Important Notice.

The Journal's books show a large number of delinquents on subscription and other accounts and all are urged to call and settle as soon as possible. Most of these accounts are small, but in the aggregate they amount to hundreds of dollars to us, by suit for further notice but not and settle up or send a remittance for the amount.

Your prompt attention to this matter will be appreciated by

THE PERSONAL.

Bill at It.

(See News, Nov. 19, 1892.)

James W. Young, been engaged in the work of telling people of the opportunities offered by Sioux county to those who desire to go west and get a true home. The bill has been past for years and has been repeatedly introduced and that has caused the members to realize that it is to their interest to vote where the bill can be had by means of limited means.

A few years ago we made a trip through this part of the state. At that time there were large tracts of wild land and few people. Now all is changed and where there was nothing in the way of improvement finely equipped farms abound and signs of prosperity are seen on every hand. Towns are but a few miles apart and the whole country is crisscrossed by railroads and the land which a few years ago was almost valueless is now selling at from twenty-five to forty dollars an acre and the man who has a quarter section of it is indeed one of the lords of creation and the poor man who is not a land owner is not in it at all.

Here we find many old Illinois friends of a quarter of a century ago, and those who came here at an early day and got land are well fixed as a rule and advise their children and friends who cannot get land to go to the new countries and get a homestead. The fact that Sioux county affords an opportunity to get a free home, free fuel, posts, etc., and cheap lumber attracts the attention of all who hear of it. County Clerk Lindstrom frequently remarks that a pine lough led him to come to Sioux county and the pine woods of the county are playing an important part in the settlement of the county.

Steps are being taken to organize a party of land seekers to go to Sioux county in the near future and it will be composed of fifteen or more farmers and some will ship direct to the spring without going by this land.

D. W. Warden, of this place, who came up with the first party from Seward has been doing some good work for Sioux county since his return from there and his son will be a resident of Sioux county before seeding time next spring.

We learn that in the locality of surrounding towns there are numbers who contemplate going west and Sioux county is the prospective point with all who have heard about it.

The prospects are that Sioux county will be settled quite rapidly from now on and every resident should unite in the work of getting people to come there to live. By so doing they will assist the new comers in getting a home and at the same time help themselves for it will increase the amount of taxable property and enhance the value of all the real estate in the county. A strong, united effort will accomplish much.

L. J. SIMMONS.

MRS. HARRISON'S LAST WORK.

A Loving Memento to be Sent to Every One of Our Women Readers.

Mrs. Harrison could not have left a more loving memento to the women of America than the work she did for them before her last sickness. It is a magnificent work of art, a Bunch of Orchids, painted by her in the White House, from an orchid raised in the White House. It is lovingly dedicated to the mothers, wives, and daughters of America and the reproduction are so perfect, that last August, when a proof was submitted to Mrs. Harrison at Lion Lake, for her approval, she thought it was her own original painting. *Democrat's Family Magazine* has the honor of being the medium through which these valuable pictures (12x15 inches) were presented to the women of America. They are not for sale but we will now send one to any mother, wife, or daughter who will enclose three two-cent stamps to pay for transportation, postage, etc. These exquisite mementoes, bearing Mrs. Harrison's autograph and portrait, will send beyond price, and should be secured at once. Address: ALBERT'S FAMILY Y. P. O. 15 East 14th Street, New York.

And a good lamp must be simple; when it is not simple it is not good. Simple, Beautiful, Good—these words mean much, but to see "The Rochester" will impress the truth more forcibly. All metal, tough and seamless, and made in three pieces only, it is absolutely safe and unbreakable. Like Aladdin's of old, it is indeed a "wonderful lamp," for its marvelous light is purer and brighter than gas light, softer than electric light and more cheerful than either.

Look for this stamp—THE ROCHESTER. If the lamp dealer has not the genuine Rochester, and the style you want, send to us for our new illustrated catalogue, and we will send you a lamp safely by express—your choice of over 2,000 varieties from the *Largest Lamp Store in the World.*
