

THE SIOUX COUNTY JOURNAL

L. J. Simmons, Editor and Proprietor.

F. E. & M. V. R. Time table.
Going West. Going East.
No. 5, mixed. 12:30. No. 6, mixed. 6:30

—Rev. C. E. Connel has a brand new team, carriage and harness.

—County Superintendent Davis has moved into the Batterlee property.

—Peter Schaefer has been quite sick, but at last reports was improving.

—Parties contemplating the purchase of a piano or organ should see C. E. Connel before purchasing.

—C. H. Unitt received four car-loads of cattle on Tuesday. They came from Seward and were unloaded at Andrews.

—Horsehound compound cough syrup the great remedy for coughs and colds at the Pioneer Pharmacy.

—If some of the good people who are owing us on subscription will bring us a nice young pig we will allow a good price for it.

—The acreage of potatoes in this part of the country will be less than it would have been had the factories at Chadron materialized.

—A number of the high officials of the Elkhorn made a trip over this division the first of the week, but there appears to be no significance attached to the trip.

—Good rains are reported from various localities so that it is evident that the ground is pretty well soaked up. Grass is growing rapidly and stock will keep on fattening.

—An engine which was pulling a special stock train west on Tuesday got to leaking so badly that it had to give up its job here and return to Chadron for repairs.

—STRAYED—One dark brown or black filly, coming three year old, branded 7 cross bar on left cheek. A liberal reward will be paid for information leading to her recovery.

W. B. JOHNSON,
Glen, Neb.

—Here! Save time. Give your wife a rest and buy her a Dish-washing machine that will do the work in four minutes.

B. F. THOMAS,
Agent.

—STRAYED—1 white-faced cow, about 5 years old, branded S E O on left side, with young calf at her side. Liberal reward for information leading to her recovery.

OTTO TRETZE,
Harrison, Nebr.

—If you want a farm paper get one published in Nebraska. THE JOURNAL clubs with the Nebraska Farmer. Call and see a copy of it.

—The Northwest Nebraska Medical association held its second meeting at Alliance on April 19th. An interesting time is reported. The next meeting will be at Chadron on July 19th. A full attendance at that meeting is urged.

—The report of the Commercial Bank which appears in another column shows that institution to be in a healthy business condition. The state banking board say this is one of the best banks of its class that there is in the state.

—A new time card went into effect on this division last Sunday. No change is made in the leaving of the eastbound train, but the westbound train now arrives at 11:10, stops twenty minutes for dinner and leaves at 11:30.

—J. H. Brown was in town Monday and informed us that in the case against John Herman and himself at Hot Springs there was no trial and the defendants were discharged. That county was thus saved a big bill of costs in what would have accomplished nothing.

—Harrison is a dry town. The new board of trustees of the village is not anti-liquor but the license of I. Richstein expired yesterday and he has made no move toward a new one and it is doubtful about his doing so. Dr. Phinney has no permit, and has not even taken out a government license since he has been in the town. While the sentiment is generally in favor of a saloon it is strongly opposed to boot-legging or a hole-in-the-wall and it is not likely that any one will attempt to sell liquor without a license. Mr. Richstein says there is not enough business to warrant the payment of the license which has been paid in the past and he also says it is not just to him to have no marshal in the town after he has paid the sum imposed. In the matter of a marshal he is certainly correct. There are some who make it a point to come here and fill up on booze and conduct themselves in a manner which would not be allowed where a marshal was on duty, and it would be for the benefit of the town as well as of the individuals, if, when they got in such condition they were arrested and put in jail and kept there until they got sober and then taken before a court having jurisdiction and dealt with according to law. The statute provides that a person shall be fined \$10 and costs always follow the fine, for being drunk, and a few doses of that size in addition to being in jail until sober, would bring some people to realize that others have some rights which they are bound to respect and that the law is bigger than they. Whether a saloon license is taken out or not THE JOURNAL is in favor of the appointment of a marshal with instructions to see that the law is enforced.

PERSONAL.

—Fred Lethoff was up from White river Monday.

—Mrs. F. G. Simmons left for her home in Seward last Thursday evening.

—Mrs. S. B. Wilson was up from Running Water yesterday.

—R. F. Neece and William Downey were in town yesterday.

—J. T. Coffee was in from Rawlride the last of the week.

—Charles Newman was doing business at the county seat on Tuesday.

—County Treasurer Woodruff came up from Sugar Leaf Monday, returning Tuesday.

—Commissioner Weber went to Lusk Friday where he expects to remain during the shearing season.

—Mr. and Mrs. Joseph Robinson have moved into rooms at the rear of the Ranch Supply house.

—Sanford Hill was in town Monday feeling good over the rain which fell in his locality the day before.

—C. Y. Hough went to Casper yesterday to take a position in a clothing store. Clint is a good salesman and is sure to succeed.

—S. B. Coffee was in town Saturday and made an agreeable call at this office. He expects to spend the summer on Sheep-creek.

—The game club propose to introduce a lawsuit as the feature of their entertainment to-morrow evening. All are invited attend.

—Phil Unitt arrived from Seward the first of the week to look after his interests. He contemplates making a test for artesian water on his ranch south of town during the coming year.

—Miss Claudia Hester has her stock of trimmed millinery open for inspection at the office of Hester & Son.

—To make the hair grow a natural color, prevent baldness and keep the scalp healthy, Hall's Hair Renewer was invented, and has proved itself successful.

—County Superintendent Davis has been moving this week, which accounts for his having been unable to give our readers the information in regard to the changes in the school law as promised.

—A child was cured of croup by a dose or two of Ayer's Cherry Pectoral. A neighbor's child died of the same dread disease, while the father was getting ready to call the doctor. This shows the necessity of having Ayer's Cherry Pectoral always on hand.

—When fevers and other epidemics are around, safety lies in fortifying the system with Ayer's Sarsaparilla. A person having thin and impure blood, is in the most favorable condition to "catch" whatever disease may be floating in the air. Be wise in time.

—J. W. Earnest was in town yesterday and took out a new wagon and some new furniture and it is reported that he will soon have work begin on an addition to his house. It may be well to keep an eye on Wilkes for he may contemplate deserting the ranks of the bachelors.

—A merry crowd consisting of Misses Cora Wurts, Lizzie Gerlach, Fanny Van Roskirk, Jennie Lacey, Maggie Lindeman and Mrs. Simmons, were out hanging May baskets last night. A jolly time was had, especially when the ladies returned to their respective homes and found substantial May baskets of cabbage, beets, etc., hanging to their door knobs as souvenirs of the day from their gentlemen friends.

Knights of the Maccabees.

The state commander writes us from Lincoln, Neb., as follows: "After trying other medicines for what seemed to be a very obstinate cough in our two children we tried Dr. King's New Discovery and at the end of two days the cough entirely left them. We will not be without it hereafter, as our experience proves that it cures where all other remedies fail."—Signed F. W. Stevens, State Com.—Why not give this great medicine a trial, as it is guaranteed and trial bottles are free at the Pioneer Pharmacy. Regular size 50c. and \$1.00.

Largest Circulation in Nebraska.

It isn't much wonder that the State Journal now has the largest circulation in Nebraska. It has reduced its price to 65 cents a month with Sunday, or 50 cents without Sunday; it has been spending more money for Nebraska than any other paper; it has on its staff such men as DeLoe, Walt Mason and Annin. The Journal is being pushed at every point and is climbing steadily and surely away ahead of the other state dailies. People like a Lincoln paper. Especially when it is as good as the Journal.

50 Cents to January 1, 1896.

That is an awful little bit of money for a twice-a-week paper like the Semi-Weekly Journal, but if you will send 50 cents you will receive that paper until January 1, 1896. You will find it the farmer's daily. Markets alone are worth more money than that. If you take it the rest of this year for 50 cents you will want to keep it always. If you get up a club of five 50-cent subscribers you can have a copy free for your trouble. Address, Nebraska State Journal, Lincoln, Neb.

PRAISE, ONLY, FROM ALL WHO USE AYER'S Hair Vigor

"Ayer's preparations are too well known to need any commendation from me; but I feel compelled to state, for the benefit of others, that six years ago, I lost nearly half of my hair, and what was left turned gray. I was using Ayer's Hair Vigor for several months, and with the first application my hair began to grow again, and with the second application it was restored. I recommend it to my friends."—Mrs. E. H. HATSELL, Box 55, Station C, Los Angeles, Cal.
