DOUBLE YOUR MONEY.

Something New Which I Will pay to Investigate.

Hereafter *The Nebraska State Journal* will publish a semi-weekly instead of a weekly, giving two papers each week for the price of one. Four pages Tuesdays and eight pages Fridays. This will give readers the latest telegraphic news and markets while it is fresh. In these days of progressiveness the people have out-grown the weekly paper, except to supply local news. *The State Journal* is at the head of the procession as always. For those who cannot afford a daily paper *The Semi-Weekly Journal* will be almost as good as a daily—104 papers per year. Although the cost of production has been nearly doubled the price will remain the same, \$1 per year. This is less than 1 cent per copy. No other paper offers so much reading matter for \$1. A special correspondent will furnish points of interest to Nebraskans from the national capital in addition to the regular telegraphic reports from congress, which are received over our own wires. During the year 1892 you should be a reader of *The Semi-Weekly Journal*. Send for a sample copy and see just what we give you for your money.

Our great premium book, "Stanley's Adventures in the Wilds of Africa," and *The Semi-Weekly Journal*, one year will be sent for \$1.49, postpaid. The book is handsomely bound in cloth, 340 pages, profusely illustrated, and is sold by dealers at about \$1.50. If you will send in your own subscription and another new subscriber with \$2, we will make you a present of the book, mailing it to you postpaid. Don't forget to send for a sample copy. Address

★ These are PIANO HAMMERS—they alone actuate the tone. OTHER makers talk and think more ABOUT CASES. We have a process by which the felt covering REMAINS elastic and uncompressed after years of HARD PLAYING. All other hammers get MATTED DOWN like an old MATTRESS, and soon yield tiny tones—not music.

WE GIVE IT AWAY.

The reason why pianos carry high prices on the catalogues, and the SYSTEM OF DISCOUNTS—with frank and candid inside information, worth many dollars—WHATEVER PIANO YOU BUY.

We also send, post paid, an elegant Illustrated Catalogue, explaining above, and very large colored illustrations THE FURNITURE part of the "Wing" Piano is worthy of its interior merits.
