servers in different parts of Cuba show SREEKS FLOCK HOME TO FIGHT

Brude de freunteymen in Chierge Signdy Thur. Williags to to Return to Their Native Land ask to Fight for Their Country.

Caxes, March 9 .- It is believed here that the roply of Greece to the demands of the powers will be a positive refusal b obey, and that a bloody struggle is therefore inevitable onless the powers recede from their position. It is known that Colonel Vascos, the commander of the Greek army of occupation, has reserved instructions from King George to ho dall resitions in the island now occured by the Gre k troops, and to prepare to resist to the bitter and any atternat on the part of anybody to dislodge hom. Information teaches here that the Greek troops are enthusiastic over the determination of their king not to order their withdrawal from the island, and it is believed it would take a far stronger force than their own to dislodge them from the strategic positions they occupy. The events of the next few days are anxiously awaited.

Curosco, March 9 -Five bundred Greeks in this nily are eager to respond to the call to arms issued by M. Skouzes, Grick minister of foreign affairs. A mass meeting was held in the Greek Sunday afternoon at which flery speech es were made. Father Fixmbol's, who two we ke ago stirred the tireeks of the city by an eloquent appeal in behalf of their fatherland, presided at the meeting. He told his countrymen that it was necessary to get money, as lack of means stood in their way. Saturday a telegram was sent to the consul-general in New York concerning the matter of funds, but no reply has been received
