Secured Manuscripts. It is reported of our English ancestors that they had a way of securing valuable manuscripts, and concerning that vast collection of state papers of Thurloe, the secretary of Cromwell—a collection of seventy volumes at least in the original manuscript—it is recorded that it came to light in a very strange way, accidentally falling out of the false ceiling of some chambers in Lincoln's Inn.

A LITTLE Washington boy who had been imitating his papa so as to be "a man," coaxed his father for roller skates and got them. One evening his father came from the office, and for the sake of teasing the little man, said: "That's nice, isn't it? The idea of a man playing like that. What would you think of papa were he to come home on skates?" "Well," said the youngster after a thoughtful silence, "mamma says you do."

HE MISSED HIS OPPORTUNITY! DON'T MISS YOURS.

Readers, the majority neglect their opportunity, and from that cause live in poverty and die in discontent. Having departed in the lot of many, as they look back on lost, forever lost, opportunity. Life is passing! Reach out! Be up and doing. Improve your opportunity, and secure prosperity, prominence, peace. It was said by a philosopher, that "the Goddess of Fortune offers a golden opportunity to each person at some period of life; embrace the chance, and she puts out her riches; fall to do so and she departs, never to return." How shall you find the golden opportunity? Investigate every chance that appears worthy, and of fair promise, that is what all successful men do. Here is an opportunity, such as is met often within the reach of laboring people. Improved, it will give, at least, a grand start in life. The Golden Opportunity for many is here. Money to be made rapidly and honorably by any industrious person of either sex. All ages. You can do the work and live at home, whenever you are. Even beggars are easily earning from \$5 to \$10 per day. You can do as well if you will work, not too hard, but industriously; and you can increase your income as you go on. You can give up your present work, and your time to the work. Easy to learn. Capital not required. We start you. All is comparatively new and really wonderful. We instruct and show you how free. Failure unknown among our workers. No room to explain here. Write and learn all free by return mail. Urge us to delay. Address at once, H. Hallett & Co., Box 880, Portland, Maine.
