RANCH SUPPLY HOUSE.

The Toledo Weekly Blade and Campaign of 1896.

With a great presidential campaign coming next year, every thoughtful citizen will need, besides his local paper, a great national weekly. The greatest and most widely known of these is the Toledo Weekly Blade. For thirty years it has been a regular visitor to every part of the Union, and is well known at almost every one of the 70,000 post-offices in the country. It is edited with reference to a national circulation. It is a republican paper, but men of all politics take it because of its honesty and fairness in the discussion of all public questions. It is the favorite family paper, with something for every of the household. Serial stories, poetry, wit and humor; the household department (best in the world), Young Folks, Sunday School Lessons, Talmage's Sermons, the Farmstead, the Question Bureau (which answers questions for subscribers), the News of the Week in complete form, and other special features. Specimen copies gladly sent on application, and if you will send us a list of addresses, we will mail a copy to each. Only \$1 a year. If you wish to raise a club, write for terms.

Address The Blade,
Toledo, Ohio.

—For the highest cash price for what see Grant Guthrie.

—Fine line of jewelry and clocks at Pioneer Pharmacy.

—Geo. H. Turner received a large invoice of clothing and invites all to call when in need of such goods.

—Horsehound compound cough syrup the great remedy for coughs and colds at the Pioneer Pharmacy.

—Rev. D. J. Clark will begin a series of protracted meetings at the M. E. church this evening. All are invited.

—Born, to Mr. and Mrs. J. W. Kendall Wednesday morning January 8th, a girl. All parties doing well.—Hemlock Herald.

—Don't forget that THE JOURNAL has a large clubbing list and when selecting reading matter for the coming year call and give us your order. We can save you money.

—While handling a revolver a few days ago Frank Phillips accidentally shot himself through the forearm. Fortunately it struck no bones and is healing all right.

—Mr. and Mrs. J. W. Smith, Mes Claudia Hester and J. S. Bousell went to the oyster supper at C. F. Coffey's last Friday evening. A large attendance and a general good time is reported.

—C. F. Coffey was in Friday and told us about being cured of the asthma. He was treated by an anatomist and took no medicine and he is confident that he is permanently cured and is feeling very good about it as he had suffered greatly with it for years.

—At the last meeting of the W. O. W. of this place the following new officers were installed: W. L. Hoyt, C. C.; J. A. Hanson, A. L. Lewis, Gerlach, banker; W. H. Davis, clerk. The camp holds its regular meetings each alternate Wednesday evening and is in a flourishing condition.

—C. B. Hollingsworth was in town on Tuesday and called and gave us an order for letter heads and envelopes with a cut showing his brand and mark printed thereon. Other stockowners are invited to follow his example, as it costs but a trifle more in the end than it does to use plain stationery and is much more convenient and businesslike.

—Early last Sunday morning Crawford experienced a \$10,000 fire, with no insurance to speak of. Among the heaviest losers are Commercial State Bank, E. A. Thompson, W. J. L. McKelvey, A. Prineaux, Geo. Gorton, W. T. Farber, Pat Fitzgerald, and F. K. Wingleid. The fire is thought to have been work of an incendiary for the purpose of robbery and a number of arrests have been made, but whether the crime has been fastened on any one has not been learned. The guilty one deserves to be severely dealt with.

—THE JOURNAL desires to remind those who are in arrears that it would be in order for them to pay up. A large number of statements have been sent out to those who don't come here and if you receive one of them and have not remitted it will be appreciated if you do so at once. If you received no statement and know you are indebted to this office send us a part, if not all, that you owe. A number promised to pay us early in this month and we trust that they will make the promise good. It is not right that we have borrow money to meet printing expenses when we have so much due us.

—No one ever thought of introducing so expensive a feature as lithographic color work in the days when the leading magazines sold for \$1.00 a year and 25 cents a copy. But times change and the magazines change with them. It has remained for the Cosmopolitan, sold at one dollar a year, to put in an extensive lithographic plant capable of printing 320,000 pages per day (one color). The January issue presents us a frontispiece a water-color drawing by Eric Pape. It is the last story by Robert Louis Stevenson, which has probably never been excelled even in the pages of the finest dollar French periodicals. The cover of the Cosmopolitan is also changed; a drawing of page length by the famous Paris artist Ross, in lithographic colors on white paper takes the place of the manilla back with the red stripes. Hereafter the cover is to be a fresh surprise each month.

—The transfer of the offices of county treasurer and sheriff occurred on last Thursday without any jar or friction, and Mr. Woodruff departed that evening for Lincoln to make his final settlement with the state treasurer and thus end his official career retaining the entire confidence of the people for honesty. Mr. Bieble took his place as treasurer and is conducting the office in person, which certainly will be satisfactory to the people of the county. Mr. Dew delivered the office of sheriff to Mr. Bartlett in excellent condition, there being no unfinished business on hand. Having no other official business look after but his own Sheriff Bartlett will be able to give it as close personal attention as it may require, and if violators of the law are not brought to justice it will not be on account of the failure of the sheriff to do his duty. This is the first time in years that each of county officials has given his personal attention to the duties of his office and thus is one cause for complaint by the people removed.

H. S. WOODRUFF,
County Treasurer.

—The large flouring mill at Alliance was destroyed by fire the first of the week.

—A daughter of Swan Peterson, who resides on Indian creek, died the first of the week.

—The "birthday" social given by the Ladies Aid Society last Thursday evening was the greatest success, financially, of anything of the kind ever held in the place and proves that the people are interested in paying off the church debt. The net receipts were \$31.89.

—The commissioners met on Tuesday and are still in session and as they have the books of the outgoing treasurer to examine they will likely be busy some days. As the examination by the state official amounted to nothing, it is hoped that the board will do the job thoroughly so that no question will come up in future.

2d Prize, Cash	100
3d Prize, Cash	50
10 Cash Prizes, each \$20.	200
15 Cash Prizes, each \$10.	150
28 Prizes,	\$1300

The first prize will be given to the person who constructs the shortest sentence, in English, containing all the letters in the alphabet. The other prizes will go in regular order to those competitors whose sentences stand next in point of brevity.

CONDITIONS.

The length of a sentence is to be measured by the number of letters it contains, and each contestant must indicate by figures at the close of his sentence just how long it is. The sentence must have some meaning. Geographical names and names of persons cannot be used. The contest closes February 15th, 1896, and the results will be published one week later. In case two or more prize-winning sentences are equally short the one first received will be given preference. Every competitor whose sentence is less than 116 letters in length will receive "Wickie Collins' work" in paper cover, including twelve complete novels, whether he wins a prize or not. No contestant can enter more than one sentence nor combine with other competitors. Residents of Omaha are not permitted to take any part, directly or indirectly, in this contest. Piano now on exhibition at Hayden Bros' Music Store, Omaha, Neb.

This remarkably liberal offer is made by the WEEKLY WORLD-HERALD, of which the distinguished ex-congressman,

WILLIAM J. BRYAN, is Editor,
and it is required that each competing sentence be enclosed with one dollar for a year's subscription. The WEEKLY WORLD-HERALD is issued in semi-weekly sections, and hence is nearly as good as a daily. It is the western champion of free silver coinage and the leading family newspaper of Nebraska.
