Gottlieb Knori, expects to leave Sioux county for the eastern part of the state where he will look up a location to start up in the dairy business, about the 1st of September.

The R. N. of America, of which Mrs. Bowker has been Oracle, on the occasion of her resignation last Tuesday evening, tendered her a pleasant surprise. Mrs. Thornton was elected to fill the vacant chair.

Mr. and Mrs. Avery, who have been guests at the home of their children at the depot during the past week left for home last Tuesday evening, they expect to stop over a few days at Hot Springs and enjoy the baths.

Mrs. Edward Bowker, and family left here for Franklin county this state Wednesday evening where she and her husband will make their future home. Mr. and Mrs. Bowker leave hosts of friends and relatives in this county, who will regret to give them up.

We were informed yesterday for the first, that Mr. and Mrs. John Dickman, who were only married early last spring had separated two weeks ago. It is said by parties who claim to know that John had legal papers drawn and signed by his wife, that in the future she would not make him any trouble—we presume—relative to his obtaining a divorce or claiming her dower rights. She then took the train, ostensibly for Iowa, where her mother resides, so it is said by some, others say she went to Chadron. It is another case of marry in haste and repent at leisure. The marriage vows of late years seems to be assumed by some with about as much concern and respect as the buying or selling a horse.

Mrs. Baumgard, of Montrose precinct came into town Saturday to consult Dr. Phinney relative to an encounter which she and young Mike Jordan had over a horse th day before. Mrs. Baumgard claims Mike kicked and beat her quite seriously. Dr. Phinney thinks that she will be all O. K., in a short time. We are not sufficiently acquainted with the facts in the case to give a detailed statement of the trouble from beginning to end.

Friday night last, we learned that Jo. Kipp of Bodaro precinct, while on his way home was waylaid by Nick Shafer and his two younger brothers of the same neighborhood, armed with a gun pickfork and stones. The gun and pickfork were not brought into requisition but the stones were. One buried at Mr. Kipp struck him on the side of the ear causing a painful though not a fatal wound. However, as Jo. escaped with his life, Saturday the following day, he came to town to procure a warrant for the boys' arrest, but Sunday all the parties were in town and in some way effected a settlement of their difficulty.

NOTICE.

To All Concerned:—
It is the custom for parents to allow their boys from 6 to 14 years of age to be at the depot on and about the cars while trains are at the station. It is only a question of time when some boy will be killed or badly crippled. I have requested the boys to keep off the cars and entirely away from the depot and yards while trains are here but to no purpose, and now take this method of calling parents attention to this matter. I do not wish to impose any unnecessary hardship on your boys but I think you will all agree with me that it will be much better for all concerned, and, having cautioned you and also warned the boys I herewith disclaim any responsibility in the matter. Very Respectfully, F. AVERT, Agent.
