

THE SIOUX COUNTY JOURNAL

L. J. Simmons, Editor and Proprietor.

P. E. & M. V. E. R. Time table. Going West. Going East.

HARRISON MARKET.

Table with market prices for various goods like wheat, oats, corn, etc.

Old papers for sale at THE JOURNAL office. 5 cents per dozen.

Remember that THE JOURNAL office is headquarters for job printing.

THE JOURNAL and the Irrigation Age, both one year for \$3.50 cash in advance.

If you want to sell your land, list it with Simmons & Smiley, real estate agents.

All kinds of wood work done at Freddy's blacksmith shop, opposite THE JOURNAL office.

For reliable, first class dental work of any kind, go to T. J. Gibson, Crawford, Nebraska.

If you want to learn about irrigation subscribe for the Irrigation Age. Subscriptions taken at this office.

Some whisky inside of a couple of farmers tried to have a fight on last Saturday but outsiders prevented any bloodshed.

Remember that THE JOURNAL club with almost any publication in the United States and can save you money on your reading matter for the ensuing year.

Samuel Jenkins, practical boot and shoe maker. Cowboy boots a specialty. Repairing promptly and neatly done. Satisfaction guaranteed. Shop second door south court house.

The meetings which have been in progress at the M. E. church were closed last evening. Rev. Burleigh who had been assisting Rev. Kendall in the work, left for his home at Gordon on the evening train.

A neat compliment was paid to County Clerk Blewett as vice president of the irrigation association, when his report of the work of the county organization was by a unanimous vote made a model for the other counties to pattern after. It proved that what is worth doing at all, is worth doing well.

STRAYED—From the residence of the undersigned, near Glen, two dark bay mares, three years old, weight about 1,200 pounds, each, branded on the foot. A liberal reward will be paid for information leading to their recovery. James T. Mason, Glen, Neb.

Crawford now has a first class dentist in the person of J. T. Gibson. He has had many years of experience and has all the modern appliances for doing his work in the best possible manner. Those in need of dental work will do well to call on him.

A move is being made to get a post-office established northwest of town, in the vicinity where the Grammaracy office was located. The people in the vicinity of Pleasant Edge also want an office and the prospects are that the application will be made for both to be established at the same time, as they will be on the same mail route and it will be much easier to secure two than one. More postoffices and post routes are very much needed by the settlers here-about and every effort should be made to get them as quick as possible.

H. A. Cunningham started last evening with a car load of goods for Alliance where he will open a harness shop, and the people will find him a good workman and a good citizen. Mrs. Cunningham and the children leave this evening for their new home. On Tuesday evening a number of their friends who were at church decided to make a raid on them and enough to fill their house went over and spent the evening very pleasantly and on leaving expressed best wishes to Mr. and Mrs. Cunningham for prosperity in their new location and in this wish THE JOURNAL most heartily joins.

Last Saturday Mrs. Henry Warneke came to Harrison and just about dark two of her little girls arrived at town, having walked the entire distance. The girls are about five and eight years old and the distance about eight miles, and they failed to meet their mother as she had gone home by a different road. They were taken care of for the night by Landlord Rohrer and word sent to their parents. On Sunday the little ones took a notion to start home and quietly left the hotel and a little later Mr. Warneke arrived for them, having come by a different route from that taken by the children and so he had to take another road to overtake them on their way home.

SUBSCRIPTION NOTICE.

By reason of the cancellation of the subscription list of the Independent with that of THE JOURNAL a good many will receive this paper who have not done so in the past. There some whose subscriptions are paid in advance, some which just expire and others who are considerably in arrears. The applies to the lists of both THE JOURNAL and the Independent. It is desirable that a settlement be had with every person whose name is on our books that we may know just how we stand. The publication of a newspaper is a business as much as any other line and it has been repeatedly demonstrated that unless it is conducted on business principles it cannot succeed. In view of that fact we will, in the near future send out statements to all who are in arrears and trust that a settlement will be made in each case by cash or note as we want to clear up the books and for the further reason that we need the money.

School Report.

The following is the report of the Harrison school for the month ending March 2, 1894:

GRAMMAR DEPARTMENT.

Total enrollment, 29; total number of days all pupils attended, 330; average daily attendance, 12.

Roll of Honor.

The following is the roll of honor of the Grammar department of Harrison School, for week ending March 2:

Harry Churchill, Claudia Hester, Garrett, Louie Hester, Lillie Henry, Roy Maine, Mamie Lawler, Myrtle Pontius.

MINNIE E. SMITH, Teacher.

H. T. Zerbe was in town Saturday looking after a stock shipment.

Paper napkins for sale at THE JOURNAL office.

J. H. Bartell is putting down a well for the Phillips boys at their place east of town.

Otto Tietze shipped a car load of fat cattle to Omaha on last Saturday. He accompanied the shipment.

Daily train service has been arranged to be resumed on Cheyenne & Northern on April 1st.

Takes out a policy in the Preferred Mutual Accident Association. It is cheap and reliable. L. J. SIMMONS, Agent.

We want a good, live correspondent in every locality in Sioux county. One who will send the news while it is news and will send all of it, and we will do well by those who will act in such capacity.

It is desired to make THE JOURNAL the best paper ever published in Sioux county and in the effort to do so we ask the co-operation of all. If you know an item of news which would be of interest to the public call and tell us or send it to us by mail. In case the mail is used be sure to sign your name for nothing can be admitted to the columns whose author is not known. Do not hesitate for fear you may not write it just right or may mis-spell a word. Send in the facts and such errors as mentioned above will be corrected.

The Bank of Harrison has gone into voluntary liquidation and is in the hands of the state banking board. It was decided some time ago to close up the affairs of the bank and go out of business. With this object in view they have been paying off their depositors as rapidly as collections were made, until the deposits now are much less than the personal responsibility of the stockholders, and they are able and will be ready to pay all depositors in a short time. On Wednesday R. H. Townley came up and took possession of the bank as the representative of the state banking board and the bank is closed until the legal formalities are arranged when it will be re-opened and its business affairs wound up. The funds on deposit will be tied up for a time but no depositor will lose a dollar that is in the bank and all will be paid soon.

PERSONAL.

F. M. Smith was in town Monday called to see us.

Herman Kroening was up from Crawford Monday.

LeRoy Hall, a Crawford banker, was in Harrison Tuesday.

P. N. Kirkpatrick was at Crawford the first of the week.

Wagon and Carriage Makers.

Repairing done on short notice.

Good work and reasonable charges.

Shop south of livery barn.

HARRISON, NEB.

The District Irrigation Convention.

The annual convention of the North-west Nebraska Irrigation Association was held at Crawford on last Tuesday, and was well attended. Delegates were present from each of the four counties of which the district was composed.

The morning session was called to order by the president at 10 o'clock, and a lot of preliminary work done so that the afternoon could be devoted to the order of business without any break to enable committees to prepare reports.

When the afternoon session was open the committee on order of business reported and that being adopted was taken up and carried out. The reports of the county committees showed that meetings had been held in each of the counties and local organizations formed. The reports also showed that the people were interested in the work of irrigation and anything that will advance it without doing injustice to any one.

The legislative committee was selected as recommended, Messrs. Cook, Burke and Livermore being made the representatives for Sioux county.

In the election of officers L. J. Simmons, president, A. E. Sheldon, secretary and C. J. Grable, treasurer, were chosen unanimously by acclamation.

On selecting county vice-presidents, County Clerk Blewett was re-elected for Sioux county.

The committee on resolutions, of which Commissioner Weber was chairman, reported a set of strong resolutions which after considerable discussion and a few alterations were adopted.

In the matter of the inter-state irrigation convention to be held at Omaha on March 21st and 22d it was decided to select one delegate from each county and that the county organization bear the expense of such delegate. C. J. Grable, of Lawes, Hon. El. L. Heath, of Sheridan, J. S. Paradis, of Box Butte, and L. J. Simmons, of Sioux, were selected as delegates and authorized to cast the full vote of the county and district organizations at that convention.

Irrigation was discussed to quite an extent from various standpoints and a general exchange of ideas was had and there is no doubt that good will result. It will be necessary for the people to let the members of the legislative committee know what is needed in the different localities that their wants may be put in proper shape to be presented to the legislature when it convenes next January.

PATENTS FOR INVENTIONS

Press Claims Company. Equal with the interest of those having claims against the Government is that of INVENTORS, who often lose the benefit of valuations because of the incompetency or inattention of the attorneys employed to obtain their patents.

Too much care cannot be exercised in employing competent and reliable solicitors to procure patents, for the value of a patent depends greatly, if not entirely, upon the care and skill of the attorney.

With a view of protecting inventors from worthless or careless attorneys, and of seeing that inventions are well protected by valid patents, THE PRESS CLAIMS COMPANY has retained counsel expert in patent practice and is therefore prepared to OBTAIN PATENTS, CONDUCT INTERFERENCES, MAKE SPECIAL EXAMINATIONS, PROSECUTE REJECTED CASES, REGISTER TRADE MARKS AND COPYRIGHTS, RENDER OPINIONS as to SCOPE and VALIDITY of PATENTS, PROSECUTE AND DEFEND INFRINGEMENT SUITS, ETC., ETC.

If you have an invention on hand send THE PRESS CLAIMS COMPANY a sketch or photograph thereof, together with a brief description of the important features, and you will be at once advised as to the best course to pursue. Models are not necessary unless the invention is of a complicated nature. If others are infringing on your rights, or if you are charged with infringement by others, submit the matter to us for a reliable OPINION before acting on the matter.

THE PRESS CLAIMS COMPANY, 618 F street, northwest WASHINGTON, D. C. JOHN WEDDERBURN, managing attorney. P. O. Box 463. Get this out and send it with your inquiry.
