Call for Meeting of Democratic
County Central Com-
mittee.

Democratic County Central Committee
together at Harrison, Neb., on Saturday
Feb. 10, 1900, for the purpose of trans-
acting such business as may properly
come before it.

A full attendance of Committeemen is

John Stratton of Warbonnet, yester-
day had the misfortune, while loading or
handling a log in the timber, to get
quite badly hurt. But Jo. Varley informed
us that it was not serious.

As time will not permit us to give
the write up we wish to, in justice to
all, of the sumptuous supper and entertain-
ment given by the M. W. of A. & R. N.,
in Harrison last night at their lodge
Hall. We will try if possible to give an
account of it in our next issue.—ENTOR.

Over in Wyoming.

Whew, wasn't last Saturday night a
Klondiker?

The gentle zephyr on Wednesday of
last week, scattered the straw stacks to
a certain extent. It also blew a hay
rack off a wagon at A. Christian's and
broke it all to smithereens.

Charles Thomas, is very sick and we
heard that the gripp had developed into
pneumonia. He has been feeling quite
poorly for about a month.

Jim Rice and Bert Hamlin, were hav-
ing trouble with their pumps last week.
Those that have wells must have trouble,
but your correspondent is not bother-
ed that way.

Mrs. McDermot is in Douglas assisting
Mrs. Reed in her restaurant. Little Clar-
ence is at home with Grandpa and
Grandma Church. He was the recipient
of a fine lot of Christmas presents a
short time ago, sent by his father, Chas.
McDermot, from Butte, Montana.

On Sunday the 21st, the thermometer,
stood at 48° above 0 in the shade all
day. On last Saturday night it reached
42° below at dark, and Sunday morning
it marked 19° below at day light.

We visited C. F. Andrews school one
day last week, and found a large attend-
ance and all busy.

Harry Duell marketed 33 dozens of
eggs in Lusk a few days ago. We un-
derstand that he got 25c a dozen. Who
says that chickens don't pay?

A letter from Daniel Klein, of Pough-
keepsie, N. J., states that his automatic
cow milker is a success. He had then
been milking a cow with it for eight
weeks, and it did the work as well as it
could be done by hand, and the cow was
in good health and seemed to enjoy the
"milk call" as well as if it was her own
bossey.

He is now in search of a buyer. We
hope to soon hear of his meeting with
success in that line.

We saw Paul Wander up the road to-
ward the post-office on Sunday. Also
we saw Philip Frisze during the cold
wave the last of the week.

Jefferson on Expansion.

"The question presented by the letter
you have sent me is the most momen-
tous which has ever been offered to my
contemplation, since that of indepen-
dence. That made us a nation, this sets
our compass and points the course we
are to steer through the ocean of time
opening for us. . . Our first and fun-
damental maxim should be, never to
entangle ourselves in the broils of Euro-
pe. Our second, never to suffer Euro-
pe to intermeddle in cis-Atlantic af-
fairs. America, North and South Amer-
ica, has a set of interests distinct from
those of Europe and peculiarly her own.
She should therefore have a system of
her own separate and distinct from that
of Europe."—Thomas Jefferson to Presi-
dent Monroe.

HE IS TRUE.

PAWTUCKET, R. I., Jan. 29.—Will-
iam J. Bryan had two minutes to wait
before he boarded the train for Woon-
socket this evening. At the station, de-
spite the enormous crowd that surround-
ed him, he replied to a request for a
statement concerning Mr. Cockran's pro-
posed truce as follows:
"My boy did you hear what I said this
evening? I am as staunch a supporter
of the 16 to 1 doctrine as ever. I will
not consent to anything in the shape of
a truce and Mr. Cockran knows that bet-
ter than I do.—Denver News.

Peoples Party State Convention.

The Peoples Independent Party state
Convention, will be held at Lincoln Neb.
at 6 o'clock P. M. at the Auditorium
building, on the 19th day of March, 1900
A. D.

The State convention is called for the
purpose of electing delegates to attend
the Peoples Independent Party National
convention. Who will nominate a can-
didate for president, to be voted for at
the 1900 presidential election.

The basis of representation is one dele-
gate at large for each county and one
delegate for each 100 votes, or major
fraction thereof cast for Silas A. Hol-
comb, in the election for 1899, for su-
preme Judge; and Sioux county will be
entitled to 4 delegates.

It's up to the People.

Less than a year remains in which
to gather facts, and information that
will influence your vote for the next
president of the United States.

That grievous wrongs have been
committed, and grave errors allowed
to exist without effort at correction, is
evidenced by the speech, writings, and
comments of eminent statesmen and
jurists; congressmen and leading men
of business; professors and clergymen
in every state.

Party affiliations have been ignored
in the outcry against thrusting aside
the safeguards of our fathers and sail-
ing pell-mell into the affairs of Europe.
The situation is a deplorable one if
not alarming; as is also our domestic
affairs dominated by gigantic Trusts.

The evils are not of spontaneous
growth! They are the result of years
of labor and expenditure of millions
of dollars! Beginning with the dis-
placement of American silver for
English gold, the cunning of Eng-
land's diplomacy in shaping the des-
tiny of our Republic is apparent to
any ordinary observer seeking the
true inwardness of events.

The Cincinnati Enquirer has fre-
quently called attention to each and
every move as it was transpiring, and
during the campaign of 1900 will pre-
sent its readers with a truthful
array of facts that will be extremely
interesting and startling.

No fair-minded American, be he
Republican, Democrat or of other
political faith, can afford at this critical
time to ignore the truth. Partisan
prejudice, with the Trusts as dictators,
is a far more degrading slavery than
that which existed previous to the Civil
War of '61-64.

Trusts in the United States alone
have a representative capital greater
than all the gold and silver in the
world. These will spend many more
millions of dollars to suppress truth
and facts and mislead all who fail to
look beyond their plausible decep-
tions. Read the Enquirer and you
will be able to discern the truth and
combat falsehood. A victory for
Trusts and the McKinley Adminis-
tration in 1900 will end the era of
greatest good to greatest number.

MARSTELLER BROS.

The New York World,
Thrice-A-Week Edition.

ALMOST A DAILY--AT THE
PRICE OF A WEEKLY.

The most widely circulated "weekly"
newspaper in America in the Thrice-a-week
edition of The New York World, and
with the Presidential campaign now at
hand you cannot do without it. Here are
some of the reasons why it is easily the
leader in dollar a year journalism.

It is issued every other day, and is to
all purposes a daily.
Every week each subscriber receives
18 pages and often during the "busy"
season 24 pages each week.
The price is only \$1.00 per year.

It is virtually a daily at the price of a
weekly.

Its news covers every known part of
the world. No weekly newspaper could
stand alone and furnish such service.

The Thrice-A-Week World has at its
disposal all of the resources of the great-
est newspaper in existence—the wonder
of modern journalism—"America's
Greatest Newspaper," as it has been
justly termed—The New York World.

Its political news is absolutely impar-
tial. This fact will be of special value
in the presidential campaign coming on.

The best of current fiction is found in
its columns.
These are only some of the reasons;
there are others. Read it, and you will
see them all.
We offer this unequalled newspaper
and PRESS-JOURNAL together for one year
for \$1.75. The regular subscription price
of the two papers is \$2.00.
