An old contleman over seventy, came nto the city from his farm, without his at. The day turned chilly and he was obliged to forego his visit to the

To a friend who remonstrated with him for going away from home thus unprepared, he said: 'I thought it was roing to be warm; my wife told me to take my overcost, but I wouldn't. Women have more sense than men any-

A frank admission

Woman's good sense is said to come it. Put it on in the morning and wear are more close observers of little things. One thing is certain, they are apt to ordinary problems of life, more frequently that the lords of creation

"According to Dr. Alice Bennett, who recently read a paper on Bright's dist case before the Pennsylvania State Medical Society, persons subject to billious attacks and sick headaches, who ing of water in the head, who are tired all the time' and have unexplained attacks of sudden weakness, may well be suspected of dangerous tendencies in dreary day. the direction of Bright's disease.

The veteran newspaper correspondent, noting this statement, suggests: "Possibly Alice is correct in her disgnosis, but why doesn't she give some idea of erestment? I know a man who has 'tired all the time' for terryears. Night before last he took two doses of calomel and yesterday he wished he hadn't."

A proper answer is found in the following letter of Mrs. Davis, wife of Rev. Wm. J. Davis, of Basil, O., June 21st,

"I do not hesitate to say that I owe my life to Warner's Safe Cure. I had a constant hemorrhage from my kidneys for more than five months. The physicians could do nothing for me. My husband ejent hundreds of dollars and was not relieved. I was under the I was not relieved. I was under the care of the most eminent medical men in the state. The hemorrhage ceased before I had taken one bottle of the Safe Cure. I can safely and do cheerfully recommend it to all who are sufferers of kidney troubles."

Grandpa was a fine looking for then, so the old ladies say and he Grandpa was a fine looking fellow then, so the old ladies say and he is a fine looking old gentleman now. For the past score of years he has been a firm believer in the merits os Dr. Pierce's Golden Medical Discovery. "It renewed my youth" he frequently says. It is the only blood purifier and liver invigorator guaranteed to benefit or cure, or money promptly refunded. It cures liver disease, dyspepsia, scrofulous sores, skin eruptions, and all diseases of the blood. For lingering coughs and consumption (which is lung-scrofula in its early stages) it is an unparalleled rem-

Gutted by Fire.

NEENAH, WIS., Nov. 11.-The Globe wall paper mills were gutted by fire early yesterday morning. Less upon stock about \$4,000; fully insured. The building is owned by E. F. Wickert, who estimates his loss at \$1,700; insured for \$1,50°. Inc nuinrism is suspected.

A Great Country.

The Fremont, Eikhorn & Missouri Valley railroad has about completed its new extension into Deadwood, the commercial center of the Black Hills. This will make access to this marvelous mining camp easy, and the scenery of the Hills also rendered accessible, by this and the new line into Hot Springs, will attract many thousands each year. In fact the Black Hills with the In fact the Black Hills with the Thurmal Springs, the vast mining interests and beautiful scenery, together with a most superior climate, is destined to become the "Resort" for the future. The Elkhorn rallroad, the only railroad into these places, will furnish easy and comfortable access. Burned to . eath

RICHMOND, VA., Nov. 11. Danny Patterson, colored, aged sixty-seven years, was burned to death here yesterday. He was helpless and in bed and endeavering to light his pipe set fire to the pedding and burned to death.

Arrested and Fined.

NEW BEDFORD, Nov. 11.-William Baldwin was fig , 1 \$30 yesterday in the district court for violation of the Augtralian ballot law in having an official ballot outside the polling place last Tuesday. He appealed and was held in \$100 for the superior court. This is the first case of the kind under the law.

Fire at Pottaville. POTTSVILLE, PA., Nov. 11.-Fire about 12 o'clock last night destroyed five dwellings in the central part of Tremont. All the buildings except one, a twostery brick house, were frame structures gloves she should wear white slippers. the tests of eligibility to service. Now

** TASHION NOTES.

A Natu. Day Dress

A dress for rainy days should have a is to be worn on the dull, dark day because nodody is likely to drop in, but a dress spec ally designed for the pur-pose, and only put on to brighten up the surrounding gloom.

For a rainy day dress, the material should be red, pink or vellow, whichever of these colors is the most becoming and it should be as pretty and dainty as clever little hands can make

from intuition; may it not be that they it down to breakfast oh! my sisters, and it will make you seem like a sun beam through a dense cloud, and you strike the zail on the head, in all the will orighten up the whole day for those you love. Your big burly hus the air and make it impure. band will feel happier and better satisfied with the world than he did a few like new by pouring strong ammonia minutes before, and wonder what made on it and scrubbing with a scrub brush; the change. Your brothers will feel gayer, and your sons and daughters will share in the general brightness. have crawling sensations, like the flowthey will probably understand that you in your unwonted brilliancy of coloring, make a glad, warm spot in the

It need not be a very expensive gown. Joe Howard, of the New York Press, in that may be wrapper or ten gown at the spot as often as neccessary and will. The edge of the cashmere are feather stitched with gold corored saddler silk, across the front and at the waist and throat are parrow rows of black velvet ribbon which end in full rosettes.

This is plain but very effective, and would be a cheerful point of bright color in a dull winter or rainy morning. The edges of the gown could be prettily embroidered or trimmed with cascade of lace with lavish bows of ibbon and floating ends.

satisfactory as a brilliant bit of warm color as the more pronounced colors nentioned above. Old material in the proper colors can be made over effecively in this way, or if the wrapper form is not considered desirable a very pretty design is given in the other illustration. The material is fine hair line cheviot, red and blue, and trimmed by a band of brocaded ribbon in the richest cashmere colors. The ribbon is laid on flat from neck to foot, with a bow at the waist. The cuffs and collar are of the same. The colors are all very bright, and, with a pleasant smile, would make even a London fog seen burning sunshine.

The graceful princesse shape is peculiarly well adapted for elegant houses dresses, and they are becoming to all ages and styles of figure, and they will take any kind of frimming The prest to be unable to move, and the snake ont rage is for Spanish points and Sparish styles of garniture, as it is of early stages) it is an unparalleled rem- side curls are worn by all the dark it was released from an enthrallment of the corn that is still in the field will haired girls.

Stockings Should Fit Perfectly.

The stocking is entitled to more than button, -Savannah News. a passing notice, since its relation to the foot and the shoe is so jutimate, and so much of the comfort of the ormer and the satisfaction of the latmore discomforting to a person of senslouchiness about the toes, under the heel or in the hollow of the foot. A gent deal depends upon properly must come by train, into the bloom of thanging the stockings, both as to their comfort, and the wear which may be expected from them. No stocking should be worn for more than a day or wo without washing, even on the best of feet, while in all other cases a daily thange should be insisted upon.-Good Housekeeping.

paying to the farmers an average of \$3,000 a day for wheat. If this thing is kept up very long the Kansas farmers are going to bankrupt the rest of the

Blate Mrend.

It is generally supposee that the fact that band grows stale arises from the bread becoming actually drier by the gradual loss of water; but this is not the case. Stale bread contains almost the same porportion of water as new bread after it has become completely, cold. The change is merely in the internal arrangement of the molecules of the bread. A proof of this is, that if we put a stale loaf into a closely covered tin, expose it for half an hour or as hour to a heat not exceeding that of boiling water, and then allow it to cool tt will be restored in appearance and properties to the state of new bread. - Free Trade Prices
