Henry B Rider, formerly United States Consul at Copenhagen, Denmark, has been convicted and sentenced to 18 months hard labor. Rider was a veteran of the American civil war and had an excellent record up to the time that his crimes were discovered. He received a remittance of a thousand crowns, the proceeds of an estate in America, which he was requested to distribute to the heirs in Denmark. Instead of this, he pocketed it and was Must a been awful arrested in consequence. This led to an investigation of his official acts,

'August' Flower''

"I have been afflicted with bilious ness and constipation for fifteen years and first one and then another preparation was suggested to me and tried, but to no purpose. A friend recommended August Flower and words cannot describe the admira-tion in which I hold it. It has given me a new lease of life, which before was a burden. Its good qualities and wonderful merits should be made known to everyone suffering with dyspepsia and biliousness." ESSE BARKER, Printer, Humboldt, Kas.

It is the neglect of little things that effect us through life. It is taking a little cold, then taking more, that finally saps the vitality of the sys-tem. When you take cold, do not delay, remember that you are in danger. Get a bottle of Reid's German Cough and Kidney Cure and take it freely. There is nothing in it that will injure the most delicate but it will cure any
