxes of 1889 are delinquent now, but the only penalty attached is the interest fixed by the Statute. It is quite likely that every one having delinquent taxes on the records against him will be notified by the treasurer in the near future, but no distress warrants will be issued against any one until they have fair notice and an opportunity to pay, and then only for taxes for years prior to 1889. Of course if a person is attempting to move his effects from the county without first settling with the treasurer, he need not be surprised to see an officer after him.

—In the attempt of Hull to get possession of the Nebraska Reports belonging to the office of county judge, the case began before Justice Maine fell through because the officer who served the papers failed to make any return of the same. In the case before Hunter when it came on Thursday, Hull asked for a jury and the case was set for hearing Saturday, Feb. 22d. On that day the parties repaired to the day of the justice and the jury was there, but when Walker informed them that that was a legal holiday the court was not opened and the result was that the case fell through. All that was accomplished in the entire proceedings was that Walker was compelled to make two trips to Bodarc and also in company with Judge Barker had to appear in the justice court here. It is quite evident that all that is intended by these suits is to make the officials all the trouble they can, and it would appear that there ought to be some method of putting a check on such proceedings.

PERSONAL.

N. L. Pollard has been on the sick list this week.

B. B. Bixby contributed generously to the welfare of THE JOURNAL last week.

Mrs. S. L. R. Maine has been on the sick list for some days but is improving.

B. F. Johnson is reported as being quite sick.

Albert Rands was in Harrison on Saturday.

County Attorney Walker went to Chadron last evening on business.

Mrs. J. A. Brill arrived here this morning to help her husband transform a quarter section of government land into a valuable farm.

Mrs. A. W. Mohr arrived at Harrison this morning and will go to cheer the home prepared for her by her husband on his farm north of town. That it may prove a happy home to the newly married couple, is the wish of all.

Pat Welsh is struggling with an attack of inflammation of the lungs.

Dr. Ziegenhagen has been confined to his room at the Northwestern Hotel since Sunday with an attack of inflammation of the lungs. He is now convalescent and will soon be able to attend to his practice.

J. H. Cook returned on Tuesday morning from a business trip down the road.

H. T. Zerby arrived from his trip east on last Saturday, bringing with him a car load of goods.

L. Garlock went to his farm in the north part of the county to spend Sunday.

J. W. Langdon was in Harrison on Friday and called at this office. He is now engaged at the saw mill and orders THE JOURNAL mailed to him at Harrison.

Treasurer Gayhart came to Harrison on Monday to look after his official matters.

Supt. Southworth was attending to official duties at the county seat Friday and Saturday.

Commissioner Grove came up on the passenger Monday morning to attend the meeting of the county board.

C. E. Verity made a business trip to the south part of the county the first of the week.

—A few days ago THE JOURNAL received a letter from the superintendent of the B. & M. in regard to the rate on sugar beets from Sioux county to Grand Island. The freight department state that no rate has yet been made, but they assure us that they will certainly make a reasonable rate for moving the crop.

—Arrangements are being made for a hard times ball at Andrew's hall on the evening of St. Patrick's Day, March 17th. A dress pattern will be given to the lady wearing the best hard times costume, and the gentleman who appears in the best representation of hard times will be presented with a new hat. All are invited to come and have a good time.

—On last Monday morning Clerk of the District Court Lindeman received word from the district judge ordering a grand jury to be called for the April term of the district court for Sioux county. This is what the people of the county have been waiting for some time. There are a great many matters awaiting the investigation of a grand jury and it is quite likely that some of those who are accused of having done crooked work in either public or private matters will be well investigated.
