A BAD CASE.

New Youx, June 27. - A World specia from Washington says that the po master general has been compelled to tend a guard of men to White Springs, Fla., to protect the postmaster there, C. L. Morrison was appointed to succeed U. E. Paxten, a "holdover" from Cleved's administration.

Morrison appears to have been very unpopular, and a systematic boycott was immediately instituted by the inhabitants of the town, who mailed and sived letters through a small post-

Not satisfied with this, Morrison's es ies concected a conspiaracy to annoy

They succeeded in getting an igno that he had been appointed a detective. A fraudulent warrant calling for Mor reson's arrest was given to Lewis who with the assistance of a man named Morgan, arrested Morrison, bound him with ropes, and took him to Lake City, thirty miles away.

The fraudulent character of the arres

was discovered by the citizens of Lake City, and Lewis and Morgan were com-palled to release Morrison, after which they themselves were locked up in jail.

Lowis, discovering the fraud which and been perpetuated on him, turned state's evidence, and upon his testimon Morgan, ex-Postmaster Paxtee, Princi-pal Shipworth, of the Florida state Mormal school, Assistant Gilleam and be county, were indicted. Morgan was ed to pay a fine of \$1,000, and the others were placed under heavy

Morrison's life was threatened again by some of the conspirators, with the result that the department has determined to protect the pestmaster with

While crossing the 'Frisco tracks at Wichita, the carriage containing Ira Walson and James Falton was 'truck by a passenger train. Walson was hadly injured,

Passage of this resolution the house proceed to consider house bill 5,281 (siter bill) with the senate amendments and at 2 o'clock Wednesdwy, June 25 the question was considered as ordered.

He demanded the previous question on the adoption of the resolution, which was ordered, and twenty minutes debate was allowed on either side.

Mr. McKinley said the purpose of the resolution was to secure definite and speedy action upon the subject of silver It was results that the republican side was after. The house has passed the peried of silver manipulation. It was face to face with a practical question—whether we were to have free and unlimited coinage of the world's silver product, or whether we would legislate to absorb every ounce of silver produced in the United States and make it part of our monetary system. On motion of Mr. McKinley the special are was adopted without divisiting for the produced in the United States and make it part of our monetary system. On motion of Mr. McKinley the special are was adopted without divisiting for the produced in the United States and make it part of our monetary system. On motion of Mr. McKinley the special are was adopted without divisiting for the produced on either side.

RENATE

Senators Stewart and Reagan rose to questions of privilege to deay that any conflict had taken place between them. The legislative, executive and judicial appropriation Li I was further amended

and passed. All amendments having been agreed

The college agricultural land bill was amended and pussed, and the dependent Dick Darrell came in from Lost pension bill was taken up. Mr. Berry simple. Mr. Gorman estimated the cost of the bill at \$100,000,000 and Mr. cost of the bill at \$100,000,000 and Davis said it would not onet more than \$40,000,000. After extended debate the discussion was closed, a vote taken and the conference report agreed to-year, 44; nays, 18.

> The conference report on the naval ppropriation bill was presented and

The senate then proceeded to the con sideration of the postoffice appropria tion bill. In relation to the first amendment of the committee, increasing the item for mail depredations, postoffice directors' fees and expenses from \$250,-000 to \$300,000, Mr. Gorman spoke of the postmaster general's plan for Lavigned to duty in charge of the ing additional detectives to inquire into such matters as to whether the patrone of a postoffloe are satisfied that the busie, and will proceed to that place nees of the office is well preformed whether the postmaster employs mem bers of his own family, whether intoxice ting liquors are sold in the postoffice building and other matters. He obsected to the proposition of the postmaster general to enter upon a system such as he suggested in his state peters the house committee-dividing the country into twenty-six districts with a chief detertive for each district and with a corps of detectives to be used for visiting localties and getting "in touch with the people." He (German) did not want any costmaster general to have a force under him whose avowed duty it might be to go around ong the people and get "in touch"

> Mr. Plumb also spoke against the nendment, but it was agreed to, as and the bill passed

The sensie proceeded to co of the diplomatic and consular appro-priation bill. The principal amend-ments recomended by the committee have already been given in these dis-

reign relations, moved to increase the from \$7,500 to \$10,000. Agree

Cutting Of Money for Use.

A tall, black-whiskered man wave eaning over the desk at the Continents Hotel last night conversing with several friends. Pulling a plethoric wallet from his breast pocket he took there rom a long sheet of five-dollar bills, just as they came from the Treasury Department. His friend inquired what they were. 'Only advertisements," was the reply, 'They're given away now with tea instead of the usual ethromos." By this time there was quite a crowd around the black-whiskered man, eagerly examining the quite a crowd around the black-whis-kered man, eagerly examining the bills. Some thought they were genuine bills, while others, who had never seen bills in this shape before, as there was nearly a yard of them, really thought they were advertisements, and would not have hought the whole lot for five

"You're all just like the fellow out in St. Louis. He was a clerk in a store, and, when I had made a purchase, I asked him for a pair of shears, and proceeded to cut off a bill. You should have seen the man's eyes. They stood out so that you could have knocked them off with a stick. The outsome of the matter was that he refused to take them, Just at that minute the propristor came from the office, and seeing the status of the case, discharged the man, but, after I had explained the case, we all had a good laugh."

"Why do I carry them in that way! I guess—well—I suppose to have a "You're all just like the fellow out is

Row and then one finds a person who schibited by the gatemen in the depots. There orders are to pass no one in without a ticket, and it is the easiest without a ticket, and it is the easiest thing in the world for them to wave back old age, youth, beauty, and anybody else who wants to pass in to meet a friend expected on that train. One of the surliest officials I every saw has a gate in the L. & N. depot in Cincinnati, and I have seen him turn war from description. stiffy away from desperate men, weeping women, and howling children. To every protestation he had but one an-

"Can't pass 'thout a ticket."

The other day while I was watching him a little blue-eyed woman came gliding into the throng waiting at the gates. Of the two tenders she selected this one to operate on, although anyone could have seen that the other had the biggest heart. After several people had been turned away she slid forward in a graceful way and ince*fred. ward in a graceful way and inquired.

"Beg pardon, sir, but am I speaking to the President of the road."

"N—o, ma'am!" be stammered, thrown on his beam ends by the query "Ah! you look se—much like him. Are you the superintendent?"

"No, ma'am—not exactly."

"Then you must be the manager?"

"Hardly, ma'am."

"Dear me! but how could the people be so mistaken?" she went on. "Half a dozen of them said you were one of

a dozen of them said you were one of the high officials, and I am so disap-pointed to find you are not. Perhaps, though, you have the general mana-ger's powers when he is not here."
"What is it, ma'am?"
"My sister will be in on the 6:30, and

so want to go inside the gates and selp her with the children. As you nust have the authority of the manages in his absence, I make bold to—"
"Certainly, ma'am; walk right in,"
he interrupted.
"You are so kind."

Don't mention it."
"But all leading railroad men ary
sourteous," she said as a parting
