Pursuant to a resolution adopted by the republican convention held at the court house in Harrison, on the 16th day of April, 1892, the following have been selected as committeemen for the different precincts:

Antelope precinct—S. R. Story.  
 Andrews " J. W. Robinson.  
 Eastgate " John Eberbacher.  
 Bowen " Geo. Olinger.  
 Cook " Wm. Nicholson.  
 Cottonwood " T. F. Golden.  
 Five Points " Frank Tinkham.  
 Hat Creek " J. E. Hollingsworth.  
 Montrose " James Clark.  
 Running Water " H. W. MacLachlan.  
 Sheep Creek " T. B. Snyder.  
 Snake Creek " W. H. Corbin.  
 Warbonnet " John Dant.  
 White River " David Colville.

The above committee is hereby called to meet at the court house in Harrison on Wednesday July 13, 1892, at 1 o'clock p. m. to arrange for calling a county convention and to transact such other business as may properly come before said committee for the best interests of the party.

W. H. DAVIS, Chairman.  
 A. R. DEW, Secretary.

—Dr. Bridgman has moved his family into the Jameson residence.  
 —I carry a full line of farm machinery.  
 G. H. TURNER.

—W. H. Davis now occupies the old Northwestern hotel as a residence.  
 —The dance at Charles Biehle's on Monday night is reported as a success.  
 —Tom Dunn accidentally shot himself in the leg at Suggs, Wyo., a few days ago. It was only a flesh wound and will soon be all right.

—It does not seem to be the proper thing to allow a bull to roam the streets endangering women and children and the authorities should prohibit it.  
 —A number of ladies gathered at the residence of Mrs. J. E. Marsteller yesterday afternoon for a quilting. A pleasant time was had by all present.

—LEMBER.—First-class native lumber and shingles constantly on hand at my mill on East Boggy, 13 miles east of Harrison.  
 J. E. ARNER.

—All that is needed is to let people know of the fine groves, springs and streams in this locality and there will be plenty of outing parties visit this county every season.

—A picnic in Warbonnet canyon on the 4th is reported as having been a very pleasant affair. The attendance was not as large as was expected as it was understood by some that the plan had been abandoned.

—H. T. Merriam informed us on Saturday that he would have some tame grapes from his vines this season. The wild fruits in this locality are of the finest quality and tame fruits will do equally well if the farmers will only get them planted and give them the proper care.

—Emery Gillmor was up from Glen on Tuesday and brought us a sample cheese of his manufacture, which with age would compare favorably with that from eastern factories. With two cheese houses running in the county our people can patronize home industries and save the freight.

—Mr. and Mrs. G. H. Turner, Mr. and Mrs. W. B. Wright, Sheriff Reidy, Phil Brinkerhoff and Clint Hough represented Harrison at Crawford on the 4th. They report a pretty good time. Clint won first money in the three-jump contest. The races did not appear very satisfactory. The speaking was dispensed with and most of the day devoted to sports.

—The reports of tame grasses go to show that all that is needed is for the matter to be tested and success will follow. A. R. Kennedy has six acres of timothy which is doing well and H. T. Merriam has some which shows an excellent growth. Our farmers should make it a point to get some land seeded to tame grass as soon as possible. It will prove a good investment.

—In driving over the county in all directions one cannot but notice the changes going on in the kinds of vegetation with which the ground is covered. Wheat grass is establishing itself on the table land and blue grass and blue stem are to be seen in many localities. It will be but a short time until the buffalo grass will be a thing of the past and the grasses of civilization will take its place.

—The article which appears in another column from the Iowa Homestead in regard to wide tires should be carefully considered by all. There is more activity in the matter of improvement of roads all over the west than has ever been known and it certainly will result in some good. There are many who claim that wide tires are a great advantage and in some places they are used to a great extent and give good satisfaction. The subject is well worth consideration.

## PERSONAL.

J. C. Parsons was in town Friday.  
 H. H. Russell was in town Saturday on business.  
 Mrs. B. B. Bixby returned last week from Iowa.

James Clark was over from Montrose on Saturday.  
 John Herman contributed on subscription last Saturday.

S. R. and O. W. Story were over from Antelope on Tuesday.  
 Dr. Waller was up from Chadron on business last Saturday.

W. H. Davis is now employed as clerk at G. H. Turner's store.  
 H. W. MacLachlan returned Saturday from his trip to Omaha.

Mrs. J. W. Robinson returned yesterday from a visit to Crawford.  
 T. Zerbe came down from Cascade to spend the 4th and was in Harrison yesterday.

Mrs. W. R. Smith came up from Chadron yesterday to visit her daughter, Mrs. J. E. Marsteller.  
 Commissioner J. A. Green and O. J. Gowey were up from the south part of the county last Friday.

An old-time friend of Mrs. J. H. Cook arrived yesterday and went to Agate Springs for a short visit.  
 Mrs. A. R. Kennedy left last evening for Iowa, being called there by the serious illness of her mother.

Bartlett Richards came up yesterday from Chadron. He shipped two car loads of horses from the 33 last evening.  
 H. W. MacLachlan accompanied by his mother and Judge Barker spent the 4th at Rawhide as the guests of Wm. Bradley.

J. S. Kirtley arrived last week, having come overland from Oregon. He will likely locate at Pleasant Ridge, Wyo., as relatives live in that vicinity.  
 J. H. Cook arrived yesterday and went at once to Lusk to receive the 64 cattle. While on his way to Omaha on a stock train six cars went into the ditch and those in the caboose saved themselves by jumping. All escaped uninjured.

The M. E. Aid Society of Harrison will give a "peanut party" at court house hall Tuesday evening, July 13.

PROGRAMME PERSEQUENS:  
 1. Piece for prominent persons.  
 2. Paper peanuts per prosaic person.  
 3. Piece pickered per professional picker.  
 4. Piece proclaimed per proper person.  
 5. Painless palatal performance prudently presented.  
 6. Poor person's partner's palatal perplexities.  
 7. Pickled piece per professional picker.  
 8. Phil's pumpkin pie.  
 9. Piece pulled per proli pudor.  
 10. Pottle people puzzled.  
 11. Playfulness practically presented.  
 12. Proper provisions passed per pretty people.  
 13. Pronounced pleasant pastimes.  
 Price per person fifteen pennies.  
 Printed per performer's receipt.

—It is about time the finance committee which was appointed to raise funds to do the work on the new road got matters in shape. It will take all the time there is to get the work done in time for the farmers to haul the crop now growing to market and if the merchants and business men of Harrison expect to get the patronage of the people in the valley it is necessary for them to make it possible for a load to be hauled up the hill. It is high time to act.

—A good sized crowd gathered at Plimpton's grove in West Hat Creek canyon on the 4th. The committee on arrangements had been unable to prepare a program, but after dinner a short program was gotten up and rendered. The declaration of independence was read by Mrs. F. W. Knott, some patriotic songs were sung and short addresses made by Rev. Glasner and L. J. Simmons. Various games were played and all appeared to enjoy themselves.

—The race at Crawford last Saturday between a horse belonging to Jim Dahlman of Chadron and one belonging to G. H. Turner resulted in the defeat of the latter. It is claimed by some who saw the race that it was not fair. It is pretty hard to get a square race on a scrub track and it will be a good thing when northwest Nebraska gets some association tracks so that tests of speed can be had and not have every race conducted in the interest of gamblers.

—On last Saturday Prof. Brunner and J. B. White arrived from Lincoln to locate a camp and prepare for a party of about eighteen who will arrive from that place on next Wednesday for a three week's outing. They will camp on Squaw creek and will no doubt have a very pleasant time. This is the first party of the kind that has visited this locality for such a purpose, and it is but fair to predict that it is the beginning of a series for there is no nicer place for a party to go for an outing. The beautiful scenery, sparkling streams and pure springs will certainly attract those in quest of a summer camping-ground.
